VILLAGE TAVERN PROPERTY, &c.
FOR SALE OR TO LET.

THE Subscriber, intending to remove to Kingston, offers for sale or to be Let, that well known Inn in the village of Sydenham, the

"Royal Oak Inn;"

And the large new Building adjoining, in which are two Shops.

The Inn is in the centre of the village, is an old established stand, and offers the greatest advantages to persons competent to keep a good house. There is attached about an acre and a quarter of ground, embracing an excellent garden, bordering on the stream which runs through the village.

The shops are now rented for £19 a year; the large room over head, used by the Division Court, is attached to the Inn.

The village of Sydenham is delightfully situated—is progressing rapidly; the Inn is situated in the centre of business, and the present affords an inviting opportunity to any person desirous of keeping a Public House, to invest profitably and secure a good business.

☞ Possession given on or before 1st May next.

Terms, which are favorable, may be learned on application to the undersigned, at Sydenham, on the premises, or to Mr. Rowlands, Attorney, &c., Kingston.

HURD'S GOLDEN GLOSS

FOR THE HAIR.—Among the many preparations for the growth of the Hair, this GOLDEN GLOSS takes the lead.—Three reasons will be given why it is so universally used and preferred to all others.—1st. Because it has proved the most effectual in Baldness. 2nd. Because it imparts a beautiful dark gloss and delightful perfume to the Hair. 3rd. Because the Ladies, with fine discrimination, which they all possess, have adopted it. Many other reasons could be given why it is a great favorite, but those who want more have only to give it a trial.—Price 25 cents in large bottles. For SALE by Druggists and Storekeepers everywhere.

THE ART UNION OF GLASGOW.

PATRON.
His Royal Highness the Prince Albert.
PRESIDENT.
His Grace the Duke of Hamilton, Brandon, and Chatelherault.

THE Art Union of Glasgow, is, briefly, to aid in extending amongst the community a knowledge of the Fine Arts by the purchase and dissemination amongst the members of meritorious works.

A subscription of one guinea constitutes membership for one year. The whole subscriptions, after deducting the necessary expenses, are devoted to the purchase of Pictures, Drawings, Sculptures, Engravings, and other works of art. Each member for the present year, for every guinea subscribed, is entitled to the following privileges.

I.—To a copy of the very beautiful Engraving on steel, of "The Return from Deer Stalking," after the painting by Sir Edwin Landseer, in the possession of His Grace the Duke of Northumberland, now engraving by H. T. Ryall, Esq., for the society. Size of engraved surface, 28½ inches by 23 inches.

II.—To chance of obtaining, at the annual general meeting, in July, 1854, for every guinea subscribed, a painting, statuette, bronze, or any other work of art, purchased for distribution among the members of the society.

The issue of the engraving to members is expected to commence in February 1854.

Assurances may either be effected by Parties on their own Lives, or by Parties interested therein on the Lives of others.

The great success of this Institution in Europe, and the numerous Policies, issued by the different Agencies in Canada, evidently show that the advantages of Life Assurance are daily becoming more and more appreciated

The rates of the *Britannia* are the lowest which can be offered consistently, with security to the Assured.

The income of the Company, independently of the large Subscribed Capital, is about Eighty Thousand Pounds, Sterling, per Annum, and of this a great part is continually accumulating for the payment of losses.

A Party effecting an Assurance with this Company, may do so for a fixed sum, payable at his or her death, without participating in the profits, and thereby secure *an immediate Bonus* by not paying more than is absolutely required to provide for the risk.

The necessary forms, and every requisite information, as to the mode of effecting Assurances, may be obtained either by letter or personal application to

New Series of Chambers's Edinburgh Journal.

ENTITLED

CHAMBERS' JOURNAL

OF

Popular Literature, Science and Art.

