Assurances may either be effected by Parties on their own Lives, or by Parties interested therein on the Lives of others.

The great success of this Institution in Europe, and the numerous Policies, issued by the different Agencies in Canada evidently show that the advantages of Life Assurance are daily becoming more and more appreciated.

The rates of the *Britannia* are the lowest which can be offered consistently, with security to the Assured.

The income of the Company, independently of the large Subscribed Capital, is about Eighty Thousand Pounds, Sterling, per Annum, and of this a great part is continually accumulating for the payment of losses.

A Party effecting an Assurance with this Company, may do so for a fixed sum, payable at his or her death, without participating in the profits, and thereby secure *an immediate Bonus* by not paying more than is absolutely required to provide for the risk.

The necessary forms, and every requisite information, as to the mode of effecting Assurances, may be obtained either by letter or personal application to

HURD'S GOLDEN GLOSS

FOR THE HAIR.—Among the many preparations for the growth of the Hair, this GOLDEN GLOSS takes the lead.—Three reasons will be given why it is so universally used and preferred to all others.—1st. Because it has proved the most effectual in Baldness. 2nd. Because it imparts a beautiful dark gloss and delightful perfume to the Hair. 3rd. Because the Ladies, with fine discrimination, which they all possess, have adopted it. Many other reasons could be given why it is a great favorite, but those who want more have only to give it a trial.—Price 25 cents in large bottles. For Sale by Druggists and Storekeepers everywhere.
