All subscriber paying $1.00 strictly in advance get the Montreal Herald one year free as a premium.

An Unpredecented Offer.

Two papers for the price of one is the liberal offer we are able to make our readers by reason of a special arrangement we have completed with the publishers of The Montreal Herald, which enables us to offer that fine family paper and The Advance at ONE DOLLAR for the two. The Montreal Herald was established in 1808, and although the second oldest journal in Canada, possesses all the vigor of youth. It is essentially a paper for the home, paying especial attention to subjects that interest and entertain the various members of the household. One of its best features is the high class fiction which it gives in abounding measure. Two complete stories are printed each week—at present the celebrated copyrighted Sherlock Holmes stories, by Sir A. Conan Doyle, being the special feature The ladies of the family will find a rich budget of reading matter every week, while the farmer has several pages devoted to his especial interests Altogether the Montreal Herald is a paper we can unhesitatingly reccommend to our readers and the offer we make in connection with it is unprecedentedly liberal.

Division Court

Division Court was held in Dundalk on Wednesday of last week before Judge Hatton. There were only two cases and some judgment summonses on the list. The two cases had been adjourned from last court. Heitman v. Irwin was an action on account and had been adjourned from last court. The amount in dispute was $11. Judgment for plaintiff. W. J. Jackson v. W. Boyd and M. Wilson. The latter two gentlemen purchased some hogs from plaintiff. The hogs were delivered but there was a slight dispute as to price, and Jackson sued for a balance of $4.69. Judgment for plaintiff. Two cases were adjourned and one settled out of court, which completed the docket of one of the smallest courts held for some time.

An American Disease.

Some doctors go so far as to say that indigestion is the national disease of America. There is but one national cure for indigestion and that remedy is Dr. Hamilton's Pills which accelerate the action of the gastric glands and give tone to the digestive organs. They strengthen the kidneys and liver, cleanse and purify the blood, and thus add general tone to every organ of the body. Flesh and strength are fast restored and the patient can eat and digest any food he pleases. Test Dr. Hamiltons Pills yourself—25c. per box or five boxes for $1 00 at all dealers.

The old schoolhouse and woodshed of S. S. No. 3 are offered for sale in other columns of this paper.

The Tonic of Health.

Must be more than stimulant—must be a food as well. There is one medicine that is both a food and a tonic—it aids digestion, promotes assimilation, converts food into nutriment that builds up nerves, blood, brain and bone. That tonic is Ferrozone which contains exactly what a run-down system needs. Ferrozone supplies oxygen to purify the blood, phosphorous to develop the brain, iron to harden the muscles. No wonder it makes such vigorous men and women. You'll eat, sleep, think and feel better by using Ferrozone; try it—now. Fifty cents buys a box of fifty chocolate-coated Ferrozone tablets, at all dealers.

Mr. William Rose, the popular waterworks engineer is thanking the stars that he is in the land of the living to day. He had an experience on Tuesday of last week which he will remember as long as he lives. While tapping a water main between Cleland's wheel barrow factory and the Trowbridge street bridge between two and three tons of earth caved in on him, completely covering him up. Fortunately three other men were working on the job, and they at once went to the rescue of the water works engineer. They were only a minute or two in removing the gravel which covered his head but fully ten minutes elapsed before he was extricated. Mr Rose sustained no internal injuries but every bone in his body ached after undergoing the trying ordeal. The engineer says it is about as near to death's door as he wants to get without saying good bye to his earthly relatives and friends.—Meaford Mirror.
