The Flesherton Advance

I published every Thursday at $1.00 per annum if paid in advance, $1.50 if not so paid.

All subscribers paying $1.00 strictly in advance get the Montreal Herald one year free as a remium.

High School Opening.

The 15th Annual Re-opening of the Meaford High School will take place on Sept. 5th, 1905, when classes will be formed to meet the requirements of every student that attends. All parents having children to educate are asked to look carefully into the record and merits of this well known High School before deciding to send them. Note the following points: 1—A building, gymnasium and grounds that for beauty, equipment and convenience cannot be surpassed in the province. 2—A staff of teachers specially qualified to teach their respective departments. 3—A Literary and Debating Society, an Athletic Association and Field Day, and an Old Boys Association—all in a flourishing condition. 4—A long and honorable record as a school of training for teachers. In the last 6 years 18 Junior Teachers and 41 Senior Teachers have obtained their certificates. Of the former 13 spent only one year of their school life in a High School and that school was the Meaford High School. 5—This school does every form of examination work done by the largest Collegiate Institute. Personal attention given to each pupil, a prominent feature. Splendid medals, prizes and scholarships open to all. Public speaking, debating, singing and athletics strongly encouraged. 6—The high stand taken by pupils of this school at the Normals and Universities—third place in Medicine at McGill; first place and medal in History, and third place in Mathematics at Queens; second place in Physics and third place in English and History at Toronto; besides many other first and second class honors at Macmaster and other colleges, and the growing demand for graduates of this school as Public school teachers all go to prove the efficiency of the work done. Fees to pupils not resident in Meaford, $10 per year. Board $2 to $3 a week in private homes. The town is easily reached by the G. T. R. or by any passenger boat plying between the ports on the Georgian Bay. Send for a prospectus of 1905, which is a compendium of information about the beautiful town of Meaford its High School, and the latest revised educational regulations. J. L. Cornwell, B. A, Principal, A. McK. Cameron, Sec'y-Treas.

A despatch from Meaford says: Julias White, an employee of the Seaman Kent Co., who boards at Mr. Bumsby's, in this town has fallen into a trance, from which it is impossible to wake him. Early yesterday morting Mr. Bumsby was aroused by White's heavy breathing and tried to wake him up, but could not. Several physicians were called in, and although they have used electricity quite freely, the patient still continues to sleep. The local physcians are puzzled. One of them declares that in all his practise he has known but one case of a similar nature. Previous to coming to Meaford he lived in Midland, where his wife and family still reside.

Proved in Mount Forest.

Every doctor in this town has tried his best to relieve Mrs. J. Withom of asthma; none succeeded. "For years," she states, "I was a dreadful sufferer; nothing gave relief. At times I found it necessary to have all the doors and windows open to get my breath. When in despair I heard of Catarrhozone. I used it and now perfectly cured." This proves beyond doubt that any case of asthma is curable with Catarrhozone. No remedy so pleasant, none so absolutely certain to thoroughly cure; try Catarrhozone yourself. It's guaranteed.

Mr. J. W. Kenny, the much esteemed councilman of Euphrasia, met with a severe loss by lightning on Monday last. As the storm passed over about six o'clock the barn was struck and almost instantly a mass of flames. In addition to about sixteen acres of unthreshed Alsike clover and over 150 bushels of Timothy seed, nine loads of hay and a quantity of grain were stored in the barn. This with practically all implements, 22 pigs and large number of fowl were consumed. Mr. Kenny had no insurance on contents and only a small risk on the building. Loss over $2,000.—Reflector.

Mr. R. T. McGirr has purchased from parties in Detroit, Mich., the standard-bred stallion Red Top (31276.) This is one of the most fashionably bred horses that has ever been brought into Canada, as he is sired by Sphynx 2.02¼, the best son of Electioneer, he having 108 in the 2.30 list and four in the 2.10 list. Red Top's dam, Lamoset, is by Onward, 2.25¼ with 172 on the 2,30 list and 10 in the 2,10 list. Onward is the best son of George Wilkes, and has more in the 2.30 list than any other horse, living or dead. Red Top is having his first speed lessons and is exceedingly fast. He will make a fall season at the Royal Hotel stables, Meaford,—Mirror.

Water In Your Blood?

Lots of people have thin, watery blood—they eat plenty but don't digest. When digestion is poor, food isn't converted into nourishment—in consequence the body rapidly loses strength. To positively renew health, nothing equals Ferrozone. It excites sharp appetite—makes the stomach digest, forms life-sustaining blood. Abundant strength is sure to follow. If you need more vitality, extra energy, better nerves, then use Ferrozone, the medical triumph of the age. Fifty cents buys a box of fifty chocolate coated Ferrozone tablets.

Mr. A. H. Baker, B. A., an honor graduate of McMaster University and a specialist in science has been engaged as science teacher of Meaford High School, which position was rendered vacant by the appointment of Mr. S. Huff, B. A., to the Inspectorship of East Grey.

Her Skin Was Yellow.

"I had only to try Dr. Hamilton's Pills in order to appreciate their merit" writes Miss Annie S. Bryce, of Woodstock. "My system was out of order. My blood was weak and thin. I had a nasty, murky complexion. My skin was hard and dry. The first box of Dr. Hamilton's Pills made a complete change. I felt better at once. Healthy color came into my face. In three weeks I was cured." Dr. Hamilton's Pills effect an easy cure. Try these good pills, 25c. per box or five boxes for $1.00, at all dealers.

A few days ago the wife of a prominent hostelry owner in a small village near Berlin gave birth to a bouncing son, and the happy father celebrated the occasion in the usual style. A few days previous a neighbor's wife had also given birth to a bright little babe, and on the day after the birth of the first child the latter babe was taken over to the hostelry and placed in the cot with the former by some of the boarders of the house. The happy hotelkeeper was informed that he was the father of twins, and he immediately went up to his wife's room and saw the new arrivals. He was more than delighted, and free drinks were in order for the rest of the day. Next day he went to see the twins, but one of them had gone, and his boarders and neighbors are still laughing. —Berlin Telegrah.

FITS CURED

If you, your friends or relatives suffer with Fits, Epilepsy, St. Vitus' Dance, or Falling Sickness, write for a trial bottle and valuable treatise on such diseases to THE LEIBIG CO., 179 King Street, W., Toronto, Canada. All druggists sell or can obtain for you
