Dr. Wistar's Balsam of Wild Cherry.
From the Fall River Monitor, Mass.
This medicine, prepared by a long experienced and skilful physician, tested and approved by a great number of intelligent, distinguished and respectable persons in various parts of the country, is now received, and used with entire confidence and with great success by those afflicted with pulmonary complaints. It is also recommended as a valuable medicine for other diseases, such as colds, coughs, and particularly diseases whose tendency is consumption.
Important from Canada.
Quebec, July 24th, 1848.
To all who are afflicted with Asthma:
I have at different times been afflicted with severe colds, which produced in my case the Asthma. I have, on these occasions, used Dr. Wistar's Balsam of Wild cherry. Two years ago I was quite sick, so much so that I could not rest at night. I procured of the agent of this city, a bottle of this balsom of Wild Cherry. Before I had taken the whole of it I felt relieved. I continued taking it, until I used three or four bottles, which completely cured me. The present season I took another severe cold, and immediately resorted to this Balsam, and a part of one bottle had the desired effect. I therefore cheerfully recommend my friends and all others who need it, to try this medicine for their coughs and colds, and particularly the Asthma.
Respectfully yours
WM. McGRATH.

LOUGHBOROUGH, C. W.
JOHN AULT,
Manufacturer of the Celebrated Ran Road Horse Power and Over Shot
THRESHER AND SEPERATOR
Also—Stoves, Ploughs, Mill and all kinds of Castings.
The Subscriber begs leave to call the attention of his friends and the Public, to unequalled Single and Double Horse Power Threshers and Separators, which have now been in use for two seasons, giving time to prove that all he said of them is correct, having sold 27 of them to different persons, amongst whom he would mention Mr. H. Blanchard, Ernest-town; Mr. Smith Carrying place, P. E. D., Mr. H. Piltz, Wilton; Wilton Fisk, Esq., near Wilton; Mr. H. J. Wells, Fredericksburgh; Mr. John Gibson, Kingston (who took the first premium at the County Show last year, the Subscriber taking the second premium himself,) Mr. McSourly, Wolfe Island; Mr. Parker Barrett, Loughborough; Mr. John Amey, Camden; Mr. Thomas Fraser, Township of Kingston; Mr. Charles Shibley, Portland; Jacob H. Powley, Esq. Township of Ozilla, Lake Simcoe; Mr. William Howard, Amherst Island. To all whom reference can be made that the Machines have given the best satisfaction of any yet introduced into Canada.
The Subscriber has now on hand a number of Machines ready for sale, and is still making them, intending to complete 50 by the first of October next, or more if called for, so there will be no delay in furnishing them to his customers during the season. They are all made with the Nub Wheel, and Convergе, or Internal Gear and Pinnion, with Larger Band Wheel than last season, as experience has shewn the power to be equal to a much greater speed. In all other respects they are built the same as last year.
The Over Shot Thresher and Separator has been fully proved to be the best and safest ever introduced and the Subscriber has made an improvement in the formation making the Concave Bearers wider, thereby saving the wear of the covering of the Cylender, and giving a larger threat. He has also adopted a new plan for raising the Concave, by means of two Thumb Screws one on each side, enabling the Concave to be shifted, without stopping the Machine.
The Subscriber, from his long experience in the Manufacture of all kinds of Threshing Machines, feels confident that he can now offer to his friends and the public, an article which cannot be surpassed for Durability and Usefulness.
The Two Horse Power Thresher and Separator is capable with 3 or 4 men, of threshing from 150 to 200 Bushels of Wheat or Rye. The single from 60 to 100, or double that quantity of Oats or Peas per day.

VALUABLE MUSICAL WORKS,
RECENTLY PUBLISHED BY
Mason & Law, New York.
The Theory of Musical Composition. By Dr. A. B. Marx. Translated from the German by H. S. Saroni.
Among the theorists and critics of Germany, Holland, Denmark, and France, there is but one opinion as to the superiority of this work over any upon the same subject that has ever issued from the press: either with regard to its perspicuity, completeness, or a masterly display of the most profound knowledge of Musical Science. There is scarcely a Music School of any note in Germany in which it is not referred to as a Text Book.
Price of the American edition, $2 50.
The Musical Vade Mecum. By H. S. Saroni
This is a compedium of information of Musical Subjects which it is difficult to find in any other shape. It is a sort of skeletan treatise, beginning at the begining, with the Scale or Tone-system; then Melody; Rhythm; Organology, or the various descriptions of Instruments; Harmony; Modulation; the Æsthetic forms; the Artistic Execution, and finally a condensed History of Music. Price $1 25.
The Academy Vocalist.
A collection of Vocal Music, designed as a Text Book for Academies, Seminaries, High Schools, &c. By George F. Root, with a complete course of Elementary Instructions, Solfeggios, &c. By Lowel Mason. Price 62 cts.
Cantica Laudis.
A very comprehensive and complete collection of Church Music, by the Authors of "Carmina Sacra," The Boston Academy's Collection," &c. This latest work of Lowell Mason and George James Webb, has elicited an amount of approbation from the intelligent musical public vastly greater than was ever bestowed upon any similar work. It is now two years since its first publication, and those who have used it longest are most enthusiastic in its praise. A distinguished teacher writes of it as follows:
"For my own part, I must say I am more than gratified—I am delighted, I am charmed with it! It is, in my estimation, a most invaluable treasure; every leaf sparkles with gems, every page is radiant with beauty and grace! I find nothing in it which may be styled commonplace; nothing which appears to have been inserted merely for the sake of making up a new collection. Every piece, whether of complicated or more simple structure, whether adorned with artistic ornaments or clad in plainer habiliments, is in itself, according to its proper character and design, a finished specimen of the art. The entire work, indeed, not only bears indubitable testimony to, but is itself a gratifying as it will be an enduring monument of the extensive reading, mature judgment exquisite skill, classic taste, and untiring industry of its eminent compilers. The great variety of subjects and of styles which it embraces, the beauty and freshness of its melodies, the richness and glowing fervor of its harmonies, the logal precision and yet courtly ease of its modulations, the incomparible grace and exquisite finish, which are so apparent in every part, ought and surely must render it a universal favorite."
Hundreds of teachers of music have expressed of the publishers the opinion that it is "the best collection of Church Music ever published in this country." Price 75 cents.