THE Second Series of Chambers' Edinburgh Journal will close on the 31st of December, and the First Number of a New Periodical with the above title will be issued in January, 1854. Resembling the existing work in its external form, the new one will exhibit such fresh features as will afford, it is hoped, a pledge of the wishes of Messrs. Chambers to adapt their efforts to the improving tastes of the age. In particular, there will be presented a higher class of Fiction, commencing with a Tale of Modern Life, by Mr. Leitch Ritchie, which will be continued in weekly chapters till completed.

Also, a Series of Papers, by Mr. Wm. Chambers, containing his Observations made during an extensive tour through Canada and the United States of America.

Likewise, a Monthly Review of the Library and Studio, in addition to a Monthly Record, still more carefully drawn up than formerly, of the Progress of the Sciences and Useful Arts.

It will be the constant duty of the Editors to maintain in the New Work all those general features which for twenty-two years have given their Journal its extensive popularity—a cheerful Light Literature, comprehensive Information, sound Ethics, and enlightened views of a Progressive Social Economy, without the admixture of controversional matter of any kind.

The first monthly Part will be issued in February, 1854. Price 12s. 6d. per annum.

☞ The time allowed for the delivery of Ties extends to December next.

FENCING.

The Fencing per Rod, as per following *SPECIFICATION.*

First Class Fencing will require to be six rails in each pannel and be divided to make the fence five feet in height from the ground; the posts to be of cedar or tamarac, not less than seven inches by four inches, and nine feet long, and set three feet six inches in the ground, and well rammed. Rails to be nine feet long, not less than four by two inches at the small end: the posts to be morticed to receive the rails.

Second Class Fence to consist of posts placed in pairs not more than nine feet apart; posts to be connected by three, one and one quarter inch oak pins, wedged. Rails to be eleven feet long, not less than four by three. Sinking of posts and height of fence, similar as that for First Class Fence. The posts to be not less than four inches in diameter. A piece of hard wood or stone to be laid under the lower rail to keep it from the ground.

Third Class Fence, to have posts eight feet long, and not less than five inches in diameter at the small end, and to be sunk three feet six inches in the ground and well rammed, and to be eight feet apart; the posts to be of cedar or tamarac. The fence to have four boards in the height, each to be inch by nine inches wide and sixteen and one half feet in length; to be of sound pine or hemlock, free from shakes or loose knots; to be securely nailed to posts with three-inch cut nails, six to each board; where the ends of the boards meet on the posts, the joints are to be covered with a batten four by one, with eight four inch nails driven through into the posts; the tops of the posts to be cut off with a bevel of three inches from the line of the upper board; the fence not to be less than four feet six inches in height from the ground.

Common Rail Fence, where required, to have eight rails in height and to be staked and ridered; the stakes to be of cedar, nine feet long, and to be sunk one foot in the ground; the rails to be twelve feet long, and not less than four by four at the small end, and to be of any of the following descriptions of wood, namely:—oak, rock elm, black ash, cedar, or pine. The bottom rail of the fence to rest upon a piece of stone or hard wood at each end, and to be otherwise in accordance with the Municipal Bye-Laws.

The above work will be let and divided into sections of five, ten, twenty, or forty miles, to suit parties.

The Fencing Contract extends to July, 1855.

Payments on the above Contracts made at the rate of 75 per cent. per month.

Tenders will be required to state price per Tie, and Fencing per rod, and also the names of two sureties for the fulfilment of the Contract.

The present critical state of European affairs will render these publications unusually interesting during the year 1854. They will occupy a middle ground between the hastily written news items, crude speculations, and flying rumors of the daily Journal, and the ponderous Tome of the future historian, written after the living interest and excitement of the great political events of the time shall have passed away. It is to these Periodicals that readers must look for the only really intelligible and reliable history of current events, and as such, in addition to their well established literary, scientific and theological character, we urge them upon the consideration of the reading public.

GREAT ENGLISH REMEDY!

THE MOST VALUABLE
Spring and Summer Medicine in the World!!

DR. HALSEY'S

FOREST WINE!

Patronized by the Nobility and Medical Faculty of England, and esteemed the most extraordinary Medicine in the World.

