SPALDING AND ROGERS'

NORTH AMERICAN CIRCUS.

Twice as Large as any other Circus in the Union.

C. J. ROGERS, Manager. C. C. WILLITS, Treasurer.

☞ To the Public—The Managers aware of the many false representations, held forth on the bills of Circus Companies generally, assure the public that the Forty Horses will positively be driven in Procession, by one man in each town where the Company exhibits.

The above Establishment will exhibit at KINGSTON on

Tuesday & Wednesday, 16th & 17th Aug't

Doors open at 1 and 6½ o'clock. Performances commence at 2 and 7 o'clock P. M. Admission 25 cents. No half price.

The characteristics of this Establishment consist in the largest collection of

MUSICAL, EQUESTRIAN, GYMNASTIC & DRAMATIC TALENT

Ever collected in one travelling company, with the most distinguished native and foreign male and female performers. Prominent in the galaxy of stars, attached to this Company, are C. J. Rogers, the best Dramatic Equestrian in the world. A. P. Durand, the world renowned Acrobat and Equestrian.

W. W. Nichols, the Great American Bare Back Rider. J. McFarland, the great tight rope performer.

Mr. R. White, the gentlemanly Maitre due Cirque. Mrs. H. Orrand, the celebrated actress from the Broadway Theatre, N. Y.

Master Clarance, the youthful Trick Rider. Charles Brown, the celebrated Gymnast.

Mons. Le Thors, the renowned French Hercules and cannon ball Juggler. Mrs. W. Lake, the brilliant Creole Gymnast.

Mons. Henrie, the celebrated Man Monkey, J. W. Paul, the Yankee Sampson; and

Messrs. Walters, Parmons, Logan, Clark, Wilson, Brown etc.

TOGETHER WITH THREE CLOWNS IN THE CIRCLE.

Bill Lake, the gay New Orleans; H. Magilton, the Trick Clown; J. Le Thors, the French Dandy and Grotesque, and the Motley Brothers, Juan and Henry.

A whole troupe, the largest in the United States, of trained, Peforming War Horses, and LILLI, PUTIAN TRICK PONIES, more than Brute and less than Human.

THE WORLD RENOWNED APOLLONICON,

Drawn in Procession by forty Horses—four abreast (driven by J. W. PAUL, one of the Strongest Men in the World,) containing Choat's Philadelphia Brass Band, will enter each town in which the Company exhibits, positively. The next great feature is the Incorporation of an entire Dramatic Corps of Actors, Actresses, Commodians, and Supernumeraries, producing every night the popular and exciting Pantomime, DETROIS AMANTS! In which the whole Dramatic Force of the Company is put in requisition, with the introduction at enormous expense, of

THE MAN MONKEY, MONS. HENRI,

Whose peculiar physical structure and rare muscular developement, enable him to imitate the wonderful agility and superhuman Feats of the Monkey so closely, that with an ingeniously contrived Monkey skin in which he is enrobed, it is always a matter of doubt with the most penetrating observer, whether he is not after all a bona fide chattering ape. The most amusing Pantomime of the age becomes doubly ludricous and amusing with this most wonderful of human beings as JOCKO.

Prominent among the most Daring Feats of this estlered to the establishment, will be found the new act entitled

LA PERCHE EQUIPOISE.

The Chef d' Oeuvre of Franconi's Hippodrome, by those great Artists, Messrs. LATHORNE & MAGILTON, who have been engaged at enormous expense expressly for this startling feat ever witnessed by mortal.

GENTLEMEN,—Having heard that there was a chance of good sport with Fox Hounds in the neighborhood of Kingston, and that you would make no objections to our hunting over your property after the Crops were taken off, we have ventured to buy a pack of Fox Hounds and import them into this country for that purpose.

We have no intention of beginning hunting till the end of September, when the Crops will be entirely housed; and it will be our constant care to do no damage either to your property or fences—any damage that might be done, we will most gladly pay for.

We also hope that you will do us the favor of joining in the sport, and we shall always feel pleasure in seeing you in the field.

Professor Alex. C. Barry's Trichoperous, OR MEDICATED COMPOUND.

FOR Beautifying, Curling, Preserving, Restoring and Strengthening the Hair, Relieving Diseases of the Skin, Curing Rheumatic Pains, and Healing External Wounds. Bounded by no geographical lines, the reputation of Barry's Trycopherous pervades the Union. The sales of the article of late years have increased in a ratio that almost exceeds belief. Professor Barry, after a careful examination of his sales' book, find that the number of bottles delivered to order, in quantities of from half a gross upward, during the year 1852, was within a trifle of 95,000.

It is unnecessary to present at length the evidences of the wonderful properties of the Tricopherous, when the public have furnished such an indorsement as this. The cheapness of the article, and the explanations given of its chemical action upon the hair, the scalp, and in diseases of superficial irritation, first recommended it to the attention of the people. This was all that the inventor desired. Every bottle advertised itself. The effects of the fluid exceeded expectation. It acted like a charm. The ladies would not be without it. Country dealers in every section of the United States found they must have it; and thus was built up a wholesale trade of an extent hitherto unheard of as regards articles of this kind. The highest point has not yet been reached, and it is believed that the sales this year will be a *million and a half of bottles.*

Depot and Manufactory, No. 137 Broadway.

Retail prices, 25 cents a large bottle.

☞ Liberal discount to purchasers by the quantity; and by the principal merchants and druggists throughout the United States and Canada, Mexico, West Indies, Great Britain, France, &c.
