Kimberley

Intended for last week.

Mr. Jasper Stuart spent Sunday with friends in Eugenia.

Mr. William Simpson, of Portlaw, is visiting friends here at present.

Miss Lena Proctor, of Duncan, was the guest of the Misses Knott a few days of the past week.

Mr. and Mrs. George Pritchard, of Vandeleur, spent Sunday with friends here.

Miss Addie Gaudin gave a birthday party to a number of her young friends on St. Valentine's Day. Miss Addie made a charming little hostess.

Mr. H. V. Gaudin delivered, lately, at Ceylon, three logs, the product of one tree, totalling 2352 feet.

Mr. and Mrs. Charles Parker left for Drayton, N. D., on Tuesday morning last.

On Thursday evening Feb. 16th a goodly number of the friends and neighbors assembled at the home of Mr. and Mrs. C. Knott prior to their departure for their new home near Thornbury and presented Mr. and Mrs. Knott with a beautifnl clock and to Miss Mary a beautiful travlling case and silver fruit dish for services rendered by her as organist of our Sunday school Following is a copy of the address which speaks for itself:

Mr. and Mrs. C. Knott and Miss Mary,—

Dear Friends

We have gathered to-night to express our feelings of respect and esteem for you and our sorrow at your intended departure from amongst us. So long have you been here and so attached have we become to you that on your departure a vacancy will be made that cannot be filled. We ask you to accept this clock as a reminder of your many friends in and around Kimberley. To Miss Mary we present these for her fidelity in playing for us in the Sabbath school. Wishing you all happiness and prosperity in your new home, we are in behalf of all. Yours sincerely, Mrs. Geo. Proctor and Miss Lizzie Weber.

Mr. and Mrs. J. W. Knott, of Markdale, visited with Mr. and Mrs C. Knott on Sunday last

We are sorry to report a very serious accident, which occurred at Ashcroft, B. C., where Mr. Mr John Simpson, an old Kimberley boy, was accidentally shot through the body. We are pleased to report that he is on the fair way to recovery.

Portlaw

The death angel has again visited our neighborhood and claimed for his own two of our number. Mr and Mrs. Thos. Sherwood were called upon to give up their little boy—their only child—on Monday of last week. Much sympathy is extended to the bereaved parents in their loss, it being but one instance in a number of like trials they have been called upon to bear.

On Saturday last Mr. Harman Dyson passed away at the early age of thirty-five after a short illness. Deceased, whose health for some little time previous was in imperfect state, was working in the woods, and about a week previous to decease had one of his feet slightly abraded with the rubber he wore. Blood-poisoning developed and although medical aid was soon called, all efforts were fruitless He was of a quiet and innofensive nature, and will be held in kindly remembrance by all who knew him. He took a deep interest in the work of Daleside Sunday school, of which he was librarian for some years. He exhibited much patience during his illness and solicitude for attendants and perfect resignation to the supreme will he gently fell asleep.

Mr. James and Miss Mary Johnston have both been undergoing a severe attack of illness, which appears slow to yield to treatment, but we are glad to say that they are seemingly progressing toward recovery.

Mr. Henry Holman has been been laid up with the grip the past week but we are glad to note, is around again.

Mrs. F. Arnott visited friends in Toronto for a few days.

Mrs. Jos. Croft is on the sick list.

Priceville

Some people in this vicinity are blaming the moon for bringing on another snowstorm.

A number of young men in this vicinity are joining the several fraternal societies in order to get the "grip" and many others of both sexes have more grip than they want without joining any society.

Miss Emma Robertson is visiting her mother here at present.

Mr. and Mrs. James Tryon and children are visiting the former's parents, Mr. and Mrs. Geo. Tryon.

Mr. M. Currie, of Stonewall, Man., has been calling on old friends and schoolmates around here lately.

Mr. Colin McLean had the misfortune to lose one of his fat cattle last week.

T. J. Patton is again organizer for the S. O. S. He intends to organize a camp at Proton Station this week.

Mr. T. H. Bell, a former school teacher here, called on friends one day last week.

Dr. Dixon, assisted by Dr. McDonald, of Durham, is attending Johnnie, second son of Mr. Alex. White, O. D. R. The trouble is appendicitis, but the doctors think it can be removed without an operation.

