On the arrival of any of our ships in the outer harbour, we immediately dispatch an agent on board, to give pre-paid passengers the necessary instructions regarding their route westward.

Bedding and utensils for eating and drinking, must be provided by passengers; and those going to the Canadas, or Western States, must furnish their own provisions from Boston.

Train & Co., of Boston, inform those who take an interest in the welfare of Immigrants, that as owners of the only Liverpool and Boston line of Packets, they have determined, that their Immigration business shall be conducted in their own name, on their own responsibility, and by themselves or their immediate servants.

In calling public attention to the subjoined list of the Ships which comprise our Boston Line of Packets, we believe that its general reputation as the first of American Lines is sufficiently well known and established. The Thousands of Letters which have been sent by American Immigrants to their friends in every part of Europe, have borne ample testimony to the Rapid and Successful passages made by those Ships, and to the superior Health, Comfort and Safety which their Passengers have hitherto enjoyed. Many of them will be recognized as vessels which have gained the very highest character, by a succession of unusually rapid passages.

As Train & Co. have made such arrangements in Liverpool as will Protect their friends from the frauds and impositions sometimes practiced there, they believe that those who pre-pay passages cannot but see the advantage of being able to engage with a Respectable House, on favourable terms, for a well known line of magnificent Packet Ships, and in this way avoid the disrespect, annoyance and delay which they so often experience, when they engage with agents who are but slightly connected with transient Ships.

As a proof that their Immigration business is conducted on principles uniformly Honourable and Humane, and that they have been distinguished for the most exact fulfilment of all their Engagements, we are permitted to refer the Very Reverend Theobald Mathew, Cork, Ireland.

We also subjoin the following testimonial from the Right Reverend John Bernard Fitzpatrick, D. D., Bishop, Cathedral, Boston.

"PANKORITE."

Important to Thousands!!

Myers' Extract of Rock Rose:

AN invaluable Remedy for all Scrofulous Diseases, Indigestion, Salt Rheum, Sick Headache, Canker, Nursing Sore Mouth, and General Debility; and as a Purifier of the Blood, is unequalled.

To be convinced that it is the most valuable Medicine of the day, you have only to read the testimony of its efficacy. As a Family Medicine it is invaluable, and no one should be without it.

The Rock Rose has gained a reputation, at home and abroad, which no other medicine has ever done in the same length of time.

According to the opinions of Eminent Physicians, the Rock Rose Plant is unequalled in curing Scrofula in its various forms! The Sick Headache, in Obstinate Chronic Cases, may here find a Sovereign Remedy. The Canker and Nursing Sore Mouth! in numerous cases, have been speedily cured.

BUT WHAT IS THE ROCK ROSE?

The following history of the Rock Rose Plant and its medicinal properties, we take from the New Haven Palladium, March, 1852:—

"The increased interest manifested in the Rock Rose Plant in consequence of the many wonderful cures effected by 'Meyers' Compound Extract of Rock Rose,' calls for a brief history of it, in order to correct any erroneous opinion that may have been entertained concerning it; and so to set in a true light the nature of a plant which promises to be universally beneficial.

We are indebted to the United States Dispensatory of 1847, for the following description of it:—

It is entirely different from the common Rose. It is a red-stemmed, hairy leaf plant, having a bitter taste. In addition to a remarkable peculiarity of the plant, of bearing two colors of flowers in one season, it also has another interesting and beautiful property.

Dr. Eaton says that in the months of November and December, he has seen hundreds of these plants sending out, near their roots, broad, thin, curved ice-crystals, about an inch in breadth, which melted during the day and were renewed in the morning. For a more minute and analytical description of it, the reader is referred to Torrey and Gray's Botanical Works.

Its Medical History and Properties are far the most important, since upon these depends its value to the community. Dr. Loudon says that in 1799 it was so valuable for England that it was cultivated from the seeds. Ever since 1806, Prof. Ives, of Yale College, has habitually used it with great success in Scrofula and Chronic Disease, and through him its virtues were made known, until, as Dr. Tyler says, it is now in this section (New Haven) a common article in domestic practice for the cure of Scrofula and cutaneous diseases.

Dr. Isaac Parish of Philadelphia, remarks that it has been successfully used in bad cases of Scrofula Diseases.

