Imagine the province of Ontario fighting Russia to a finish as Japan has done! And Japan is only two thirds the area of Ontario. Her population, however, is six times as large.

W. P. Telford, M. P., Owen Sound, was in town Tuesday and drove over to Eugenia where he met several officials of the Georgian Bay Power Co.

Mr. Will Boyd, who has been on a trip west for a couple of months, returned home Saturday. Mr. Boyd went as far west as Portland and enjoyed the trip immensely.

The cemetery trustees have purchased a handsome wire fence to be placed along the front of the cemetery grounds. The design is similar to that in front of the Methodist church. It will be placed in position immediately.

An item appeared in the Advance a couple of weeks ago, telling of a Meaford man who had fallen into a trance and refused to be awakened. It was simply a case of taking morphine for a quinine powder. After the doctors had pumped out White's stomach he came to all right and an examination discovered the fact that he had taken morphine in mistake.

Word was received here on Saturday of a serious accident which befel Mr. Sam Fisher, of Eugenia, who, for the past two months has been working in Hickling Bros' sawmill at Sundridge. In some way he came in contact with a saw which cut his knee so badly that it is feared the leg will have to be amputated. No particulars are to hand. Members of the family left Eugenia for Sundridge on Monday.

Charley, the 16 year-old son of Clerk W. J. Bellamy, knows more about gunpowder this week than he did last week. He touched a match to some last week, and had he worn whiskers there would have been a conflagration. As it was his face was slightly damaged and his arm is still sore from the effects. He didn't think it would go off so fast as it did. Charley says he saved ten cents on a shave last week.

The prolonged disturbances in Russia ought to constitute a valid excuse for President Roseveit to fight that country now that Japan has got through with her. It was for such a reason that he liberated Cuba and the Philipines. As the world's peace maker he should now overthrow the Romanoff dynasty, which has shown itself distinctly incapable of quieting the disorders within the borders of Russia.

The Durham school board has increased the salaries of their teachers to the following figures: Mr. Allan, $800; Miss Forfar, $550; Miss Kerracher, $475; Miss Meredith, $425; Miss M. McKenzie, $350; Miss A McKenzie, Miss Gun and Miss Grant $325 each; Miss McMurty, $300. Miss Gordon is engaged as Assistant for the Model School term at a salary of $200.

Mr. John Chard, of the Toronto line, has sold his farm to Mr. Robert Best and has purchased a 150-acre farm 1½ miles west of Markdale from a Mrs. Morrow. The family will probably remove from this vicinity next spring, maybe before. We only voice the general expression when saying that this vicinity will sustain a distinct loss by Mr. Chard's removal, and regret is expressed on every side that they find it necessary to go.

A despatch appeared in the dailies of Tuesday from Minot, N D., detailing the confession of one Charles Hersig to the killing of a young woman in Ohio some years ago, and for which Charles Sterling of Maxwell was hanged. Sterling was hanged on circumstantial evidence alone and weak evieence at that, simply from the fact that he had been seen in the vicinity where the crime was committed. This confession will bringa certain degree of solace to Sterling's two sisters, who still reside at Maxwell and are highly respected.

Mr. and Mrs. Harry Down of the 4th line, Artemesia, are the recipients of much sympathy in the loss of their little daughter, Lilian, who died on Friday last of appendicitis at the age of 11 years. The little girl was a bright child and was well known in town where she lived with her parents for some time. The entire Methodist Sabbath School, of which the little girl was formerly a member, after adjournment marched to the cemetery and around the grave sang "Safe in the arms of Jesus." The scene was very touching. It was a sad loss for Mr. and Mrs. Down, to whom every one's sympathy goes out in their trouble.

The prize list of Osprey fair is now in the hands of Secretary J. A. Kerrahan, Feversham. The pamphlet contains 44 pages. In connection with this we might say that although the date printed was Oct. 3 and 4, the show takes place on Thursday and Friday, Oct. 5 and 6. The first date was the one first set by the Fairs Commissioner and later was changed to 5 and 6. The secretary did not receive notification of this change, consequently the error arose. The correct dates have been advertised in all the local papers, however. This show has made astonishing strides during the past few years and is now one of the most important township shows in the province.
