Eugenia Electrical Developement

On Saturday forenoon last Mr. B. F. Reesor, manager of the Lindsay Light, Heat and Power Co., and Mr. John O'Donohue, ex-mayor of Stratford, called upon the Artemesia township fathers in an endeavor to make some arrangements for purchasing the township's interest in the waterfall, arranging terms of taxation, etc. Both gentlemen addressed the council. They desired the assessment to remain at the present fixed rate until the works were completed, after which the company was prepared to pay a fair rate of taxes. In reply to a question as to when the works were likely to be completed Mr. O'Donohue said the company was prepared to go to work next week if arrangements with the township were satisfactory and would be pushed energetically until finished. They asked cooperation of the council in making induce-mens for new industries to establish themselves in the township, and said the company certainly had no desire to transmit their power thirty-three miles if a market could be found at home. After listening to the gentlemen the council adjourned until the afternoon, when a draft agreement was submitted. After reading this document the visiting gentlemen expressed a desire to meet the council again on Tuesday of next week at a special meeting, and this was concurred in. We understand the gist of the terms made by the council were: cash payment of $3000, and preferred rates to users of electricity within the muicipality under certain conditions. The township to maintain the present assessment on the property for two years, then the rate to be fixed at 65 per cent. of value, and not to be under $25,000 under any event. The company to agree to continue the present rate of lighting providing Mr. Deagle's plant is taken over. These are the terms submitted by the council but of course may be changed when it comes up again on Tuesday next.

That Pale, Tired Girl

She is in society, in busines, at home, everywhere you see her, but always worn and fatigued. She hasn't heard of Ferrozone or she would be perfectly well. How quickly it strenghtens—what an appetite it gives—what a glow it brings to cheeks! The nutriment contained in Ferrozone puts strength into anybody. Laughing eyes, rossy lips, bright quick movements all tell of the vitality Ferrozone produces. Thousands of attractive, happy women use Ferrozone—Why not you? A box of chocolate coated tablets costs fifty cents at any drug store.

Lost His Suit.

Mr. R. C. Howell, wood dealer of Dundalk, came out second best in a law suit which will cost him three hundred dollars or over. Last spring he received an order from Klopher & Co., of Guelph, for some of the best dry cedar he had. He shipped four carloads to them. They unloaded the wood and paid the freight and then notified Mr. Howell it was not up to expectations and would not pay him his price. Mr. Howell went to Guelph and offered to split the difference or pay a price settled on by outsiders. The company would not accept either of these offers but insisted on paying a price set by themselves. Mr. Howell then sued the price of the four cars of wood and the case came up for trial in Guelph before Judge Chadwick. Mr. Howell had several witnesses from this vicinity, experienced wood buyers, among them Mr. J.D. Morgan, who said he had not seen better cedar leave Dundalk as cordwood. Other witnesses such as Mr. Thorp Wright, of Toronto Junction, a wood dealer of several years experience, also testified to the fact that the standard set along the Owen Sound branch and worth the money asked. The defence, however, swore the wood was wet, rotten and black, that there was not a stick that did not have ice on it, and one car, at least, wasn't worth five dollars. The plaintiff also took the ground that the unloading of the wood and paying the freight was equal to an acceptance of the same, but the judge held otherwise and gave judgement against Mr. Howell with costs. The case was then appealed to Osgoode Hall where after a long delay it came up for hearing when Judge Chadwick's decision was upheld. The case was in the hands of Messrs Lucas, Wright & McArdle.—Dundalk Herald.

Rheumatic Pains Quickly Cured.

The excruciating pains characteristic of rheumatism and sciatica are quickly relieved by applying Chamberlain's Pain Balm. The great pain relieving power of the liniment has been the surprise and delight of thousands of sufferers. The quick relief from pain which it affords is alone worth many times it cost. For sale by W.E. Richardson.

This Medicine Is Breathed.

