Characteristics of the Past Week Carefully Culled for the Curious. . .

Fresh lime always on hand. J. H. Duckett, Eugenia.

Fresh lime for sale—Jas. Oliver, south line, Artemesia. m18

Mr Jack Bunt, Hanover, spent Sunday with his brother, W. H.

Dundalk Council will pass a bylaw prohibiting entirely the sale of cigarettes within the corporation.

Wool wanted at Flesherton woollen mills. Highest price, cash or trade. J. Nuhn.

Mr. Jas. Murdoch, inspector weights and measures, headquarters Owen Sound, adjusted the weighing apparatus of our tradesmen on Monday.

Anybody requiring any class of shingles will do well to call and inspect the stock of the undersigned as he is prepared to fill orders on shortest notice.—S. M. Osborne, Eugenia. 25m

A car load of Sun Portland Cement just in. Any one desiring cement should give me a call. J. Nuhn, woollen mill, Flesherton.

A number of citizens attended the Sherlock concert in Markdale Tuesday evening, and pronounce the entertainment as something superior.

Fourteen new members were added to the R. T. of T., last Friday evening. This society is flourishing once more and interesting meetings are held every Friday evening.

Mr. J. H. Heard has secured the service of a first-class blacksmith in the person of Mr. R. H. Moore of Guelph. He has also engaged Mr. Geo. A. Moore of Woodstock, as carriage painter.

Messrs. McLachlan and O'Donohue of the Georgian Bay Electric Co., were in town Friday. We understand they have several men engaged at Eugenia taking levels, etc., preparatory to beginning more extensive operations on the plant.

A social will be given by the Presbyterian Ladies' Aid on Friday evening this week at the residence of Mr. and Mrs. Arcy Boyd, east back line. An enjoyable evening is anticipated. Admission. 15 cents.

The annual election of officers took place in Prince Arthur Lodge, A. F. and A. M., on Friday evening last and resulted as follows: John Wright, W. M.; W. A. Armstrong, S. W.; C. H. Munshaw, J. W.; Rev. J. S. I. Wilson, Chaplain; A. S. VanDusen, treasurer; C. N. Richardson, Secretary.

Flesherton is supposed to have a "board of trade" to look after the interests of the village. The present juncture is an opportune time to do something and yet the "board of trade" is as dumb as an oyster—in fact it is never heard of. Could there not be a little life pumped into it in some manner?

To plotholders in the Flesherton Cemetery—the trustees of the cemetery kindly request all plotholders to turn out on the 24th of May and have all weeds, stones and other rubbish removed from their plots. If not attended to, the trust board may, by provision made in the deed, have the work done and the cost assessed against your plot.

A terribly sudden death occurred in town on Wednesday of last week when Mr. Andrew Smith, of Hillsburg, passed away of heart disease at the residence of his son, Herbert, who is employed with Boyd, Hickling & Co. Mr. Smith and wife were here visiting with their son. The remains were taken to Hillsdale for interment by Thursday evening train. Deceased was 69 years of age.

Lieut. C. K. Richardson says No. 6 company is filling up slowly for the annual drill at Niagara on June 13. A number of recuits are required and these should hand in their names at once. The pay is considerably better than of yore and should be a strong incentive to joining. This is likely to be the last drill ever held at old historic Niagara, and young men desiring to take advantage of the outing to this charming spot should attend to the matter of joining without delay as the lists must be sent in.

Mr. and Mrs. Herb. Smith accompanied the remains of the former's father to Hillsburg, where interment took place, last week, returning Monday.

Rockvale and Flesherton football players kicked off a friendly contest on the Agricultural grounds Monday evening The score was 2-1 in favor of Flesherton.

Osprey Court of Revision will be held at Maxwell on Saturday, May 27. The Artemesia Court will sit on June 3. Advertisements of both appear in this issue of The Advance.

The Spring Assizes are being heard at Owen Sound this week. Among the cases on the list is that of the County vs. Markdale, an action brought against the village for refusal to fulfil its engagement re lighting of house of industry.

The rains, though continued, have not done much injury in this vicinity. On the contrary, the growing time has been with us for the past week and vegetable life is springing forth with wonderful speed.

