An extensive sett of Tables has been computed for Assurance on Joint Lives, the Survivor of two or more lives, and for Contingent Assurances also for Reversionary Annuities, Endowments for Widows and Children, and for every possible contingency affecting human life, another which it may be prudent or expedient to provide.

The great success of this Institution in Europe, and the numerous Policies, issued by the different Agencies in Canada, evidently show that the advantages of Life Assurance are daily becoming more and more appreciated by those who feel the necessity of making some provision for their families, or securing the amount of debts due by or to them in case of premature death.

The rates of the Britannia are the lowest which can be offered consistently with security to the Assured.

The income of the Company, independently of the large subscribed Capital, is about Eighty Thousand Pounds Sterling, per Annum, and of this a great part is continually accumulating for the payment of losses.

A party effecting an Assurance with this Company, may do so for a fixed sum, payable at his or her death, without participating in the profits, and thereby secure an immediate Bonus by not paying more than is absolutely required to provide for the risk.

All claims payable within three months after proof of Death.

No proof of Birth is required at the time a claim is made; the Age of the Assured being, in every case, admitted by the Policy, cannot, under any circumstances, be afterwards called in question.

Policies effected by Parties on their own lives are not rendered void in case of death by Duelling or the hands of Justice. In the event of Suicide, if the Policy be assigned, to a bona fide Creditor the sum assured will be paid without deduction; if the Policy be not assigned, the full amount of premiums received thereon will be returned to the family of the Assured.

The necessary forms, and every requisite information as to the mode of effecting Assurances may be obtained either by letter or personal application o

Agent, Kingston.

CAUTION!

From the (Boston) Chronotype.

The great popularity of Wistar's Balsam of Wild Cherry has induced some members of every individuals in various parts of the country to compound quack nostrums to the purpose of deceiving the public and raising money on the well earned reputation of this truly valuable medicine. The interests of the proprietor cannot suffer, if he can but keep the public informed against the false preparations attempted to be palmed off in the name of Wild Cherry; for certain it is that no medicine ever proved so efficacious in a long catalogue of the most common diseases which flesh is heir to, or preserved the health and life of so many thousands of our acquaintance as Wistar's Balsam. Mr. S. H. Rowe, druggist, No. 138 Washington street, is the sole proprietor of the original receipt for the manufacture of the genuine medicine, and supplies both at wholesale and retail, and of whom, also, agencies can be obtained.

THE GENUINE AND ORIGINAL *Dr. Wistar's Balsam of Wild Cherry*, has been extensively Counterfeited in Philadelphia, and some thousand bottles of the spurious imitation thrown into the market and extensively circulated; it is to caution Dealers and the public generally against purchasing any other than having the written signature of I. BUTTS on the wrapper.

Prepared and sold, Wholesale and Retail, by Seth W. Fowle, 138 Washington street, Boston, Mass.

MARRIAGE,

HAPPINESS AND COMPETENCE.

WHO IS IT?

That we behold many females, scarce in the meridian of life broken to health and spirits with a complication of diseases and ailments, depriving them of the power for the enjoyment of life at an age when physical health, buoyancy of spirits and happy serenity of mind, arising from a condition of health, should be predominant.

Many of the causes of her sufferings at first—perhaps years before, perhaps during girlhood; or the first years of marriage—were in their origin so slight as to pass unnoticed, and of course neglected.

IN AFTER YEARS,

When too late to be benefitted by our knowledge, we look back and mourn, and regret the full consequences of our ignorance.

What would we not often give to possess, in early life, the knowledge we obtain in after years! And what days and nights of anguish we might not have been spared, if the knowledge was timely possessed. It is

MELANCHOLY AND STARTLING

To behold the sickness and suffering endured by many a wife for many years, from causes simple and controllable, easily remedied—or better still,—not incurred, if every

WIFE AND MOTHER

Possessed the information contained in a little volume, (with in the reach of all) which would spare to herself

YEARS OF MISERY,

And to her husband the constant toil and anxiety of mind, necessarily devolving upon him from sickness of the wife, without giving him the opportunity of acquiring that competence which his exertions are entitled, and the possession of which would secure the happiness of himself, wife, and children.

SECURE THE MEANS OF HAPPINESS

By becoming in time possessed of the knowledge, the want of which has caused the sickness and poverty of thousands.

In view of such consequences, a wife or mother is culpable if she neglect to avail herself of the knowledge in respect to herself, which would spare her much suffering, be the means of happiness and prosperity to her husband, and confer upon her children that blessing above all price—healthy bodies, with healthy minds. That knowledge is contained in a little work entitled

THE MARRIED WOMAN'S Private Medical Companion.

BY DR. A. M. MAURICEAU,

PROFESSOR OF DISEASES OF WOMEN.

One Hundredth Edition. 18mo., pp. 250. *Price, 50 cts.*

[OR FINE PAPER, EXTRA BINDING, $1 00.]

First published in 1847, and it is not

SURPRIZING OR WONDERFUL,

Considering that EVERY FEMALE, WHETHER MARRIED OR NOT, can here acquire a full knowledge of the nature, character and causes of her complaints, with the various symptoms, and that nearly

HALF A MILLION COPIES

should have been sold.

It is impracticable to convey fully the various subjects treated of, as they are of a nature strictly intended for the married, or those contemplating marriage, but no female desirous of enjoying health, and that brain, consequent upon health, which is so conducive to her own happiness, and that of her husband, but either has or will obtain it, as has or will every husband who has the love and affection of his wife at heart, or that of his own pecuniary improvement.

DICKEN'S HOUSEHOLD WORDS and UNITED STATES WEEKLY REGISTER.

NEW ARRANGEMENT.—The publication of this periodical will hereafter be carried on by the undersigned, who have become sole proprietors of the work. With the present volume commenced a new series of the work, under the title of "Dicken's Household Words and United States Weekly Register." The original work has attained such an unprecedented popularity both in England and this country, as to render any commendation of it in this place superfluous. For variety and richness of information, variety of style, and genial tone of feeling, it has no rival in English periodical literature. It may justly be called the greatest intellectual labor-saving machine of the age. One has only to peruse its pleasant pages to become master of an amount of knowledge which it has required no small degree of research and energy to accumulate in this condensed and fascinating form. Nor is it less valuable in point of pecuniary saving. The price of this work for one year will give more mental entertainment and instruction to the family circle than ten times the sum spent for the common run of books. In the present edition, a copious summary of statistical facts will be given with each number, which cannot fail to prove of service to the American citizen, both for present use and future reference. The work will continue to be issued in a style of great typographical neatness, forming two volumes a year, worthy of a distinguished place on the shelves of the library or the drawing-room table.

The "Weekly Register" portion of this work contains a record of important statistics, as well as of other passing events of general interest in the United States.

The present volume of The Household Words commenced with No. 1 of the New Series, with which, and the succeeding numbers, all new subscribers are to be furnished.

TERMS.—The Household Words may be obtained of Booksellers, Periodical Agents, or from the Publishers, No. 17 Spruce Street, at $2 50 a year, or 6¼ cents a number for single copies; 2 copies for $4 50; 3 copies, $6; 5 copies, $9; 10 copies $15. Clergymen supplied at $1 75 per annum.

Liberal arrangements will be made with Agents and Postmasters for its circulation.

Persons contemplating subscribing to a periodical will do well to procure a specimen number before deciding.

All orders must be addressed to