Dr. J. H. Thompson, of the same place, prescribed it in bad cases of Scrofulous patients at Willis' Hospital. His success attracted the attention of former physicians. He reports the following remarkable cure of White swelling of the hip, in February, 1841:—He lad was seven years old, and had the disease for three years. The bone was dislocated upward and outward. There was a large opening on the hip leading to the bone, into which I could thrust my finger. I counted three ulcers. He had been under several physicians, who had given him up. I ordered a decoction of Rock Rose. In two days his night sweats ceased; I then ordered a teaspoonful of Rock Rose three times a day. This nine days after, he was entirely well.

Dr. Webb, of Madison Ct., Testifies to the value of Rock Rose, as evinced in the cure of numerous cases of Scrofula, especially in children.

Dr. Sperry, in his medical work published 1847, quotes the strong commendation of Dr. Eli Ives, Professor in Yale College, who, in his lectures to the medical students, recommended the use of the Rock Rose, even in cases where the disease is uncertain.

The value of the Rock Rose has also been set forth by Dr. Tyler, of New Haven, Ct., in a dissertation avowedly prepared for that purpose, which afterwards, at the request of several of his medical brethren, was published in a pamphlet.

We quote from the preface. He says that since the delivery of this address, "the plant under consideration has been more fully tested its virtues developed, its character better established. This dissertation is published by the advice and approbation of several medical friends. The object of it is to lay before the profession, and the public, the virtues of a plant too much neglected. I ask for this plant an impartial trial. I will conclude by asking only of the profession and the public, a more extended trial of the ROCK ROSE."

HEALTH FOR CANADA!

Holloway's Pills.

EXTRAORDINARY CURE OF LOSS OF MEMORY, ARISING FROM DISORDERED STOMACH, INDIGESTION AND DEPRAVITY OF BLOOD TO THE HEAD.

Copy of a Letter from Mr. J. by Lord of Evesham, near Hatfield, Worcestershire.

To Professor Holloway.

SIR—I am one of the first gentlemen of Evesham, in order to inform you, that for a very long period I was afflicted with a dangerous giddiness and disordered stomach, accompanied by loss of appetite, disturbed sleep, and generally in poor health. Every therapy had failed to give me any permanent relief, and at length I became so alarmed that I dared not go from home without some friend accompanying me. In this miserable state I visited Malvern, Cheltenham, Harlech, &c., in the fond expectation of finding what I had other to be kindly recommended, viz. Pills. I tried them without delay, and after taking them for a short time I am happy to bear testimony to their wonderful efficacy. I am now restored to perfect health, and enabled to resume my business. You are at liberty to publish this letter in any way you may think proper.

I am, Sir, your obedient Servant,

June 30, 1852. (Signed) JOHN LLOYD.

MIRACULOUS CURE OF PLURISY.

Extract of a Letter from Edward Hewes, Esq., of Bedminster, Bristol, dated April 8th, 1852.

To Professor Holloway.

DEAR SIR,—I think it a duty I owe to you and the public at large to inform you of a most miraculous recovery from that dreadful disease, Pleurisy, effected under God, was effectually by your invaluable Pills. I was pronounced dangerously ill by two medical practitioners. I, of course, not get cured, until I had recourse to your medicines, and notwithstanding all I had undergone, this miraculous and sure cured me in the space of a few weeks.

(Signed) EDWARD ROWLEY.

INVALUABLE CURE OF A STOMACH COMPLAINT, WITH INDIGESTION AND VIOLENT HEAD ACHES.

Extract of a Letter from Mr. S. Gower, Chemist, of Clifton, near Bristol, dated July 14, 1852.

To Professor Holloway,

DEAR SIR,—I am requested by a Lady named Thomas, just arrived from the West Indies, to acquaint you that for 8 or 10 past years she suffered and terribly suffered from a general bad health, arising from disorders of the Liver and Stomach, Indigestion, loss of Appetite, violent Head-aches, pain in the side, weakness, and general debility, for which she consulted the most eminent men in the country, but without any beneficial result; at last she had recourse to your invaluable Pills, which in a very short time effected a complete change for the better, the Liver acted right, and the whole system were restored to perfect health and strength. I cannot do less than to say that she has witnessed from your medicines a cure which she considers little short of a miracle, having effected a perfect cure of these diseases with no other remedy.

