PEIRS' ROCK OIL, or PETROLEUM,
A NATURAL REMEDY, procured from a Well in Alleghany County, Pa., four hundred feet below the Earth's Surface!
The Petroleum is a natural Remedy—it is put up as it flows from the bosom of the earth, without anything being added to or taken from it.
It gets its ingredients from the beds of substances which it passes over in its secret channel. They are blended together in such a form as to defy all human competition. The Petroleum in this respect is like Mineral Waters, whose virtues in most chronic diseases, are acknowledged, not only by Physicians, but by the community at large.
Rheumatism, Neuralgia, White Swelling, Sore Eyes, Deafness, Burns, Scalds and Piles, are all cured by this Natural Remedy.
It is also a sure cure for Chilblains on the feet, and Scratches on Horses.
Full directions accompany each bottle. Price 2s. 6d.
For sale by the principal Druggists in this city.

PUNDERSON'S
CONDITION POWDERS,
For Horses and Horned Cattle.
THE change of weather and season with the change of use and feed, have a very great effect upon the blood and sinuous fluids of horses. It is at these changes they require assistant to nature to throw off any disorder in the fluids of the body that may have been imbibed, and which, if not attended to, will result in the Yellow Water, Heaves, Worms, Botts, &c. All of which will be prevented by giving one of these powders once a year, either Spring or Fall, and will, at any time, cure when any symptoms of disease appears, if used in time. They purify the blood, remove all inflammation and fever, loosen the skin, cleanse the water, and invigorate the whole body, enabling them to do more work with the same feed.
One or two Powders will perfectly cure a recent Founder in 6 or 8 days without having least effect in the feet, if no blood is let, and nothing else done, only to give the powder as directed. Bleeding changes the inflammation acute to chronic, and settles in the feet. In Horse-Distemper, they allay the fever and promote a healthy termination of the disease.
One Powder will in all cases cure the Horn-Distemper in a cow, without boring the horns or doing anything more than to give the Powder as directed for a horse. An ox will some times require a double dose, or 2 Powders.—Every cow should have one Powder given her after calving, it carries off all fever, and cleans her well, and makes her milk good and abundant through the season. Their effect is the same on all Herbivorous animals.

Of these Lots there are are 32 lying between the proposed continuation of UNION and JOHNSON STREETS, and situated on each side of COLLINGWOOD STREET. These Lots are laid out on a gradually ascending ground which offers every advantage of salubrity and prospect, and they front on a well macadamized street.
There are also 30 Lots fronting on Nelson Street, and lying between Johnson and Princess Streets. These lots are also eligibly situated, on high and well drained land and lead directly into Princess Street, the principal avenue of the city.
The remainder of the property consists of seventeen Lots, extending from the North side of Princess Street to the Concession Road, or Rear Street, and lying between the city property and Williamsville.

The lots are offered on the following terms, viz:—One tenth down, and the remainder in nine equal annual instalments, and interest on the unpaid balance. These terms will enable persons of limited income to purchase without inconvenience, the first deposit being so small, and the subsequent payments extending over so long a period.
