Eugenia

The singing of birds and the chorus of the Canadian band proclaims the welcome spring. What a glorious change from dreary winter with its snow and storms.

The Manitoba fever is around again. Several of our young men start this week. May prosperity and good health attend them in their travels and a safe return to their friends at home.

Mrs. Hislop, sr., of the valley, who was very ill, is able to be around again.

Mr. George Sloan, of Toronto, is visiting his uncle, Mr. Beecroft, of "Eden Vale," at present.

Mr. Jonathan Latimer visited friends in the city a few days recently.

On Thursday afternoon Mrs. Stephen Roy had the misfortune to lose her house with most all of its contents by fire. The wind being very high, it is supposed a spark caught on the roof and when it was seen nothing could be done to save the building. Her loss is very heavy, as but a small insurance was on the house. A few months ago her husband died suddenly from heart failure and during the past winter her only horse died. Great sympathy is felt for her in her misfortunes.

Mr. R. Purvis spent the past week visiting friends in Toronto.

Mrs. Bell has moved from her farm to this village. A very cordial welcome is extended to her by all.

Miss Lou Gordon has gone to spend the summer at Orange, New Jersey. Uncle Sam's domains have great attractions for our young people.

This is a poor sugar making season, the weather being too mild for sap to run.

Some of our farmers are busy plowing.

Maxwell

Spring is here. Plowing is general. Separate school question is the order of the day.

The roads are almost dry here. Why not live in Maxwell?

Why are those boys doing so much driving North East? We are told one is interested in a new Russian Beet and the Earnest part of the trio is a little Beatty too.

We are sorry to hear that Mr. F. Scheniaman is no better.

Osprey township council met here on Saturday, April 1st.

Mr. Thomas Beatty has moved into town. Houses are at a premium here, even with rents raised. Good location for a shoemaker and barber—no bare feet or bald heads.

We learn that R N. Kinner has bought the lot owned by John Madill, possibly for a flour mill.

Mr. Geo. Long leaves for the Soo on Monday, April 3rd. Success, Geo. and safe return.

Mr. Joseph Maxwell, a farmer on the 4th concession of Elderslie township, near Chesley, was instantly killed Friday afternoon by a limb falling on him from a tree that he was chopping down in his own bush.

Kimberley

Mrs. Robert Fawcett, sr., is the guest of her son, Mr. J. R. Fawcett at present.

Mr. William Ellis who has been in Powassan for some time has returned to his home here.

Mr. Albert McCullough, of Markdale, visited friends here on Sunday last.

Mr. J. R. Fawcett visited friends in Toronto and Collingwood last week.

Mr. John Smart, of Collingwood, is visiting friends here at present.

Mr. Benjamin Knott has gone to the Northwest.

Mrs. Soul, of Duncan, is the guest of her daughter Mrs. R. D. Carruthers.

A Successful Horseman

Never allows his horse to suffer pain. He always uses Nerviline which is noted for curing stiffness, rheumatism, swellings and strains. Nerviline is just as good inside as outside. For cramps, colic, and internal pains it is a perfect marvel. In the good racing stables Nerviline is always used,—because it makes better horses and smaller veterinary bills. Twenty-five cents buys a large bottle of Nerviline; try it.

Golden Wedding.

(From Saturday's Globe)

The celebration of the fiftieth aniversary of their wedding day, March 20, was the occasion of a very pleasant family reunion at the home of William Blair near Markdale, who is one of the early pioneers of Grey county, was born near Glasgow, Scotland, and came to this country with his parents when six years old. Shortly after settling in Grey he met and married Mary Rainey, daughter of Samuel Ramey, a well known resident of that part of the country. Mrs. Blair was born in the county of Antrim, Ireland, and came to this country with her parents in 1847, when she was thirteen years of age. From the union eleven children were born of whom eight are living and were present at the celebration. They are:—Mr. James Blair, who resides on the old home stead where the parents were married; Mrs Wm. Dorsey and D.R Blair of Toronto; Mrs. J.I. Graham, Vandeluer; Mrs Wm. Burnett, Markdale; Wm. Blair, Detroit, Mich., and Robert and Frank Blair of Artemesia. Gathered with the children were a number of the grandchildren, of whom there are 21, and all entered heartily into the spirit of the occasion. Mr. Blair has from his early boyhood days been a staunch supporter of the Liberal form of Government and a constant reader of The Globe for over fifty years.

Second: The west half Lot 37, Con. 14, Artemesia, 50 acres; a rough property suitable for pasture. Apply at once to Lucas, Wright & McArdle, Markdale.

ANOTHER TRIUMPH FOR SCIENCE

Capt. Waggoner's Remarkable Cure.

There is scarcely a commander now sailing the great lakes who does not know Capt. John Waggoner. His portly figure and good natured smile have been encountered for fifty years at Fort William, Duluth, Chicago and all the other important points. He has been half a century a sailor, and twenty-five years a master. One of his first commands was the schooner "Waubashene," and he floated the schooner "New Dominion" into almost every port on the great lakes. For thirty years Capt. Waggoner has been a sufferer from rheumatism. The exposures and hardships of life on great lakes when palatial steam heated freighters were unknown, had left its mark, and off and on in the intervening years he has been subject to most virulent attacks. One whole summer he spent upon his back and could do nothing. At Buffalo, and in a hospital at Toronto, they fed him. His legs, hands and body were all affected and on occasions he had to be bandaged. Owen Sound friends who knew of the case and the subsequent cure were so impressed that it was decided to secure from Capt. Waggoner's own lips the extraordinary story. At the residence of Capt. E. B. Anderson, commander of the C. P. R. flagship "Manitoba" the reporter was ushered into the spacious drawing room. Capt. Anderson then presented his friend, Capt. Waggoner. "Give us the facts as you remember them, captain," requested the reporter. "Well," he replied, "Captain Anderson brought up the first bottle of Cameron's Rheumatism Cure. It cured me in three days, and the rheumatism never came back. I took it first last spring and have never felt it since. There is not the slightest symptom left, and I only took half the bottle. They had to carry me off the off the schooner "New Dominion" at Chatham, and I was four and a half months in the hospital there."

"Oh, he had a bad attack of it," interrupted Capt. Anderson. "He told me when I gave him the bottle that it was all poppycock and it would never cure him. He had taken so much medicine that he had lost faith in every thing."

Opening his knife, Capt. Waggoner went on to illustrate by saying. "If I were to twist that knife round and round in my leg it would about describe the pain I felt. I have taken so many sure cures that I was dubious, but on this occasion Cameron's Rheumatism Cure did the work."

For sale by D. A. Cameron & Co., Owen Sound. $1.00 per bottle. Express paid on two bottles.