(Signed) S. GOWER.

A DANGEROUS LIVER COMPLAINT AND SPASMS IN THE STOMACH EFFECTUALLY CURED.

Copy of a Letter from Mr. Bostock, Druggist, of Ashton under Lyne, dated July 21, 1852.

To Professor Holloway,

DEAR SIR,—I have much pleasure in handing to you a testimonial of the efficacy of your Medicines. A person in this neighbourhood with whom I am well acquainted was afflicted for a long time with violent spasmodic pains in the stomach and liver, arising from frequent colds, smelling of paint and the effects of a stooping position which he was obliged to assume in his business. The spasms were of an alarming character, and frequently left him in a weak and debilitated condition. At length he heard of the salutary effects of your invaluable Pills, and was induced to give them a trial. The first dose gave him considerable relief, and by following them up in accordance with your directions, they have acted so wonderfully in cleansing the liver and stomach, and strengthening the digestive organs that he has been restored to the enjoyment of good health.

I remain, dear Sir, yours faithfully,

(Signed) WILLIAM BOSTOCK

NEVER FAILING REMEDY!!

HOLLOWAY'S OINTMENT.

A CURE GUARANTEED IN INSUPPORTABLE CASES OF TEN YEARS STANDING.

Copy of a Letter from Mr. Thomson, Chemist, Liverpool, dated Aug. 30th, 1852.

To Professor Holloway.

DEAR SIR,—I am enabled to furnish you with a most extraordinary cure effected by your invaluable Ointment and Pills, which has astonished every person acquainted with the circumstances. About 18 years ago, Mr. W. Cunningham, of Salmon Street, in this town, was thrown from his horse, whereby he received very serious injuries; he had the best medical advice at the time, and was after wards in a state of different dilemmas, yet he grew worse, and at length a malignant running ulcer settled in his hip, which so completely crippled him, that he could not move without crutches for nearly 10 years; recently he began to use your Ointment and Pills, which have now healed the wound, strengthened his limb, and enabled him to dispense with his crutches, so that he can walk with the greatest ease, and with renewed health and vigour.

A MOST EXTRAORDINARY CURE OF A BREAKING SORE UNDER MEDICAL AID BAFFLED.

Copy of a Letter from Mr. Hill, Draper, of Leeds, Briggate Gains, dated March 1st, 1852.

To Professor Holloway,

SIR—Some time since, one of my children was afflicted with dreadful eruptions over the body and limbs. I obtained the advice of several eminent Surgeons and Physicians, by all of whom the case was considered hopeless. Accordingly I tried your Ointment and Pills, and without exaggeration, the effect was miraculous, for persevering in their use, all the eruptions quickly disappeared, and the child was restored to perfect health.

I previously lost a child from a similar complaint, and I firmly believe, had I in her case adopted your medicines she would have been saved also. I shall be happy to testify the truth of this to any enquirer.

CERTAIN REMEDY FOR SCORBUTIC HUMOUR, AND AN ASTONISHING CURE OF AN OLD LADY SEVENTY YEARS OF AGE OF A BAD LEG.

Copy of a Letter from Messrs. Walker & Co., Chemists, Bath.

To Professor Holloway,

DEAR SIR,—Among the numerous cures effected by the use of your valuable medicine in this neighbourhood, we may mention that of an old lady living in the Village of Preston, about five miles from this City. She had ulcerated wounds in her leg for many years, and latterly they in creased to such an alarming extent as to defy all the usual remedies; her health rapidly saving way under the suffering she endured. In this critical situation she had recourse to your Ointment and Pills, and by the assistance of her friends, was enabled to persevere in them, until she received a perfect cure. We have ourselves been greatly astonished at the effect, more so of a person she being above 70 years of age. We shall be happy to satisfy any enquiries as to the authenticity of this really wonderful case, either personally or by letter.

A private in the Bath Police Force, also has been perfectly cured of an old scorbutic affection in the face, after all other means had failed. He states that it is entirely by the use of your Ointment, and speaks highly in its praise.

We remain, Dear Sir,
Your's faithfully,

(Signed) WALKER & Co.
