"I can heartily and conscientiously recommend Chamberlain's Cough Remedy for affections of the throat and lungs," says Hon. John Shenick, 220 So. Peoria St. Chicago. "Two years ago during a political campaign, I caught cold after being overheated, which irritated my throat and I was finally compelled to stop as I could not speak aloud. In my extremity a friend advised me to use Chamberlain's Cough Remedy. I took two doses that afternoon and could not believe my senses when I found the next morning the inflamation had largely subsided. I took several doses that day, kept right on talking through the campaign, and I thank this medicine that I won my seat in the Council." This remedy is for sale by W. E. Richardson.

ANOTHER REMARKABLE CURE

Cured After Many Years

Mrs. A. W. Danard, whose home on an elevation on lot 12, 3rd concession of Derby, is so well known that friends of the family throughout the township will be delighted to know that she has been absolutely cured of rheumatism, with which she has suffered for twenty seven years. Mrs. Danard is a woman of most pleasant disposition, and the newspaper representative who visited her home recognized at once that long years of suffering had not impaired in the slightest her geniality. "Yes, it is true," she said, "I have suffered for years with rheumatism, and particularly during the years of my residence in Arkwright." "What induced you to try Cameron's Rheumatic Cure?" asked the reporter. "Well," she replied, "I saw it in the paper, or rather my daughter saw it in the paper. It was in reference to Capt. Simpson's case On Oct. 17th I bought a bottle at Cameron's drug store, but after taking it I noticed only a slight change. With the second bottle I saw good results, and the third bottle cured me completely, though I bought a fourth that I did not require. I consider that I was cured with the third bottle, which I finished on October 31st. There has been no trace of the disease since then. My neighbors can tell you how I suffered. Pains, mostly in the hands, worked along the arms and across the chest, causing me great distress. The hands would swell and the heat was fearful and sometimes nearly drove me wild. However, it is all right now, and a few days ago I did my first baking in three years." Mrs. Danard s testimony was given in the belief that it was her duty and a matter of kindness to anyone suffering from this disease to inform them of the circumstances., and to tell them that Cameron's Rheumatism cure did the work.

For sale by D. A Cameron & Co., Owen Sound. $1.00 per bottle. Express paid on two bottles.

Mrs (Dr.) Mearns of Hanover died recently at the age of 47.