MEDICINES containing molasses or liquorice, like the boasted Sarsaparillas, require many large bottles to produce the slightest change in health. The FOREST WINE is altogether a different article. It contains no syrups to give it consistency, but acquires its excellent flavor, and powerful medicinal properties from the vegetable plants of which it is composed. The FOREST WINE combines the virtues of

Wild Cherry, Dandelion, Yellow Dock, and Sarsaparilla!

with other valuable plants whose properties are still more effective.

Its high concentration renders it one of the most efficient medicines now in use. Sometimes one than a single bottle restores the lingering patient from weakness, debility, and sickness, to strong and vigorous health. Every dose shows its good effects on the constitution, and improves the state of the health. The FOREST WINE is recommended in the strongest terms, for all complaints of the

☞ Stomach, Liver, Kidneys, Nervous Disorders, Bilious Affections, Dropsy, Dyspepsia, Loss of Appetite, Jaundice, Female Complaints, Scrofula, and all Disorders arising from BAD BLOOD and impure habit of the system.

SAVED FROM DEATH.

Testimony of Mr. Nathon Mathews, a highly respectable and wealthy citizen of Newark, N. J

DR. G. W. HALSEY:—I believe your Forest Wine and Pills have been the means of saving my life. When I commenced taking them I laid at the point of death, with Dropsy, Piles, and Asthma. My physicians had given me over as past cure, and my family had lost all hopes of my recovery. While in this dreadful situation, your Forest Wine and Pills were procured for me, and before I had finished the first bottle of the Wine and box of Pills, I experienced great relief; my body and limbs, which were greatly swollen, became sensibly reduced. Hopes of my recovery began now to revive, and after continuing the use of your medicines for about a month, the Piles and Asthma were completely cured. The Dropsy, with which my life was placed in such great danger, was also nearly gone. I have continued the use of your medicines until the present time, and I now enjoy as perfect health as ever I did in my life, although I am more than sixty years of age.

Yours, respectfully,
N MATHEWS.

Newark, N. J., Dec. 19, 1847

GREAT CURE OF LIVER COMPLAINT OF TEN YEARS STANDING.

New York, Jan. 9th, 1848.

DR. HALSEY, *Dear Sir:*—Having taken your Forest Wine and Pills to remove a disease of the Liver, from which I have suffered severely for upwards of ten years; and having adhered closely to the directions which accompany the medicines, I have recovered my health notwithstanding all who knew me thought my case incurable. Previous to taking the Wine and Pills, I had recourse to the best medical treatment, but continued to grow worse to an alarming degree. Some of my friends spoke despairingly of my case and tried to persuade me from making use of any advertised remedies; and, I doubt not, but what there are hundreds who are dissuaded from taking your excellent medicines, in consequence of the deception and inefficiency of many advertised remedies put forth by unprincipled men, in flaming advertisements. But, what a pity it is, that the deception used by others, should be the means of dissuading many laboring under disease, from making trial and being cured by your excellent remedies. Humanly speaking, they have saved my life; when I commenced making use of them, I was in a wretched condition but began to experience their good effects in less than three days; and in six weeks from the time I purchased the medicines, to the great surprise of all my friends, I was entirely cured, and had increased fifteen pounds in weight, having taken one box of the Pills, and two bottles of the Wine. Would to God that every poor sufferer would avail himself of the same remedies. Yours, &c.,

JAMES WILSON.

NERVOUS DISORDERS—

Are diseases of the mind as well as of the body, are usually brought on by troubles and affliction, and are most common to persons of delicate constitutions and sensitive minds. Low spirits, melancholy, frightful dreams, and fearful anticipations of evil from the slightest causes, generally accompany nervous disorders. The Forest Wine and Pills are an energetic remedy in these complaints.

Extract of a letter from Mr. Joseph C. Paulding, dated

DR. G. W. HALSEY: Philadelphia Sept 7, 1848.

