DEDICATED TO EVERY BOY AND GIRL IN CANADA

My Dear Boys and Girls:—I am looking forward very much to my next mail that will bring me news of your holidays. We have had such lovely weather in this part of Ontario I feel sure those of you who live near will have had a happy time. Loving greetings to all our new members this week. Look out for a big list of names next week.

OUR LETTER BOX.

Douglas.

Dear Aunt June—I am a little boy nine years old. I have been reading your Boys' and Girls column for some time and would like to be a member too. I go to school every day and I am in the second book. On Saturdays I help my mother to wash the dishes and sweep the floor and bring in the wood and other chores. I was vaccinated last week and was at home from school.

LEO BUSTER.

Dear Leo—What a splendid little Helper you are for just nine years old. I am sure mother is glad to have you help her every Saturday! as you do and I am sending you a badge to show you that I am very glad too.

St. Anns.

Dear Aunt June—I am eight years old and in the senior first class. My brother is in the primer class and we go to school when we can. I help my mother get meals, wash dishes, carry in wood, sweep the floor and make the beds. I have two sisters and two brothers. We have had the whooping-cough this winter. We have two pet kittens, their names are Peter and Pearl. Best wishes to you and the club.

ETHEL MOTT.

Dear Ethel—I am glad to be able to send you a badge for being such a good Helper. I am so sorry you have had whooping-cough and I hope that with the nice spring weather we should have at Easter you will get all better. Thank you for your good wishes for the club.

Jarvis.

Dear Aunt June—I would like to join your club. I wash the dishes, sweep the floor, dust the room, feed the baby and put him to sleep, practice my music lesson and go to school. I am eleven years old and am in the fourth class.

DORIS E. IONSON.

Dear Doris—What a busy little Helper you are. I am glad to send you a badge as you are such a splendid Helper and will be a good member of the League of Service. Let me hear from you again sometimes.

Six Nations.

Dear Aunt June—I saw so many boys' and girls' letters on your page I thought I would write. I am twelve years of age and am in the fourth book. I scrub, bake, darn, sew, help wash the dishes and mind the children, help get meals and go to school. Wishing you a happy New Year, if it is not too late.

GARNETTE ATKINS.

Dear Garnette—Thank you very much for your good wishes for the new year. I hope you have a very happy year yourself. I am sending you a badge and am glad to welcome you as a member of the League of Service.

PLEDGE FOR HELPERS.

"Do a little kindness to someone every day,
Scatter rays of sunshine all along the way."

I pledge myself in the service of my King and Country to do my best in my daily work, whenever it may be, to help others whenever possible, and to endeavor in every way to make myself a good citizen.

West Montrose.

Dear Aunt June—I go to school every day I can. I am in the junior second class and I am 12 years of age. I have three miles to go to school. I have two younger brothers named John, age 8 years; James, age 6 years. They both go to school. When I come home I carry in wood, help to set the table and wash dishes. I help to work on Saturday when my mother has gone to Guelph. Sometimes I go over to my neighbors to mind the babies. They have three babies. Yours truly,

SARAH.

Dear Sarah—I am sending you a badge and am glad you are now a member of the Helpers League of Service as you are a really such a splendid little Helper. I am sure your neighbor must be very glad for you to go over and mind the babies and I expect you manage to have good fun with them when they are good. I hope when John and James are older they will join the League too.

Cayuga.

Dear Aunt June—I am a girl of fifteen years and keep house for my father and brother. I do all the washing, ironing and baking. It is just splendid when you keep house. I also throw crumbs out to the birdies and help to milk the cows.

HIRED GIRL.

Dear Hired Girl—You are the first of my Helpers to use this penname! I am glad to be able to send a badge to such a splendid Helper and hope you will write to me again some time. I think it is lovely to be able to bake and do housework but I have not very much time to do all these things. There is so much to do all the time in a city when one is working that you cannot get round to do half the things you like best. I wonder what sort of things you bake for your father and brother. I should like you to tell me when you have time.

Owen Sound.

Dear Aunt June—I try to help my mother as much as I possibly can, though I take two music lessons a week, belong to a hockey team and a club, so I have not much time as I would like to help. Still, no matter where you are there is always a chance for some little deeds of kindness. I practice an hour a day and am dressing a doll for a poor children's school out West. As much as I can I try to help mother with the dishes, dusting, etc. It is only a block to school. I am eleven years old and am in the senior third class. My favorite subject at school is composition. I do not like arithmetic. I have a dear little black kitten called Darkie. He is very mischievous. I like animals very much and hate to see them hurt.

VERA.

Dear Vera—I am sending you a badge as I feel sure you do quite a lot of little things to help mother that you have not mentioned and you are quite right about being able to do little kindnesses for others no matter where you are. If you follow this out you will be a splendid Helper and I am glad to have you as a memebr of the League. I wonder how far you are with your music. I should like you to write and tell me sometime.

Milton West.

