S. S. Convention.

Clarksburg Reflector.

The 11th annual convention of the East Grey Sunday School Association was held at Heathcote on Thursday last, October 12th. The weather was rather disagreeable and therefore there was not as large an attendance as might have been.

The morning session was opened with devotional exercises led by Rev. Mr. Franks, of Heahcote. After reading minutes of last convention, receiving reports and singing, Rev. Mr Scott, of Ravenna, gave an address on "How the teacher can best retain the interest of his class," in which he said in part, "the teacher first of all should know the great central truth, Jesus Christ, be converted and thus be able to teach so as to gain best results, should have a thorough knowledge to be taught, should start on Monday to prepare the lesson for the next Sabbath, have an interest in and be acquainted with the scholar, and should pray for each member of his class personally.

At the afternoon sesion Rev. Mr. Franks gave an address of welcome which was replied to by Mr. A.D. McLean.

Mr. Huff, P. S. I., then addressed the audience on "The Model Bible Class Teacher." Among other things he said a model teacher must have a ptness to teach, power to govern, ability to hold a class together, a thorough knowledge of Bible, should be popular, moral, religious, and not use tobbaco or liquor and should be a christian and a member of some christian church.

Afte Mr. Huff's address Rev. Dr. McLaren addressed the school children on the "A. B. C, of the Gospel," basing his remarks on John 3:16. He delivered a thoughtful and pleasing address.

The evening session was held in the Methodist church and opened by devotional exercises led by Rev. Mr. Franks, followed with prayer by Rev. J. S. I Wilson. The report of the nominating committee was received and officers elected as therin recommeded as follows:—

President. A. D. McLean, Thornbury.
Vice-Pres., Mr. Huff, Meaford.
Sec'y-treas., F. Dickinson, Thornbury.
Supt. Home Dep., E Fawcett.
Supt. Teacher training, Rev. — Scott.
Supt. Primary Work, Mrs. Huff

Executive,—The above officers, ministers of the county with Mrs. (Rev.) Young, Thornbury; Mr. Felstead, Flesherton; Miss Lillie Crabtree, Rocklyn; Mrs. Pickell, Markdale; Rev. Jas. Buchanan, Dundalk, and officers of the township associations.

Rev. Mr. Barton was appointed a delegate to attend the provincial convention in London on October 24, 25 and 26.

Markdale was chosen as the next place of meeting.

Rev. Mr. Young then gave an address on "Temperence" in which he said some object to give to the temperance cause, but is not one boy saved wort all and expense put forth. We are responsible for our example and ought to be very careful about moderate drinking; the result of intemperance creeps on a person imperceptibly. In closing he exhorted all to work and pray for the cause of temperance.

"Some of the encouragements of S. S. Work" was adly handled by Dev. J. S. I. Wilson in a splendid address in which he gave both teacher and scholar many good, practical points.

In the absence of Rev. Mr. Barton Mr. Huff conducted the question drawer.

The convention was then brought to a close by Rev. Mr. Scott pronouncing the benediction.

Terrible Back Pains.

They fairly agonize your life. Something powerful and penetrating is needed. Doctors know of nothing so swift to relieve as Nerviline, a strong, penetrating liniment made to cure just such pains as yours. Nerviline is very concentrated, about four times more powerful than ordinary liniments. In the worst cases Polson's Nerviline is extraordinarily good. All muscular pain flees before it. Nearly fifty years in use—a good recommendation, surely.

The Happiness of Home

Very largely depends on the mother's disposition; if she is animated and bright everyone is happy; but if she is nervous, irritable and cross—everything goes wrong. Bright cheery women usually use Ferrozone, the greatest health-maker known. By acting through the blood Ferrozone is able to reach all the organs that need assistance; it establishes regular and healthy action of all functions, builds up the general health, fortifies the system with a reserve of energy that defies disease. Don't put off—Ferrozone costs only 50c. at any drug store; get it to-day.

PSYCHINE

(PRONOUNCED SI-KEEN)

BRONCHITIS "PSYCHINE" possesses peculiar properties that act promptly in gaining the mastery over this disease. One element at once checks the fever, another the chills. The tightness across the chest, the heavy breathing and hoarseness, is removed by another element. Its tonic properties renew the strength, and make rich blood, the cough disappears, the "mucous" is carried away, the wheezing ceases, and after a short treatment ninety per cent. of patients are cured for all time. The disease seldom returns after you have begun the "PSYCHINE" treatment.

HERE IS PROOF

CHESLEY SCHELL, Ravenswood, writes: "I was out with the volunteers at London last June and I got a heavy cold, which turned to Bronchitis, and my lungs were severely affected. I had a cough all summer. PSYCHINE proved a great blessing to me. It is a positive cure for Bronchitis."