Sproule, Cressley & Co. have moved into the corner store lately vacated by T. J. Sheppard. No doubt in their enlarged premises and better facilities for doing business, their business will materially increase.

According to the assesors statistics, Owen Sound's population has passed the 10,000 mark, an increase of 470 during the past year, placing the population at 10,106. During the past 7 years the assessment figures have shown a uniform gain each year. It is now claimed that Owen Sound is the largest town in the Province, and application for incorporation as a city is being talked of. The assessment is $4,504,780, an advance of nearly a million dollars, of which buildings and lands amount to $763,495.

Let us point out once more that if it is intended to do anything in the way of celebrating, this summer, it is high time the Citizens Committee, which has control of the funds, got the matter under way. There is a large sum of money lying idle which should be utilized. If the committee as constituted by the citizens object to acting in the matter they should call a public meeting and ask that another committee be appointed. Other towns which propose to celebrate Dominion Day are already preparing for the occasion and it is time the matter was discussed here.

At the annual meeting of the W.M.S. of the Methodist church, held last week, the following officers were elected: Pres., Mrs. W. H. Thurston; 1st V. P., Mrs. J. Clinton; 2nd V. P., Mrs. W. H. Bunt; Rec. Sec., Mrs. G. Mitchell; Cor. Sec., Mrs. W. A. Armstrong; Treas., Mrs. W. Trimble. Mrs. Geo. Mitchell will represent the Auxiliary at the Branch meeting to be held in St. Paul's church, Toronto, on May 30, 31 and June 1. This has been the most successful year since the society was organized twelve years ago, $65 being the amount raised.

The railway surveyors on the proposed western branch were around this end of the line last week. From Priceville they only ran but one line to connect with this branch of the C. P. R. although others were partially run. The new line if run as surveyed will tap this line about fifty rods north of Boyd's mill, some three miles south of the present station. This is taken by the wiseacres to mean that the company proposes to straighten its line, by coming nearer this village, thus avoiding the heavy grade which at present exists. Whether or no such is the intention remains to be seen, but—may it be so. The route via the village was surveyed many years ago, starting at the Durham road corner within a few rods of where the present staff quit work, and the company have that survey in their possession. This would seem to give color at least to the surmise that some such change is in contemplation.

Quarterly Board Matters.

At the May meeting of the Quarterly Board of the Flesherton Methodist Church the following resolution was unanimously adopted:

That this being the last regular meeting of the Quarterly Official Board under the pastorate of Rev. J. S. I. Wilson, we desire to record our heartfelt, grateful appreciation of his four years ministry with us. We have felt the instructive, helpful and uplifting ministry from his pulpit, always kept to a high level and unabated in interest anb in power, through the whole period to the present. In his pastoral relations he has been most kind, sympathetic and helpful. Ever active, not only in the interests of his church, but of society in general, he has exerted an influence for good, which will live long after he has gone from us. We pray for him and Mrs. Wilson, who has been a worthy helpmate in his pastorate, that heaven's choicest blessings may be theirs ann abundant prosperity attend all their labors.

Moved and resolved unanimously:

That this Quarterly Official Board of the Methodist Church, Flesherton, present to Bro. David McMullen their grateful appreciation of his faithful and disinterested services as Steward for many years and regret that the infirmities of age prevent his longer services in that capacity. We hope, however, that we may still have his counsel and co-operation for years to come.

Chamberlain's Cough Remedy the Very Best

"I have been using Chamberlain's Cough Remedy and want to say it is the best cough medicine I have ever taken," says Geo. L. Chubb, a merchant of Harlan, Mich. "There is no question about its being the best, as it will cure a cough or a cold in less time than any other treatment. It should always be kept in the house ready for instant use, for a cold can be cured in much less time when promptly treated. For sale by W. E. Richardson.

A hen of Sarawak Township has soared high on the wings of fame as a result of a peculiar egg which it laid last week. On the shell there are remarkably vivid and well-proportionial figures of a baby and a chick emerging from its shell. Mr. John Mackenzie, a well known collector of curios, has secured the egg, which is the topic of considerable comment.

Bull for Service.