Dear Sir, your Forest Wine and Pills have cured my wife of a dreadful Nervous disorder, with which she had been affected for many years. Her body was almost wasted away. She was frequently disturbed in her sleep by frightful dreams, awakening quite exhausted and covered with perspiration, and at times laboring under the delusion that something dreadful was about to happen to her. By the use of four bottles of the Wine and a box of the Pills, she is now in perfect health. She has regained her flesh and color, and enjoys society as well as ever.

J. C. PAULDING.

DR. DAVID MARVIN, a celebrated practitioner of New York, declared publicly, that one bottle of Halsey's Forest Wine contained more virtues than fifty of the large bottles of Sarsaparilla. Messrs S. S. LAPMAN & Co., one of the largest and most respectable Druggists in Syracuse, in a letter, says: "From what they have heard and seen of Halsey's Forest Wine, it is an excellent and good medicine, and will undoubtedly become the leading medicine of the day."

The Forest Wine is put up in large square bottles, with Dr. Halsey's name blown in the glass; $1 per bottle, or six bottles for $5. Gum-coated Pills, 25 Cents per box. Agents are authorized to retail as well as to wholesale on as favorable conditions as the proprietor, No 161 Duane St., corner of Hudson, N. York. Appointed Agents.

DR MARSHALL'S
AROMATIC, CATARRH AND HEAD-ACHE
SNUFF.

THIS SNUFF is superior to anything yet known, for removing the Catarrh; and also a cold in the head, and the headache; by opening and purging out all obstructions, strengthening the glands and giving healthy action to the parts affected. It should be kept in the phial well corked.

PEIRS' ROCK OIL, or PETROLEUM.

A NATURAL REMEDY, procured from a Well in Alleghany County, Pa., four hundred feet below the Earth's Surface!

The Petroleum is a natural Remedy—it is put up as it flows from the bosom of the earth, without anything being added to or taken from it.

It gets its ingredients from the beds of substances which it passes over in its secret channel. They are blended together in such a form as to defy all human competition. The Petroleum in this respect is like Mineral Waters, whose virtues in most chronic diseases, are acknowledged, not only by Physicians, but by the community at large.

Rheumatism, Neuralgia, White Swelling, Sore Eyes, Deafness, Burns, Scalds and Piles, are all cured by this Natural Remedy.

It is also a sure cure for Chilblains on the feet, and Scratches on Horses.

Full directions accompany each bottle Price 2s. 6d.

For sale by the principal Druggists in this city.

PUNDERSON'S
CONDITION POWDERS,
For Horses and Horned Cattle.

THE change of weather and season with the change of use and feed, have a very great effect upon the blood and sinuous fluids of horses. It is at these changes they require an assistant to nature to throw off any disorder of the fluids of the body that may have been imbibed, and which, if not attended to, will result in the Yellow Water, Heaves, Worms, Botts, &c. All of which will be prevented by giving one of these powders once a year, either Spring or Fall, and will, at any time, cure when any symptoms of disease appears, if used in time. They purify the blood, remove all inflammation and fever, loosen the skin, cleanse the water, and invigorate the whole body, enabling them to do more work with the same feed.

One or two Powders will perfectly cure a recent Founder in 6 or 8 days without leaving the least effect in the feet, if no blood is let, and nothing else done, only to give the powder as directed. Bleeding changes the inflammation from acute to chronic, and settles in the feet. In Horse-Distemper, they allay the fever and promote a healthy termination of the disease.

One Powder will in all cases cure the Horse-Distemper in a cow, without boring the horns of doing anything more than to give the Powder as directed for a horse. An ox will sometimes require a double dose, or 2 Powders. Every cow should have one Powder given her after calving, it carries off all fever, and humors, cleans her well, and makes her milk good and abundant through the season. Their effect is the same on all Herbivorous animals.

As there are many imitations and counterfeits, see that you get "PUNDERSON'S CONDITION POWDERS." Agents for this City E. W. PALMER, CHAS. HEATH and G. BAKER & Co.
