TO THE ELECTORS
Of the West Riding of the County of Northumberland.

GENTLEMEN:

A short time ago, I considered it a duty which I owed to the numerous Reformers of the different Townships forming this Riding, who had expressed their wish that I should come forward as a Candidate at the next Parliamentary Election, to acquaint you with my intention of complying with their request.

Since that period, a Convention has been held in Coburg, and Mr. Sidney Smith has been nominated, by it, as the Candidate on the Reform interest. Such being the case, it has been reported that, in consequence of this nomination, I have withdrawn from the contest.

The truth of this report I wish now distinctly to deny. I have always been, and I hope I shall ever be, desirous of paying the utmost respect to the wishes and opinions of the Electors of the Riding, whether expressed in Convention or otherwise; and in this particular instance,—as I have no selfish objects in view, and as I desire only to aid in securing a Candidate who will be cordially supported by the party—if I felt satisfied that the Delegates represented anything like a Majority of the Liberal party in the Riding, I should most cheerfully give way in favor of their Nominee. But my faith in Conventions is not very strong, and, from the specimens we had of them in 1851, when their really injurious effects upon the true interests of the County were but too apparent, I have been led to believe that they are unfavorably looked upon by a very large majority of the Constituency. I have, therefore, been so urgently requested to allow myself to be put in nomination, and so repeatedly assured by a large number of influential electors, in whose judgment I have every confidence, and for whose favorable opinion of me as a candidate I feel very grateful, that the responsibility of dividing the party will rest with Mr. Smith and his friends, and that I shall receive at the Polls the almost unanimous report of the Reformers, that I feel bound, in justice to my friends, to stand to my original declaration, and to state to you—as I now do—that I shall, until the close of the poll on the last day of the election, be ready to receive your votes.

I am, Gentlemen,
Your obliged servant,
WILLIAM WELLER.

QUEBEC and TORONTO,
(Palace Street.) (Church Street.)

RUSSELL, BROTHERS, grateful for past favors, whereby they have been enabled to extend their business to the Ancient Capitals of both sections of the province, respectfully inform their numerous friends, and particularly the travelling community, that they have made such arrangements for the coming season, as will entitle them to a continuance of the liberal patronage they have hitherto possessed. Their whole study will be to make their patrons feel—whether their stay be long or short—that their Establishments are the embodiment of luxurious comfort and a quiet home.

Both their TORONTO and QUEBEC Establishments are entirely furnished anew, repainted and papered, and refurnished and fitted with Carpets, and Floor Cloths throughout, imported direct to their own order from the Manufacturers.

Their LIQUORS, French, German and English Bonded WINES, and imported ALES and BEERS, &c., have been selected expressly for them by connoisseurs in the different articles in Europe.

They have also secured the services of *Chefs de Cuisine* from the United States, who stand unrivalled in their Art, and their entire staff of Assistants, Stewards, Waiters, &c., have been selected solely with regard to their abilities, attention and civilities.
