Temperance Couvention

The temperance convention held in the town hall on Monday afternoon was attended by about 150 delegates from all parts of the riding. In absence of the local president of the Alliance, Rev. Ivison Wilson, Rev. Thom occupied the chair A thorough organfzation was completed and several resolutions passed, including one requesting the executive in each municipality to proceed at once with a view to having a local option vote taken throughout East Grey at next municipal election. A largely attended meeting was held in the Presbyterian church in the evening, when the speakers were Dr. McLaren of Rocklyn, Rev. Ryan of the same place, Mr. Pickell of Markdale and Rev. B. Spence of Toronto. All the speeches were redolent of enthusiasm, and that of Mr. Spence was probably the most incisive, clear cut and analytical temperance address ever listened to by a Flesherton audience. It was not of the harrowing and horrifying variety but a straight business proposition from beginning to end, showing the uselessness of the barroom and the benefits to be derived from its oblierattion. He said that this township had six open bars and that a fair estimate was $28,000 spent over these bars for liquor each year. This, he showed, was an utter loss to the country as there was absolutely nothing to show for it. At the close of the meeting a hearty vote of thanks was accorded Mr. Spence and the people of Flesherton for their hospitality. A choir rendered appropriate music throughout the evening The result of this meeting will no doubt become apparent throughout the riding in the near future.

Some Seasonable Advice.

It may be a piece of superfluous advice to urge people at this season of the year to lay in a supply of Chamberlain's Cough Remedy. It is almost sure to be needed before winter is over and much more prompt and satisfactory results are obtained when taken as soon as a cold is contracted and before it has become settled in the system, which can only be done by keeping the remedy at hand. This remedy is so widely known and so altogether good that no one should hesitate about buying it in preference to any other. For sale by W. E. Richardson.

Radiant Womanhood.

The glory and satisfaction of beautiful womanhood can be known only to those possessing the unlimited advantages of health. No weak woman can be happy or enjoy half the pleasures of life. Pallid cheeks, sunk en eyes exhausted nerves, all tell of a terrible struggle to keep up. What the weak woman needs is Ferrozone; it renews, restores and vitalizes instantly—it's a "woman's remedy,"—that's why.

Ferrozone makes women strong, plump and healthful because it contains lots of nutriment, the kind that forms muscle, sinew, bone and nerve. Vitalizing blood courses through the body, making delightful color, happy spirits, true womanly strength. Fifty cents buys a box of Ferrozone in any drug store.

I Was Troubled for Two Years.

Peterboro, Ont. Aug. 23rd, 1905

D. A. Cameron & Co.

Dear Sirs,—Is is now about three months since I wrote to you for two bottles of your Rheumatic Cure. I am very pleased to be able to say that I am troubled no more with rheumatism. I had tried nearly everything I had heard of, and some good doctors, previous to taking your medicine, and received but little benefit. I felt very little better until I had nearly finished the first bottle but continued taking the medicine, and now I am a well man. I will be only too pleased to answer any person who writes me, in regard to the value of your medicine.

I remain yours respectfully,
Henry Babcock.

Camerons Rheumatic Cure is prepared by D. A. Cameron & Co., Owen Sound, White front Drug Store. For sale by all druggists or sent direct, express paid on two bottles.
