A 3-year old son of Mr. Charles Weldrick of Osprey came within an ace of being burned to death on Wednesday of last week. His mother had left him alone in the house for a time while she went out to a back field. The little lad got a stick and began playing with the fire. A spark lit on his blouse near the left shoulder and ignited the cloth. The little fellow ran out where his mother was and by the time he reached her the flesh was badly burned over a surface as large as a man's hand. Fortunately the fire had not been fanned to a flame. Dr. Bond, of Maxwell, was called. The wound is terribly painful but it is thought the little fellow will recover.
