SPALDING AND ROGERS'

NORTH AMERICAN CIRCUS.

Twice as Large as any other Circus in the Union.

C. J. ROGERS, Manager. **C. C. WILLITS, Treasurer.**

☞ To the Public!—The Managers aware of the many false representations, held forth on the bills of Circus Companies generally, assure the public that the Forty Horses will positively be driven in Procession, by one man in each town where the Company exhibits.

The above Establishment will exhibit at KINGSTON on

Tuesday & Wednesday, 16th & 17th Aug't

Doors open at 1½ and 6½ o'clock. Performances commence at 2 and 7 o'clock P. M. Admission 25 cents. No half price.

The characteristics of this Establishment consist in the largest collection of

MUSICAL, EQUESTRIAN, GYMNASTIC & DRAMATIC TALENT

Ever collected in one travelling company, with the most distinguished native and foreign male and female performers. Prominent in the galaxy of Stars, attached to this Company, are C. J. Rogers, the best Dramatic Equestrian in the world. W. W. Nichols, the Great American Bare Back Rider. Mr. R. White, the gentlemanly Maitre due Cirque. Master Clarack, the youthful Trick Rider. Mons. Le Thorn, the renowned French Hercules and cannon ball Juggler. A. P. Durand, the world-renowned Acrobat and and Equestrian. J. McFarland, the great tight rope performer. Mrs H. Ormand, the celebrated actress from the Broadway Theatre, N. Y. Charles Brown, the celebrated Gymnast. Mrs. W. Lake, the brilliant Creole Gymnast. Mons. Henrie, the celebrated Man Monkey, J. W. Paul, the Yankee Sampson; and

Messrs. Walters, Farmons, Logan, Clark, Wilson, Brown etc.

TOGETHER WITH THREE CLOWNS IN THE CIRCLE.

Bill Lake, the great New Orleans; H. Magilton, the Trick Clown; J. Le Thorn, the French Hercules and Grotesque; and the Motley Brothers, Juan and Henry

A whole troupe, (the largest in the United States, of trained, Peforming War Horses, and LILLIPUTIAN TRICK PONIES, more than Brute and less than Human.

THE WORLD RENOWNED APOLLONICON,

Drawn in Procession by forty Horses—four abreast (driven by J. W. PAUL, one of the Strongest Men in the World,) containing Choat's Philadelphia Brass Band, will enter each town in which the Company exhibits, positively. The next great feature is the Incorporation of an entire Dramatic Corps of Actors, Actresses, Commodians, and Supernumeraries, producing every night the popular and exciting Pantomine, DETROIS AMANTS! In which the whole Dramatic Force of the Company is put in requisition, with the introduction at enormous expense, of

THE MAN MONKEY, MONS. HENRI,

Whose peculiar physical structure and rare muscular developement, enable him to imitate the wonderful agility and superhuman Feats of the Monkey so closely, that with an ingeniously contrived Monkey skin in which he is enrobed, it is always a matter of doubt with the most penetrating observer, whether he is not after all a bona fide chattering ape. The most amusing Pantomine of the age becomes doubly ludricous and amusing with this most wonderful of human beings as JOCKO.

Prominent among the most Daring Feats of this establishment, will be found the new act entitled

LA PERCHE EQUIPOISE.

The Chef d' Oeuvre of Francondi's Hippodrome, by those great Artists, Messrs. LATHORNE & MAGILTON, who have been engaged at enormous expense expressly for this startling feat ever witnessed by mortal

River St. Lawrence.

NOTICE is hereby given, that TENDERS addressed to the "Commissioner of Public Works," will be received at this Office, until THURSDAY, the FIRST DAY of SEPTEMBER next, for the opening and permanently defining a navigable channel throughout the whole of the Rapids of the St. Lawrence, from Prescott to Montreal: such channel to be not less than 200 feet in width, to have at no place, at low water, a less clear depth than 12 feet, and in those Rapids subject to much swell, not less than 13 feet.

It is to be stated in the Tenders, a bulk sum for the entire work necessary to open and permanently define a channel, as above mentioned, and the period for its completion.

