Chamberlain's Cough Remedy the Best and Most Popular.

"Mothers buy it for croupy children, railway men buy it for severe coughs and elderly people buy it for la-grippe," say Moore Bros. Eldon, Iowa. "We sell more of Chamberlain Cough Remedy than any other kind. It seems to have takn the lead over several other good brands." There is no question but this medicine is the best that can be procured for a cough or cold, whether it be a child or an adult that is afflicted. It always cures and cures quickly. Sold by W. E. Richardson.

Address and Presentation.

About 60 friends and neighbors gathered at the home of Mr. Geo. Ludlow, sr., near Portlaw, on Friday, March 31, when a very pleasant evening was spent, during the course of which the following address was read to Mr. Ludlow and his daughter Mrs. Galbraith:

TO MR. GEO. LUDLOW SR. and MRS GALBRAITH,

Dear Neighbors and Friends,—We, a few of your neighbors and friends, have assembled at your home to bid you adieu before departing from our midst. We are pleased to know that your removal is only but a short distance; but sorry to know that you are leaving from amongst us at all. Since coming here you have proven to be friends to us both in sickness and in health and your departure leaves a vacancy difficult to fill. We feel that we cannot let you go away, however, without showing in some small way our appreciation of your many kindnesses. Please accept this chair and fruit set as a token of the same and when looking upon it think of the warm place in our affections which is displayed in this small way by us. We know that our loss is the gain of those in the neigborhood in which you are going, and we all join heartily in wishing you health and success in your new home. To your family also we wish every success and happiness and trust that our remembrance though unspoken may reach them where they live. These partings here cause us to stop for a moment and think. We are reminded of the parting that must take place some day, never to meet again on earth, and if our preparation here is suitable we have the bright assurance of meeting "where parting is no more."

Signed: Will Taylor, Sydney Jackson
Mrs. Will Taylor, Annie Jackson.

For a Weak Digestion.

No medicine can replace food, but Chamberlain's Stomach and Liver Tablets will help you to digest your food. It is not the quantity of food taken that gives vigor and strength to the system, but the amount digested and assimilated. If troubled with a weak digestion, don't fail to give these Tablets a trial. Thousands have been benefitted by their use. They only cost a quarter. For sale by W.E. Richardson.

Must Pay Up.

The four hundred farmers around Wiarton and Owen Sound are prejudicially affected by a decision of Chief Justice Meredith delivered Tuesday. The Judge holds that all farmers who took "growers shares" in the Wiarton Beet Sugar Co. are liable for the amount unpaid thereon. There are 408 holders of these growers' shares, and the total amount due from them is $9,690. This sum will just pay the mortgage claim of $9,310 and leave very little for the general creditors whose claims are in the neighborhood of $300,000. The capitalization of the company was $500,000, and there are several other large shareholders who may be held liable for large amounts. Chief Justice Meredith's judgement confirms the finding of Referee McAndrew, who is conducting the winding up proceedings.

Proved in Mount Forest.

Every doctor in this town tried his best to relieve Mrs. J. Withrow of asthma; none succeeded. "For years, she states, I was a dreadful sufferer; nothing gave relief. At times I found it necessary to have all the doors and windows open to get my breath. When in despair I heard of Catarrhozone I used it and am now perfectly cured" This proves beyond doubt that any case of asthma can be cured by Catarrhozone. No remedy so pleasant, none so absolutely certain to thoroughly cure; try Catarrhozone yourself; it's guaranteed

FARROWING SOWS

There is probably no greater loss in the management of hogs than at farrowing time. Many a breeder complains of sows eating their litter and don't know that this is due to bad feeding. Lots of pig-eating sows would never have developed this bad habit if they had been rightly feed before farrowing. By the time the sow farrows she is in a much fevered and constipated condition, which creates a litter eating appetite. This can, in almost every instance, be gotten over if the digestive organs are kept free and open by feeding Clydesdale Stock Food according to directions. The flow of milk of the sow is increased by the help it gives digestion. Milk is the direct product of the digested food. The greater the flow of Milk the greater the growth and profit of the litter. If you want to farrow the most and best pigs; pigs that have a chance to live, and become money makers, use Clydesdale Stock Food before and after farrowing. Mr. A. Newell Kilbride, Ont., says: "Pigs have never done better with me than those I fed Clydesdale Stock Food to." "Runts" can be made money makers by using it. Mr. Donald McDougal, Harriston, Ont., says: "I had six 'runt' pigs to which I fed your food, and now they are as good as any pigs I have." Carboline Antiseptic will keep your pigs and pens clean of vermin, making them do better. If you find Clydesdale Stock Food, and other preparations, do not give satisfaction, your money will be cheerfully refunded by our dealer. Sold in your district by the following:
