Mr. and Mrs. W. Guest of Henderson, Maine, buried an infant daughter, three months old, in the cemetery here on Sunday, the funeral taking place from the residence of Mrs. Guest's mother, Mrs. Henry Richardson. The little one was seriously ill but a few hours, the cause of death being acute meningitis. Mr. and Mrs. Guest have many sympathisers.

W. J. Douglass is preparing for the spring seed business, several large shipments of clover and timothy having been received at his storehouse here during the last week, and the samples, including alsike, red and mammoth, and timothy are far the best that have ever been offered for sale here. All interested are advised to engage what they want as the supply, especially of clover, is limited.

A meeting of the directors of East Grey Agricultural Society was held in town on Monday. The most important business transacted was a decision to hold a spring show of entire pedigreed stock, the date of which was fixed for Friday, April 28, and which will be properly advertised. It was also decided to make an extra effort to increase the membership this year. Another meeting will be held to arrange the prize list.

A public meeting in the interest of the Women's Christian Temperance Union was held in the school room of the Presbyterian church on Thursday, March 9, when two very able addresses were delivered. Miss W. E. Doyle of Owen Sound, set forth the principles, purposes and magnitude of the work with a view to the organization of a society in Flesherton. Mrs. McLeod then gave a short, enthusiastic address on the Missionary department of the W.C.T.U. work in the province of Ontario. Rev. Wilson showed his sympathy with the work by giving a short address. At the close of the meeting a society was formed to carry on work in this place. The following officers were elected: President, Mrs. L. W. Thom; Vice President, Mrs. Jas. Radley; Recording Secretary, Mrs. W. A. Armstrong; Fin. Sec., Mrs. N. C. Mansell; Treas.; Miss M. Boggs.

### A Veteran Shipbuilder's Experience.

One of Owen Sound's most interesting and picturesque citizens is Capt. John Simpson, perhaps the most widely known gentleman identified with the marine interests on the great lake. Capt. Simpson is nearing his seventy-ninth birthday, and still he is active in ship construction work. For almost sixty years, or since he was twenty-two years of age, Capt. Simpson has been in the shipbuilding business. Many of the finest wooden vessels on the great lakes to-day which bear the Owen Sound register, were built on the west side of the harbor. He maintains that one of his prettiest models was the ill-fated "City of Owen Sound," which visited the bottom on several occasions during her long career, and finally passed from sight, to be replaced by the present side wheeler of the same name now doing service on Lake Ontario. One of his more recent works was the "City of Collingwood," which is still the pride of the Northern Navigation Co.'s fleet. Throughout all these years, during which he kept the name of Owen Sound to the front as a shipbuilding centre, Capt. Simpson had enjoyed excellent health. At last, however, with the inevitable march of time, long nights and days exposed to the elements, found him the victim of rheumatic pains. This grew upon him, the sciatic variety locating in the hip and the ordinary rheumatic pains gradually through his entire system, It was only then that Capt. Simpson began to realize that his usefulness was largely impaired, and that the results became necessarily a cause of most serious concern. Physicians did what they could, but failed. Widely-advertised specifics were sent for but accomplished no lasting good. Bottle after bottle of various rheumatic cures were purchased, and each one was given a fair trial in the hope of securing some result. A few weeks ago, the captain, much enfeebled, with the assistance of his cane walked into J. A. Cameron & Co.'s drug store on Water street. Mr. James Cameron, the well-known pharmacist greeted him pleasantly. "How is your rheumatism, to-day, captain?" He was asked. Capt. Simpson replied that it was no better. I don't want any more medicine," replied Capt. Simpson. "I have spent three or four hundred dollars, and I might better have given it to the hospital or some other charitable institution. It did me no good." Mr. Cameron assured him that he knew positively that this new discovery would effect a cure, and offered to give Captain Simpson a bottle if he would try it. That was a few weeks ago. Today Captain Simpson is cured, but for a slight weakness in the left hip no trace of the disease is left. "You can recommend Camerons Rheumatism Cure to anyone," he said. "It has cured me, and I have already recommended it to several of my friends with the same results." The venerable shipbuilder is naturally grateful, for his emacipation from disease is one of those cures that can only be exerienced to be appreciated. There is no miracle about the thing. D. A. Cameron & Co., manufacturers of Cameron's Rheumatic Cure, have simply worked along scientific lines and have discovered where they combat the trouble successfully. It cannot fail, and the cure of Capt. Simpson's trouble, severe and almost chronic in its nature, testifies to this fact.