Dear Aunt June—I have spent many happy minutes reading the Helpers' League and thought I would like to be a member also. Every night after school I have certain chores to do. I water the horses, feed the cows root and hay, carry wood and water. I also like to care for sheep. We have ten sheep, fourteen pigs, twenty head of cattle and six horses. For pets I have a dog, two cats, a rabbit and some bantams. I go to school as many days as I can. I am 12 years old and in the Junior fourth class. I would like to know if you can send drawings to this League?

CECIL THOMAS.

Dear Cecil—I am sending you a badge and am very glad to have you as a member of the League as you do so much to help others already. I am glad you like reading the corner and am sure the other members will enjoy reading your letter just as much as you have enjoyed reading theirs. I myself liked reading it very much.

Dundalk.

Dear Aunt June—I go to school every day and I like my teacher fine. I have to go two miles to school and it is not very nice in stormy weather. I am 13 years old and will be trying for the entrance in June. When I come from school in the summer I get the cows up and help milk them. I help mother feed the calves and do some chores. I feed the fowl and hunt the eggs. I help mother with the garden and pick berries. I help to do the dishes, get the meals and many other little things. When I get the work done I read and crochet. I will close and wish the club every success.

MARY NIXON.

Dear Mary—I enjoyed reading your interesting letter and am sending you a badge which I hope will reach you safely. I expect you are glad when the spring weather comes so that your walk to school is more pleasant than in the winter. What sort of things do you make when you crochet. I should like you to write and tell me.

Dear Aunt June—I received my badge some time ago and like it very much. I will be trying for the senior third in June. I have a nice doll and I call it Minnie Dorothy. I have learned to sew by making clothes for it. I can knit and I helped to knit my own stockings this winter. I still have my pet kitten Snowball. I will close sending my love to you and all the Helpers.

CASSIE NIXON.

Dear Cassie—Thank you very much for your letter. I am glad your kitten is still well. When you write me again I hope you will remember to let me know how she is. I shall be very glad to hear if you get into the senior third and hope you will write and let me know how you are getting alone.

Badjeros.

Dear Aunt June—I would like to join your club. Please send me a badge. I wash dishes, sweep floors, bake, scrub, make beds and set the table.

VIOLET.

Dear Violet—I am sending you a badge and am glad you are now a member of the League. What a very busy little Helper you are. I hope you will write to me again some time and let me know how you are.

ISSUE NO. 13, 1921

WANTS TO MARRY FOR THREE MONTHS ONLY

"I want a marriage license for only three months," a resident of Hamtramck announced in the marriage license department of the Detroit county clerk's office.

The clerk asked reasons for limiting the license to three months.

"I don't want to be married for good," the man said. "I have a wife living in Europe. When she comes to America I want to live with her. But I don't like living alone, and I thought you could fix it for me to have a wife for a short time."

The man expressed disappointment when informed the Michigan law did not countenance any such proceedings.

Aunt—Don't be in too great a hurry about choosing a husband, my dear. I don't think much of the young men of today.

GLAD HE TRIED THE TONIC TREATMENT

THROUGH ITS USE STRENGTH AND VIGOR WAS RESTORED.

To be tired after exertion is natural. Rest and food restore the body to normal after such fatigue. But to be tired all the time is a symptom of an anaemic condition that will not be corrected until the blood is built up.

Such an anaemic condition is so gradual in its approach and generally so licking in acute pains that it is often difficult to persuade the suf- so lacking in acute pains that it is not a condition that corrects itself. If the blood is not enriched the trouble will increase. The nerves will be undernourished and neuralgic pains will follow. Digestive disturbances often result from this blood, sleep is disturbed and a general breadown may occur.

Mr. Wilson Johnson, Nineveh, N. S., says: "A few years ago my system was in a badly run down condition. My nerves seemed always on edge, and I found myself so weak that I could hardly do any work. I suffered from headaches and from pains in the back and under the shoulders, and was often so sleepless at night that when morning came I felt as tired as when I went to bed. I was taking medicine all the time, but it was doing me no good. Then I read the testimonial of a man whose condition had been similar to mine, and who strongly recommended Dr. Williams' Pink Pills. I decided to give this medicine a fair trial, and when I had taken six boxes I felt much better. I continued taking the pills until I had taken six more boxes, and I can only say I am glad I did so, as I am now enjoying the best of health, and I advise all men who feel run down to give these pills a good trial."

Dr. Williams' Pink Pills can be obtained from any dealer in medicine, or by mail at 50 cents a box or six boxes for $2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

DOMINION WOOL MARKET REPORT.

The general tone of the wool market is very dull. There is very little demand and thus little movement in stocks. Sheep raisers who have been holding wool are now consigning for co-operative sale. 1,800,000 lbs of graded wools sold since January 1st of this year have averaged 20c per pound, as against an average of 33c for sales made during 1920.

PAIN IN THE LOINS DRIVEN OUT QUICKLY.

That dragging, wearying sort of pain makes life a misery to many people. This pain is due to a passive inflammation of the adjacent tissue. Because every drop rubs in, because it penetrates so deeply, Nerviline gives a wonderful result. More powerful because five times stronger, more penetrating because it strikes through soft tissue, more healing to pain, Nerviline Liniment should be always on hand. Sold everywhere in large 35 cent bottles.
