A Successful Celebration

But it Rained, and Rained, and Rained, and Rained.

'Tis hard to down an Orange celebration. An agricultural fair or a lacrosse match, now, would have been utterly squelched by the rain of Wednesday, July 12, but not so the Orangemen and Orangewomen. They turn out rain or shine. On Wednesday morning of last week it began to rain at 1 a. m. and kept it up without a breathing spell until 2 p. m,—not a heavy downpour but a "soaker." Notwithstanding this fact fully fifteen hundred people came to town to help celebrate The ladies of the Presbyterian church gave dinners to 200, and of the Methodist church to about 240, Mrs. Thompson another 200, and the rest were served at the hotel and other places. Three of the lodges did not arrive until about 2 p. m., and several hundred people came in after dinner when the rain slacked off. The lodges represented were;

The streets were very muddy and many soiled garments resulted, but every one was in a jolly mood and no incidents of a disquieting nature marred the pleasure of the afternoon. The speeches were of a superior order and were delivered by Rev. Dr. Caldwell, Flesherton; Rev. Andrew Wilson, of Rosemont, and I. B. Lucas, M P. P., who gave rattling good addresses. Of course the Autonomy Bill came in for a large amount of denunciation. The chairman of the day was County Master J. S. Halbert of Markdale who graced the position and performed the duties in a most satisfactory manner. Markdale band had been engaged by the citizens for the day but that organization only played one piece at the grounds and four pieces elsewhere, and then left for Thornbury to play at a garden party. As the citizens subscribed freely to the expenses, including the band, they feel that they were not treated fairly by this cavalier act on the part of the Markdale musicians. Markdale lacrosse club, too, is nothing if not cheeky. They arranged with a Shelburne junior club to come here and play a game, without getting consent of the committee or any one in authority. They brought their advertising matter along with them and scattered it among the crowd, calling it a league game. This without doubt, was the cheekiest thing we have heard of for some time, and the committee wish it distinctly understood that they had nothing to do with the fake and resent it as strongly as anyone.

Following is a list of premiums:
Lodge coming the longest distance—No. 176, Berkeley.

Largest lodge—No. 244, Proton, with 58 members.

Best uniformed lodge—No. 883, Ceylon; Proton second.

Fife and drum—1st 244, 2nd 176. The Proton lodge had one of the best drummers in Canada in the person of Mr. John Aikin, lately out from Ireland. His drumming was quite a revelation to all who saw him.

Swimming race—P. Felstead 1st, T. Hett 2nd.

Tub race—A Thurston 1st, P Felstead 2nd.

The aquatic races took place at the millpond after the speaking, and a large number of people lined the banks to see the fun. The proceedings of the afternoon were brought to a close by a grand parade of all the afternoon were brought to a close by a grand parade of all the lodges. After supper a football match was played between Kimberley and Flesherton clubs, but it was only an exhibiton game, and resulted in a tie. It was about eleven p. m. when the last of the visitors left town. The orderliness of the crowd throughout the afternoon was favorably commented upon by many.

The judges were: Lodges and uniforms, Rev. Andrew Wilson, Rosemont; aquatic sports, James Russel; music, I. B. Lucas, Rev. Dr, Caldwell, Flesherton, and Jas. Russel, Dundalk.

The Ladies' aid of the Presbyterian church report receipts of $101.50 for dinner and supper. The ladies of the Methodist church received between $95 and $100 for the two meals.

Good for Stomach Trouble and Constipation.

"Chamberlain's Stomach and Liver Tablets have done me a great deal of good," says C. Towns, of Rat Portage, Ontario. "Being a mild physic the after effects are not unpleasant, and I can recommend them to all who suffer from stomach disorder." For sale by W. E. Richardson.

Kimberley.

The occasional rains of late somewhat hinder haying operations.

Mr. Fred Walton who is on the survey of the James Bay Railway in Parry Sound District is spending a few days at his parental home here.

The Kimberley branch of the Ladies Farmers Institute will hold their next regular monthly meeting at the home of Mrs. John Plewes on Thursday afternoon July 27th. A full attendance is requested.

We are sorry to hear that Mr. Geo. Stuart of Flesherton, had the misfortune to have his foot badly cut with an axe on Monday last, which will necessitate his laying off work for some time. Geo. is an old Kimberley boy and an enthusiastic supporter of our football team, we naturally predict that the first thought to enter George's mind after the accident would be "Wonder if I will be able to see that football match between Kimberley and Flesherton."

Of the six pupils of the Kimberley school who wrote on the recent entrance examinations five were successful. One of these, Katie Walter, who is but eleven years of age, succeeded in securing the second highest marks obtained in the inspectorate of East Grey. Another of the successful ones, Elvie Bishop, is but nine years of age. We venture to say that the case of the last mentioned is is without precedent in the history of the province. Mr. Chas. Stewart, principal of the school, is to be congratulated upon the efficient work he has done in the preparation of the pupils for the examinations.