For sale by D. A. Cameron & Co., Owen Sound, $1. per botttle. Express paid on two bottles.

### Danger of Living With Consumptives

Is real danger because the sputum of affected persons diffuses itself through the air and finds lodgement in the systems of others. If exposed to consumption use fragrant healing Catarrhozone, the most efficient germicide known. No case of catarrh can withstand Catarrhozone which cures this loathesome disease thoroughly. Cold in the head is cured in a few minutes and bronchitis, asthma and lung trouble are cured to stay cured if Catarrhozone is used. "I dont know any remedy so good for catarrh or brouchitis as Catarrhozone, writes N. Eaton of Knowlton. It cured me after years of suffering and saved me from consumption." Two months treatment $1,00 trial size 25c.

### For an Impaired Appetite

Loss of appetite always results from faulty digestion. All that is needed is a few doses of Chamberlain's Stomach and Liver Tablets. They will invigorate the stomach, strengthen the digestion and give you an appetite like a wolf. These Tablets act as a gentle laxative For sale by W. E. Richardson

### McMullen—Chard

A very pretty wedding took place at the home of the bride's parents, Mr. and Mrs. James Chard, on March 8th, when their only daughter, Mary, was united in marriage to Mr. Alexander Stewart McMullen. Rev. L. W. Thom performed the ceremony and the father gave his daughter away. The bride was attended by the groom's sister, Miss Lizzie McMullen, who was attired in a white silk blouse trimmed with lace and buckles with a ladies blue cloth skirt, and also wore the groom's gift, a gold watch. The ceremony took place under an arch of evergreens trimmed with white roses. There were about fifty relatives who witnessed the ceremony. After congratulations were received the party went to the dining-room where a dainty tea was served. The bride received many beautiful and useful presents showing the esteem in which she is held, and a most enjoyable evening was spent by all. The young couple have the best wishes of a large circle of friends.

### A Chicago Alderman Owes his Election to Chamberlain's Cough Remedy.

"I can heartily and conscientiously recommend Chamberlain's Cough Remedy for affections of the throat and lungs," says Hon. John Shenick, 220 So. Peoria St. Chicago. "Two years ago during a political campaign, I caught cold after being overheated, which irritated my throat and I was finally compelled to stop as I could not speak aloud. In my extremity a friend advised me to use Chamberlain's Cough Remedy. I took two doses that afternoon and could not believe my senses when I found the next morning the inflamation had largely subsided. I took several doses that day, kept right on talking through the campaign, and I thank this medicine that I won my seat in the Council." This remedy is for sale by W. E. Richardson.

### Stone Settlement

The angel of death has called from our midst one of our most promising young men in the person of Alfred, youngest son of Mr. Henry Stone He was born June 22nd 1876. Some years ago he went to New Ontario where he secured a homestead on which he remained until stricken with the disease which caused his death. This was about five years ago. After taking treatment in Port Arthur hospital which was of no benefit, he returned home, soon going to Toronto where he underwent a course of treatment in Grace Hospital and later in the Homoeopathic. He came home somewhat improved in health. About six weeks ago he returned to Toronto where he had an operation performed which, together with his inability to take sufficient nourishment, left him so weak that he succumbed March 11th Through all his suffering he has borne himself with a patience and fortitude which endeared him to all with whom he came in contact, The funeral, which took place Monday to Flesherton cemetery, was attended by a large concourse of sympathizing friends. His sorrowing relatives have the happy assurance that he has gone to be with Christ, which is far better.

Mrs. George Pattetrson and daughter, Reta, are paying an extended visit to friends in Toronto and other points.

Miss Ida Beaton is visiting friends in this vicinity.

Mr. and Nrs. Geo. Rogers and son of Creemore paid a flying visit to friends on this line last week.

Miss Emma Whittaker entertained a number of her little girl friends on Thursday afternoon, the occasion being the celebration of her ninth birthday.

Mr. Harry Spicer spent last week with his brother in Egremont.

Miss Minnie and Master Gordon McArthur have been very ill with measles. Dr. Carter is in attendance.

### A Safe Cough Medicine for Children

In buying a cough medicine for children never be afraid to buy Chamberlain's Cough remedy. There is no danger from it and relief is always sure to follow. It is especially valuable for colds, croup and whooping cough. For sale by W. E. Richardson.
