Spring Show of Entire Stock.

The spring show of live stock held here on Friday last proved quite a success, although only horses were shown. These, however, were of a very superior class, in fact no better can be found in Canada than some of the animals shown here that day. The crowd was not as large as it should have been owing to the fact that farmers just now are busily occupied getting in their spring crop and could not spare time to attend. The day was all that could be desired and every one present was well pleased with this, the first spring show held under the auspices of East Grey Agricultural Society.

In heavy drafts Mr. Jos. Cairns showed two magnificent shire horses, father and son. Mr. Jas. Paton also showed his two Clydes, Merry Mason and Sparkle bank. Mr. W. Burnett exhibited his famous Shire, Severn Raeburn. Other drafts were shown by T. Mercer, A. F. Wyville and M. Oliver, of Markdale.

In standard bred roadsters were Palmer's Prince Erie, and W. M. Bush's Capt. Anteo. This latter horse has not been seen here before. He is a small but neat bit of horseflesh, and comes of good stock. He is an Antillo by Anteo by Electioneer, and his mother was a Clear Grit by Lapidist.

Two coach horses were shown—R. Hoy's George Imperial and H. M. Douglas' Gauthier.

Hackneys were represented by Manary's Fireway and J. A. Myles' Lightning. The latter animal called forth many exclamations of admiration. He is without doubt the handsomest animal of his kind ever seen here. Of course he has a provincial reputation and is supposed (no doubt justly) to be the best sire of his class in Canada. A niece and a nephew—Saxon and Monona—sold at auction at Bowmanville on March 29, last, the former for $5500 and the latter for $1625. Mr. J. A. Myles, of Heathcote, is the lucky owner of Lightning and purposes taking in Flesherton on his rout this year. He will remain in Markdale every Tuesday night, Flesherton for noon Wednesday and at Eugenia over Wednesday night. The complete route will be published next week.

There were no prizes awarded in any class, the object being to allow farmers to judge for themselves as to the kind of animal most suited to their wants, and the result will, we believe, quite justify this course.

FIRST DOSE RELIEVED.

His Own Story.

Mr. J. Gerrie, an employee of the National Table Factory of Owen Sound, gives his experience with Rheumatism. He says: I was troubled for fifteen years with rheumatism, sometimes being laid up in bed for weeks at a time. I took all kinds of medicine and used all kinds of liniments, but got no relief. Last January, after a very severe attack, I was induced to try Cameron's Rheumatic Cure, which gave immediate relief. I worked all winter in the building of the table factory in all kinds of weather, without the slightest sign of any disease coming back. This fall I caught a bad cold, and it came back on me. I laid on my back for two for three days, having to get help when I wanted to move. I bought a bottle of Cameron's Rheumatism Cure, and the next day I was able to go up town, and I have had no return as yet. My father, and in fact the whole family have been sufferers from rheumatism, and I most cheerfully recommend it; and think that instead of one dollar a bottle Cameron's Rheumatism Cure is well worth $10.00 a bottle.

Prepared only by D. A. Cameron & Co., Owen Sound. Price $1.00 a bottle. Express paid on two bottles.

T. D., Vandeleur Asks

In the legal notes and queries in Saturday's Mail, "T. D.," Vandeleur, asks the following question: I rented a farm farm from J. N., for three years, possession to be given on the first of March. He signed the lease, but did not give me possession of the house until the 1st of April. Now he has left the country and has gone to the north-West, and his brother claims to own the farm, and threatens to have me put off the place, unless I sign a lease to him. I have ploughed about thirty five acres on the place. Can I hold it for three years?

Ans.—If J. N. owned the property, or had a right to make a lease of it at the time that he signed the three years' lease, you can hold possion under that lease, and can keep the farm for the full period of three years, notwithstanding that J. N. may have deeded his farm to his brothers, and even if J. N. had no right to make a lease of the farm you have a right to claim compensation for the thirty-five acres which you have plowed and for those other expenses that you have incurred, which may be of benefit to the present owner.

A Good Suggestion

Mr. C. B. Wainwright, of Lemon City, Fla., has written the manufacturers that much better results are obtained from the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy in cases of pains in the stomach, colic and cholera morbus by taking it in water as hot as can be drank. That when taken in this way the effect is double in rapidity. "It seems to get at the right spot instantly," he says. For sale by W. E. Richardson.
