EUROPEAN EMMIGRATION

BY

TRAIN & CO.'S LINE.

Pre-paid Passengers from Boston to the Canadas and Western States;

and are now selling at their office in Boston, and at their authorized agencies, pre-paid Certificates of Passage as follows:—

" " Cincinnati, Ohio,	24 00
" " Chicago, Ill.,	25 00
" " St. Louis, Mo.,	28 00
" " Milwaukie, Wis.,	25 00

And from Liverpool to Montreal, C.E., $21, via Vermont and Canada Railroads.

Children under twelve years of age at the time of embarkation, five dollars less than the above; and infants under twelve months, thirteen dollars less than the above named prices, to Boston or Albany and to other places in proportion; but we will not issue a pre-paid certificate for children under twelve years of age, unless accompanied by a passenger over twelve years, who must be paid for at the same time and on the same certificate.

The above prices embrace a steerage passage from Liverpool to Boston, by any of our splendid Line of Packets; provisions at sea according to the undermentioned dietary scale; doctor's attendance and medicine on board when required; port charges at Boston, and all expenses of transportation of passengers and baggage from the ship at Boston to the destination agreed upon.

In addition to any provisions which the passengers may themselves bring, the following quantities, at least, of water and provisions will be supplied to each steerage passenger, of twelve years of age and over, every week during the passage, commencing on the day of sailing, and at least three quarts of water per day.

Two oz. of Tea; 8 oz. of Sugar; 5 lbs. of Oatmeal; 2½ lbs. navy bread; 4 lbs. wheat flour; 1 oz. rice.

Children under twelve years of age (not including infants) are furnished with six pounds of bread stuffs per week, the usual allowance of water, and half allowance of Tea and Sugar.

As soon as our Liverpool House notifies us per steamer of the names of pre-paid passengers embarked, we publish their names in the Boston Pilot, and also notify each passenger of pre-paid certificates, either directly or through our agents.

On the arrival of any of our ships in the outer harbour, we immediately dispatch an agent on board, to give pre-paid passengers the necessary instructions regarding their route westward.

Bedding and utensils for eating and drinking, must be provided by passengers; and those going to the Canadas, or Western States, must furnish their own provisions from Boston.

Train & Co., of Boston, inform those who take an interest in the welfare of Immigrants, that as owners of the only Liverpool and Boston line of Packets, they have determined, that their Immigration business shall be conducted in their own name, on their own responsibility, and by themselves or their immediate servants.

In calling public attention to the subjoined list of the Ships which comprise our Boston Line of Packets, we believe that its general reputation as the first of American Lines is sufficiently well known and established. The Thousands of Letters which have been sent by American Immigrants to their friends in every part of Europe, have borne ample testimony to the Rapid and Successful passages made by those Ships, and to the superior Health, Comfort and Safety which their Passengers have hitherto enjoyed. Many of them will be recognized as vessels which have gained the very highest character, by a succession of unusually rapid passages.

OFFICES:

ENOCH TRAIN & Co., Nos. 37 & 38 Lewis Wharf, Boston, Massachusetts. TRAIN and Co., Merchants, No. 5 India Buildings, Water Street, Liverpool, England. TRAIN & Co., Passage Office, No. 118 and 119 Waterloo Road, Liverpool, England. TRAIN & Co., No. 121 St. Patrick Street, Cork, Ireland.

As Train & Co. have made such arrangements in Liverpool as will Protect their friends from fraud and impositions sometimes practiced there, they believe that those who pre-pay passages cannot but see the advantage of being able to engage with a Respectable House, on favourable terms, for a well known line of magnificent Packet Ships, and in this way avoid the disrespect, annoyance and delay which they so often experience, when they engage with agents who are but slightly connected with transient Ships.

As a proof that their Immigration business is conducted on principles uniformly Honourable and Humane, and that they have been distinguished for the most exact fulfilment of all their Engagements, we are permitted to refer the Very Reverend Theobald Mathew, Cork, Ireland.

We also subjoin the following testimonial from the Right Reverend John Bernard Fitzpatrick, D. D., Bishop, Cathedral, Boston.

(Copy.) Boston, January 22nd, 1852.

