On the Main Street

"I have been hoping that Montreal Canadians will win the Stanley cup and for two main reasons". The hockey enthusiast is Mrs. Margaret Sharpe, King Street and this gracious fan celebrated her 92nd birthday Tuesday by welcoming friends and neighbours in to watch the Detroit-Montreal game.

"Why Montreal?" "because this is the best team in the league and because you never hear the players sobbing and blaming anyone when they are beaten and because they are also a Canadian team". Incidentally this well versed fan has been watching the National League teams for years and seldom misses a game.

Friends will be pleased to learn that Mrs. Sharpe is enjoying very good health. She has a real good memory, can relate many incidents regarding the past which occurred in her old home town of Fenelon Falls in the past, as well as episodes which took place in the townships of Eldon, Fenelon and in Lindsay.

Visitors found much pleasure in talking to Mrs. Sharpe, as well as with Mr. and Mrs. Normal Sexsmith with whom she resides and it was also interesting for birthday visitors to renew acquaintances with Mrs. Sharpe's son Weis Sharpe of Sarnia.
