## DURHAM

Just as we go to press we learn of the death this morning of Mr. Thos. McFadden, a former Reeve of Glenelg, at his home here, after an extended illness, in his 77th year. We have no particulars, other than that the funeral will be held on Saturday afternoon, at 2 o'clock under Orange auspices.

Mr. Alexander McEachern, a highly esteemed and well to do farmer of Proton died very suddenly on Saturday night near Hopeville. His heart had been giving him trouble for some time, and he had been warned of the danger. He went to bed as usual, and in a very few minutes was discovered in a dying condition and passed away almost instantly. He was a brother of Mrs. David Allen of this town, and was married to a sister of Mr. Dugald McPhail, the auctioneer, at Ceylon. He was about fifty five years of age, and besides his sorrowing widow leaves three sons, about eleven fifteen and twenty years of age, respectively. Mr. and Mrs David Allen and Mr. Hamilton Allen attended the funeral yesterday at Hopeville.—Chronicle.

# GRAY-DORT

## Watchful Eyes Guard Its Quality

THERE is much more than mere routine to the elaborate system of inspection which guards the supreme quality of the Gray-Dort car.

Built into every car is the pride of an organization over sixty years experienced in the production of satisfactory transportation.

—each skilled craftsman looks upon the Gray-Dort as his personal product, by which he will be judged in the eyes of the world.

The result is a carefulness—a precision—of construction which is matched only by the fineness of the materials with which our men work.

The final result is freedom from ordinary motor car troubles and the long life which comes only with perfect harmony in every working part.

Compared with other cars, the Gray-Dort is worth much more than its fair made-in-Canada price.

The difficulty in securing a Gray-Dort will increase as the season advances. See the Gray-Dort dealer now.
