Deports from the Victoria County Historical Society show that the museum has been well patronized this summer, particularly by visitors from other parts of Ontario and many from the U.S.A.

One official of the society expressed keen disappointment in that citizens of Lindsay have not been patronizing the museum. This individual added: "We feel that the people of Lindsay are unaware of the importance of the museum as part of the Community. The museum and the barn are fil-

led with highly interesting historical articles, many of them truly of an antique nature."

The speaker said "We feel certain that residents of Lindsay and their families would enjoy going through the museum and the visit would be truly educational. We feel citizens in general would deeply appreciate the museum if they took time out to pay us a visit."

We understand the museum is open every afternoon from 2 to 5 and for the balance of the week it will be open from 7 p.m. to 8p.m. this week only.