Eugenia

The mild weather of the past week brought out our old friends, the crows, from their winter haunts, so let us hope winter will soon be over.

Mr. Hogg has returned home from the city, where he went to attend his brother, Mr. W. T., who got hurt in a runaway and who was dangerously ill. We are pleased to hear that he is out of danger.

Mr Samuel Pedlar received a telegram the past week from his son, Mr. Joseph Pedlar, of Loup City, Nebraska, informing him of the death of his only daughter, Sadie, from consumption. Their only son, Ray, died from the same disease a short time ago. As Mr. Pedlar was well known at Eugenia, where he spent his boyhood days, the sincere sympathy of a large circle of friends is extended to him and his wife in their sad bereavement. Deceased was 20 years of age. Ray at his death, three years ago, was about the same age.

Our mill men are putting on a business like air. Looks as if the old Beaver was to be put in harness again, by the way logs are coming in. Mr. Millar is putting in a good stock, also Mr. Orborne has a fine stock of shingle timber. Mr. Sloan and Mr. Deagle are kept busy chopping, so our town is not dead yet.

Mrs Latimer, sr., has returned home from the city from a visit to her son, Mr. Wesley Latimer, who was very ill but is now recovered

Mr. William Purvis is very poorly at present. His age renders his recovery doubtful.

Miss Bessie Fenwick is visiting at Mr. Paul's, Lady Bank.

It's When You Have Toothache

That the power of Nerviline quickly makes itself felt. Any aching tooth can be relieved by Nerviline in a few minutes by filling the cavities with batting soaked in Nerviline. A good plan is to rub the gums with Nerviline also. There isn't a single remedy that has one fourth the power of Nerviline which acts like Magic. Nerviline kills the pain outright and prevents it returning. You can't beat Nerviline for toothache or neuralgia; it's the best pain cure made. Price 25c.

A Funny Runaway

A young couple who are not strangers in either Avening or Creemore had a rather unpleasant experience on Saturday night last. After the rink closed about 10 o'clock they starred to drive home, first calling at Corbett's drug store for a parcel. The young man went in the store, leaving the lady in the cutter. Just then a couple of rigs came racing by on the gallop. The horse took fright and joined in the race, despite the efforts of the lady to hold it. At the sideroad the horse and cutter turned towards Cashtown, the young lady being pitched out and the horse continuing to run. The Smart Alecs turned towards Dunedin. The young man interested, on coming out of the store was too far behind to see which way the racers had turned, but on reaching the corner heard bells going west, and another rig coming along that was going that way he got in and went as far as Dunedin before he found out that he was following the wrong lead. He then had to tramp back. The young lady was picked up by a good Samaritan a little later and conveyed to her home, not much the worse of her rough experience. The horse turned in to Wm Flynn's. where it was found standing in the shed the next morning, without injury to itself or cutter.—Creemore Star.

Champion Liniment for Rheumatism

Chas. Drake, a mail carrier at Chapinville, Conn., says: "Chamberlain's Pain Balm is the champion of all liniments. The past year I was troubled a great deal with rheumatism in my shoulder After trying several cures the storekeeper here recommended this remedy and it completely cured me." There is no use of anyone suffering from that painful ailment when this liniment can be obtained for a small sum. One application gives prompt relief and its continued use for a a short time will produce a permanent cure. For sale by W. E. Richardson.

John Shields, owner of what is known as the Shield's meteorite, which fell on his farm on the 13th of August last, sold it this week to Oliver C. Farrington Ph. D. curator of Geology in the Field Columbian Museum of Chicago for the sum of $500. Mr. Shields to be furnished with a cast of the meteorite and a small portion of it. Mr. Farrington returned to Chicago on Tuesday morning.—Shelburne Free Press.

On Friday morning Mr. Jacob Kneisley who lived with his father and two sisters on a farm rented from Mr. Angus McEachern on the tenth of Egremont, went out to attend to his stock at the barn. Some time after he was found lying behind one of the horses, and died on Saturday. It is believed that death was the result of an apopleptic stroke. The deceased was unmarried. Another sister is Mrs. John Spicer, who lives near by. The funeral took place on Tuesday.—Confederate.
