Mr. John Sinclair has disposed of his team of black Prince Eries to Messrs. Barton and Arnold to be used as a hearse team. They are a little heavier than roadsters and are especially suited for the purpose. The price paid was $330. Mr. James Best, of Proton Station, has also disposed of his Prince Erie driver and realized $222. Horses are valuable these days.—Dundalk Herald.

Cholera Infantum.

Child Not Expected to Live from One hour to Another, but Cured by Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Ruth, the little daughter of E. N. Dewey of Agnewville, Va., was seriously ill of cholera infantum last summer. "We gave her up and did not expect her to live from one hour to another," he says. "I happened to think of Chamberlain's Colic, Cholera and Diarrhoea Remedy and got a bottle of it from the store. In five hours I saw a change for the better. We kept on giving it and before she had taken the half of one small bottle she was well." This remedy is for sale by W. E. Richardson.

The principal case at Division Court on Wednesday of last week was O'Loughlin vs. Proton Township. The township gives a bonus of twenty cents a rod, to all persons building wire fence along the highway. Mr. O'Loughlin went to the Council and got permission to build a wire fence, but instead of building an all wire fence, he ran four strands of wire, and along the top two rails. It was not the kind the Council were bonusing and they refused to pay the bonus. Mr. O'Loughlan brought suit to secure the same, but Judge Morrson decided it was neither a wire nor a rail fence, but a combination, and Mr. O'Loughlin was not entitled to win his suit. The case was dismissed, each paying their own costs.—Dundalk Herald

When you want a laxative that is easy to take and certain to act, use Chamberlain's Stomach and Liver Tablets. For sale W. E. Richardson.

PSYCHINE

(PRONOUNCED SI-KEEN)

BRONCHITIS "PSYCHINE" possesses peculiar properties that act promptly in gaining the mastery over this disease. One element at once checks the fever, another the chills. The tightness across the chest, the heavy breathing and hoarseness, is removed by another element. Its tonic properties renew the strength, and make rich blood, the cough disappears, the "mucous" is carried away, the wheezing ceases, and after a short treatment ninety per cent. of patients are cured for all time. The disease seldom returns after you have begun the "PSYCHINE" treatment.

HERE IS PROOF

CHESLEY SCHELL, Ravenswood, writes: "I was out with the volunteers at London last June and I got a heavy cold, which turned to Bronchitis, and my lungs were severely affected. I had a cough all summer. PSYCHINE proved a great blessing to me. It is a positive cure for Bronchitis."
