Eight decorative and historical engraved bronze lapel buttons the size of a silver quarter were presented to eight life members of the Lindsay Central Exhibition this week. The presentation was made individually to each life member by Manager N. G. Wilson on behalf of the Board of Directors of the Lindsay Central Exhibition.

The delighted recipients were: John Kelsey of Woodville, past-president and loyal member of the institution for fifty years; Everett Mark of Little Britain, past pres. and showman; Claude K. Bottum of Bobcaygeon, past-president and showman; Mrs. W. F. Webster of Oakwood, with the women's department; D. A. Sinclair and A. W. Carew, for

many years on the racing committee; George Allen, faithful caretaker of the exhibition grounds during a lengthy span.

The decorations which give to the life members all the privileges of the exhibition are engraved with the name of the honoured person and the words "Life Member of the L.C.E.", chronicling long and faithful service.