That's why it is sure to cure Catarrh. You see it goes direct to the source of the disease,—its healing vapor repairs the damage caused by catarrhal inflamation. "Catarrhozone" always cures because it goes into those tiny cells and passages that ordinary remedies can't reach, goes where the disease actually is. Impossible for "Catarrhozone" to fail as any doctor will tell you. Don't be misled into thinking there is anything so good as Catarrhozone,—use it and you will soon say goodbye to catarrh.

Arthur Simpson, the 13 year old son of Mr. W. A. Simpson, of Amaranth, lies at a doctor's residence in Grand Valley, with twent seven grains of No. 6 shot in his head, neck and shoulder, the result of an accidental discharge of a shot gun at a shooting match. He will recover.

For a Weak Digestion.

No medicine can replace food, but Chamberlain's Stomach and Liver Tablets will help you to digest your food. It is not the quantity of food taken that gives vigor and strength to the system, but the amount digested and assimilated. If troubled with a weak digestion, don't fail to give these Tablets a trial. Thousands have been benefitted by their use. They only cost a quarter. For sale by W.E. Richardson.

Mr. James McKay had a pretty close call on last Thursday evening. He was crossing the railway track on the Toronto line at Arnott, with a load of hay, with which he got stuck, and while working to get off he spied a freight train rounding Minnis's curve and as rapidly as he could uncoupled the double tree and just got nicely clear of the track when the enjine struck the load and carried it and the sleighs for some rods, the hay being scattered everywhere and the sleighs smashed to atoms.—News.

Chamberlain's Cough Remedy the Best and Most Popular.

"Mothers buy it for croupy children, railway men buy it for severe coughs and elderly people buy it for la-grippe," say Moore Bros. Eldon, Iowa. "We sell more of Chamberlain Cough Remedy than any other kind. It seems to have taken the lead over several other good brands." There is no question but this medicine is the best that can be procured for a cough or cold, whether it be a child or an adult that is afflicted. It always cures and cures quickly. Sold by W. E. Richardson.

An interesting debate took place in the principal's room of the Flesherton public school on Friday afternoon of last week, the subject being "Resolved, that the farmer is of greater importance than the business man." The subject was handled by 13-year-olds, Misses Etta Beattie and Mary Wilson taking the affirmative, and Arnold Thurston and Fred Karstedt the negative. The young debaters handled their subject in quite a masterly way. It was very entertaining to a few of the villagers who had got wind of the affair and made it a point to be present. The judges were Mrs. (Dr) Carter, Rev. Ivison Wilson and M. K. Richardson. The young ladies succeded in winning the day. Master Robert Cornfield acted the part of a very satisfactory chairman.

FEEDING PROFITS

Quick returns and profits are what the farmer wants in feeding steers. These can be obtained in the steer that can be properly prepared for the market at an early age. One who does this is "A WISE FEEDER." In ordinary feeding the haste in getting on a full feed is often disastrous to large and early gains. The addition of Clydesdale Stock Food to the ordinary feed puts the stomach in such shape as to allow it to digest and assimilate a large quantity of food. It is the assimilation of this extra feed that makes the profit. A point overlooked by many feeders, is the condition of hide and hair. The soft, flexible skin, and velvety hair, is always associated by the experienced feeder with gaining capacity. It is a certain indication of an active digestion and assimilation of food. The outer skin has a direct relation to the stomach and intestines. Clydesdale Stock Food will give as oft pliable skin and velvety hair. Mr. Walter Wesley of Pine Orchard, Ont., says: "Your Stock Food gives a smooth glossy coat, perfect digestion and extra gain over and above that gained from ordinary feeding, and at a profit." The extra fine finish and early maturity got by feeding Clydesdale Stock Food enables a man to get top market prices. Your money will be cheerfully refunded by our dealer if you cannot feed it at a profit. Clydesdale Stock Food can be purchased in your district from the following dealers:

Boyd, Hickling & Co., Flesherton
Knott Bros, Markdale
Taylor & Co., Dromore
Thos. Mathews & Son, Markdale
D. K. McArthur, Hopeville.
W. W. Collingbrown, Dundalk