The test for the Channel being so opened, to be, the passing of as many vessels as the Commissioners of Public Works may consider necessary, each vessel to be so loaded as to draw ten feet water.

The security for the performance of the work to be ample and 'bona fide.' Conditions of payment and any other information may be known by applying at this Office.

Tenders to be endorsed "Tender for improving the Rapids of the St. Lawrence"

Cancer and Rupture Cured.

IF those who suffer will not listen to a few words to get help, how will they bear many to th se afflicted with Cancer, Ulcers, Rupture, or *Breach*, and all kinds of old, eating sores, from any cause. A few words to all such of you who are clasped in strong bands of steel to obtain relief, and find none, I would say, come to one who possesses a remedy to cure nearly all who have a breach or rupture, no matter of how long standing. Lay aside your iron band or truss, and I will bring you out well and sound with mild treatment. Cancers and Ulcers cured in their most aggravated forms.

This dangerous disease grows in the form of *Pimples, Warts, Scabs, Tumors, Ulcers, Eating Sores and various other ways.* The premonitory symptoms of Cancer in the incipient state, are an itching in the part affected, sometimes an unusual heat, attended with a twitching and a sensation felt as if there was a spider or a fly crawling over the part; then succeeds shooting and darting pains at intervals of a day, sometimes, and becomes more frequent as the disease progresses.

To-morrow is no day to apply for cancers. Several hundred cases have been cured in the last five years by this treatment. Ninety-one cases cured from one hundred and ten in the last six months.

Names and Residences of a Few Cases Lately Cured.—Miss Campbell, Brandon, Vermont, 16 years standing, three large cancer ulcers on the leg. The most astonishing cures lately effected ever known in America on Samuel Slocum, of Providence, R. I.; a rupture of six years standing. On Peter Boles, do the bite and scratch of a Lion on the hand of the keeper of Sears' wild animals Boston, who was saved at the eleventh hour, after all his physicians failed, also a rupture on Mr. Brown's boy and one on James O'Connor of Philadelphia; Miss Finley 588, Grand Street, New York, eating, cancer ulcer on leg, two years; J. Macan, Norwich, Conn., on leg, eating cancer, 3 years; J. Huling, Michigan, on hand, one finger eat off; Nancy Craig, Saratoga, on hip; eating cancer, 3 years; C. Morrison, Saratoga, on hand, ulcer, one year, Macomber Ballston, eating cancer on lip, five years; W. Wright, Saratoga, tumor on face and neck, one year; McMillen, Saratoga, four cancer ulcers on head, of three years; Mrs. Burch, Corinth, New York, on face and nose, twenty-one years; J. Brown, Turner's Station, New York and Erie Railroad, cancer ulcer on face of sixteen years; Miss Hoyt, Michigan, on hand, fifteen years.

The greatest cure on record lately done in Philadelphia on Mrs. Flew a cancer of six years standing on the shoulder, neck and face, had been to Europe, and applied to the best medical aid in America, all to no effect, till the Indian Doctor took her in hands.

Reader did you ever see the true natives of the soil with Cancer, Ulcers, Ruptures, Breaches or Sore eyes, but who had long, straight, glossy hair and plenty of it and was healthy in their natural state. No, never; and what God caused to grow to help nature on her road, let it be used, now a days, by the pale faces. All persons can be treated at home by sending a full description of their case, and have the remedies forwarded to them.

Nature's own remedies for the cure of Cancer Ulcers, Ruptures or Breaches, Sore and inflamed eyes, Felons, Scrofula, Gatherings, Old eating sores, all diseases of the blood and skin, for purifying the blood, to cleanse and regulate the stomach and bowels, all prepared from Barks, Gums, Roots and Plants, by no other person in the Union, only the INDIAN EYE, CANCER and RUPTURE DOCTOR, and sold with full directions for using the same.

Let every one afflicted meet me at Stensons' City Hotel, Kingston, August 2nd and 3rd; Watertown, 4th; Rome, 5th and 6th; Watertown, 10th and 11th; Kingston, 12th and 13th.