The Ladies Aid of the Methodist church held a successful garden party at the home of Mr. and Mrs. A E Myles, Springbrook Farm, on Saturday evening last. The principal event of the evening was a football match between Kimberley and Heathcote, the former winning by 1 goal to none.

One Dollar Saved Represents Ten Dollars Earned.

The average man does not save to exceed ten per cent of his earnings. He must spend nine dollars in living expenses for every dollar saved. That being the case he cannot be too careful about unnecessary expenses. Very often a few cents properly invested, like buying seeds for his garden, will save several dollars outlay later on. It is the same in buying Chamberlain's Colic, Cholera and Diarrhoea Remedy. It costs but a few cents, and a bottle of it in the house often saves a doctor's bill of several dollars. For sale by W. E. Richardson.

10th Line Osprey

The continued wet weather is making the haying late and farmers are afraid to commence till the weather settles.

Mr. George Wright is having his lumber cut now with R Brackenbury's portable sawmill.

Miss Ethel Colquette has gone to visit friends in Brantford and Norwich.

Mr. Thornton Colquette has gone West on a visit to his brother, Sherman, of Golden, B. C.

Mrs. Mullin, of Toronto, is visiting her brother, Mr. Richard Ottewell.

Mr. Francis, the miller engaged by the Farmer's Milling Co. spent Sunday at his home in Nottawa.

Eugenia

W. F. Neal, evangelist, who recently held a series of meetings at Eugenia, will preach in the Orange hall, Eugenia, on Sunday, July 23, at 11 a.m. and 7 p.m.

Saturday's excursion brought up a goodly number of Grey old boys and girls on a visit to the old home and friends—Mrs. James Purvis and her daughter, Mrs. Jones, and baby; Mrs. Spence and son, Norman, these from Toronto. Mrs. Geo Plumbel and daughter of Buffalo. All the above were guests of Councillor Purvis. Mrs. Joseph LeGard and Walter LeGard were guests of Mrs. E. D. LeGard. W. H. Fenwick of Toronto and two children visited at H. Fenwick's. Mrs. Fred LeGard of Toronto, with her children, is visiting with her mother, Mrs. Meldrum of Salem.

Rev. Franklin preached a strong sermon to the Orangemen on the Sunday before the 12th. The rev. gentleman is an eloquent speaker. The large audience assembled in the Presbyterian church, which was secured for the occasion, was delighted with the address.

Master Mark Franklin of Owen Sound is visiting at J. H. Duckett's.

Mrs. Woodburn is suffering from rheumatism for the past week.

Mr. Bowers, wife and son Oscar of Cleveland, Ohio, were visitors at Mr. Woodburn's the past week.

Miss Allie Williams visited friends in Toronto the past week.—E. W. White and wife of Markdale visited with J. A. Williams the past week. Miss Nea Williams accompanied them home to spend a week with her aunt.—E. D. LeGard has gone to visit friends at Chesley.

The Eugenia Orangemen went to celebrate in Flesherton, so everything passed off very quietly here. The heavy rain in the forenoon prevented a great many from going out, but it takes a lot of rain to dampen the enthusiasm of an Orangeman on July 12.

Andrew Graham of the Valley has been very ill but is some better.

Cholera Infantum.

Child Not Expected to Live from One hour to Another, but Cured by Chamberlain,s Colic, Cholera and Diarrhoea Remedy.

Ruth, the little daughter of E. N. Dewey of Agnewville, Va., was seriously ill of cholera infantum last summer. "We gave her up and did not expect her to live from one hour to another," he says. "I happened to think of Chamberlain's Colic, Cholera and Diarrhoea Remedy and got a bottle of it from the store. In five honrs I saw a change for the better. We kept on giving it and before she had taken the half of one small bottle she was well." This remedy is for sale by W. E. Richardson.

Robinson—Whiteoak

At the residence of the bride's parents, near Wareham, Miss Maud Whiteoak to Mr. Eli Robinson, of Feversham, on the evening of June 38. The Rev. Kemp, of Maxwell, officially presided. The bride was gowned in white liberty satin trimmed with sequin, accordian pleated chiffon and wore white petunias in her hair and carried a bouquet of snowballs. The bridesmaid, Miss May Whiteoak, was dressed in white silk, trimmed with silk allover lace and carried a bouquet of June roses. Mr. Dan Murphy supported the groom. The wedding march was played by Miss Arvilla Whiteoak. The bride's presents were costly and numerous, among which was a gold watch and chain from the groom, and a beautiful organ of sixteenth century oak from Mr. McLean, uncle of the bride. The young people will reside in Feversham. We wish Mr. and Mrs. Robinson a long and happy life, and say with Burns:

What is life when wanting love?
Night without a morning.
Love's the cloudless summer sun,
Nature gay adorning.