"I am happy to testify, from personal knowledge, that the firm of Ship Owners, known in this City of Boston, under the name of ENOCH TRAIN & Co., is composed of gentlemen of tried and acknowledged integrity, and that implicit reliance can be placed in their fidelity to accomplish all that they may promise, to those who have occasion to make any contract with them.

MAIL STEAMER CONTRACT.

HAMILTON and MONTREAL.

SEALED TENDERS will be received by the Postmaster General at Quebec, until

Saturday, the 15th October next,

FOR THE

Conveyance of Her Majesty's Mails,

BY STEAMER,

SIX TIMES PER WEEK,

Between Hamilton, Toronto, Kingston, and Montreal,

On a contract of three years or seasons of Navigation, commencing on and from the opening of Navigation in the year 1854; or the said contract to continue, at the option of the Postmaster General, until the completion of the Railroad between the two cities.

The conveyance to be made in first class, swift, and well-appointed Steamboats.

Time—Downward Trip.

The Mails to be taken from the Hamilton Post Office every day, save Sunday, at 7 o'clock A.M., to arrive at Toronto by 11 o'clock A.M.; to leave Toronto at 12 o'clock Noon, and to be delivered at the Montreal Post Office by 5 30 P.M. on the day following or within thirty-four and a half hours from the time of departure from the Hamilton Post Office.

Upward Trip.

The said Mails to be taken from the Montreal Post Office every day, save Sunday, at 12 o'clock Noon; to arrive at Kingston by 2 o'clock P.M. on the day following, at Toronto by 5.30 A.M. on the second day; and leaving Toronto at 6.30 A.M., to be delivered at Hamilton by 10 30 A.M.; or in forty-six and a half hours from the time of departure from the Montreal Post Office.

The Mail Steamers will stop at and serve the following Offices on each upward and downward trip:—Toronto, Darlington, Port Hope, Coburg, Kingston, Gananoque, Brockville, Prescott, Matilda, Morrisburg, Cornwall, and Coteau Landing; and in addition, the Office at Dickinson's Landing, on the upward trip only.

The Mails to be taken to and from the several Post Offices, including Hamilton and Montreal, at the expense of the Contractor.

The detention at each Post Office, for the purpose of exchanging Mails, not to exceed ten minutes, except at Kingston, where half an hour, and at Toronto, where forty minutes will be allowed.

A room, as an office, in such part of the steamer as may be approved of by the Postmaster General, to be provided in each steamer employed on this service, for the reception and safe-keeping of the Mail-bags and of Letters posted on board the boats, and to include such accommodation as may be required for a Post Office Conductor or Agent. The Postmaster General to have the right of sending a Mail Officer or Agent with each trip of the Mail, and the said Mail Officer to have cabin passengers' accommodation and fare, as well whilst the boat to which he may be attached is in port as whilst running, free of all expense or charge for the same.

imposed by the Postmaster General, half hour which may elapse beyond the stipulated time for delivering the Mails, either upward at Hamilton or downward at Montreal or for omitting to serve any one of the intermediate Offices included in the Contract—unless it be shown, to the satisfaction of the Postmaster General, that the delay or omission has arisen, from stress of weather, or other cause beyond the control of the Contractors.

During such period in the Spring and Fall of each year as season, when steamers navigate a portion only of the route between Hamilton and Montreal, the Contractor will, if required so to do, provide for the conveyance of the Mail by Steamboat over such portion of the route in like manner as if the whole route was open and practicable, and payment will be made for such partial service, in proportion to the distance covered, at the ordinary rate of the Contract.

Each Tender must state the price asked for each single trip from Hamilton to Montreal, and vice versâ, in words at length, and must be accompanied by the written guarantee of two responsible persons, undertaking, that, in the Tender being accepted, the Contract shall be duly executed by the party tendering, with good and sufficient sureties for the performance of the same.

The said sureties will require to become bound with the Contractor in the sum of two thousand five hundred pounds (£2,500) for the due performance of the Contract.

Printed forms of Tender may be obtained at the Post Offices of Toronto, Hamilton, Coburg, Kingston, Brockville, or Montreal.

Should parties tendering desire to separate the above-described route into two sections, dividing at Prescott, the Postmaster General will receive separate Tenders accordingly for the sections above and below Prescott respectively, and the time allowed for each section will be:—

Upward Trip.
