The services in the Methodist church on Sunday were more than usually interesting. Dr Caldwell preached two strong sermons. At the morning service the Misses Joy of Toronto sang the Glory Song, and at the evening service Dr. Fred Murray and Mr. Doherty of Toronto rendered the "Wayside Cross" in a most pleasing duet. The sermon at night was based on Corinthians, 13th chapter, and was a well reasoned presentation of the subject "Love." Dr. Caldwell has made a strongly favorable impression upon his congregation here.

Percy Buckingham, son of Mr. James Buckingham of Maxwell, died in Chicago on Sunday morning of rheumatic fever. The young man was attending a medical college there, and expected to come home this week for holidays. A couple of weeks ago he was taken ill and his brother telegraphed for, and the latter was with him when he died. The deceased was in his second year of medicine, and was 23 years of age. The remains were brought home for interment, arriving here Tuesday. Deceased was a bright young man, and his demise will be a sad blow to his many friends and sorrowing parents.

Mr John Adams of the suburbs has a grievance against the township Board of Health, which he claims conducted affairs in a very loose manner during the recent sickness at his home. He claims that he was quarantined without any provision being made for supplying him with necessities, and that as a consequence he was obliged to break quarantine in order to secure the necessaries of life. If this is so it was certainly a half way measure on the part of the officials. Mr. Adams says his premises were thoroughly cleaned and purged of the disease.

The Royal Templars of Temperance held a public meeting last Friday night in their hall in Clayton's block. About 75 members and outsiders were present, and a very enjoyable time was spent by all. The meeting was opened by a speech from Mr. Jas. Felstead, the Select Councillor of this lodge. Then Miss Ella Karstedt and Miss Iua McMullen each gave a recitation. One of the special features of the evening was an address from Rev. Dr. Caldwell, of this place. He spoke at some length on the liquor traffic and its harmful influence, and his listeners enjoyed the address very much. The Tucker brothers, of Ceylon, rendered two instrumentals in a very acceptable manner, which were thoroughly enjoyed by their audience. The meeting closed at about ten o'clock. This lodge is in a very prosperous condition, and has purchased an organ for use in its meetings, which are held every Friday evening in Clayton's Hall. Visiting brethren are cordially invited.

A sister of Inspector N. W. Campbell of Durham, was killed in a runaway accident at Owen Sound on Friday. The deceased lady, Mrs. Wm. Tocher, was thrown from a buggy on Poulett Street and received such injuries that death followed about four hours later at the General and Marine Hospital. Her husband, who was with her, was also thrown out and seriously cut and bruised about the head and chest. Her sister, Mrs. John Henderson, escaped with a slight bruise. Mr. and Mrs. Tocher are natives of this county, but have been residing at Livingstone, Mont., and were here on a visit to friends. The horse, in its flight, collided with another rig, in which was seated Mrs. Robert Jennings, of Keppel township. The latter was rescued, without serious injury, from beneath the debris of the two rigs. A piece of broken shaft penerated the shoulder of Mrs. Jennings' horse to a depth of fifteen inches.
