

Nov 25/66

ON THE MAIN STREET

Members of the Lindsay Fire Department, as well as fire fighting forces at Cobocok, Kirkfield, Omemee, do more than keep day and night vigilance, they also carry on humanitarian work in various ways and support different community organizations.

One of the greatest humanitarian efforts is in connection with raising funds to help in the research work in connection with the dreadful ailment and affliction of Muscular Dystrophy.

It is because of this appeal that the Firemen are sponsoring next Saturday night in the Academy theatre the repeat presentation of the Gloria Barrett Variety Talent show. The Talent Show attracted a crowded house of some Seven Hundred people. However, this number is only a drop in the bucket when the population of Lindsay and district totals fifteen thousand.

Members of the different Brigades urge, yea coax, citizens to patronize the Show. All funds along this worthy line in Canada and United States are devoted almost one hundred per cent to research work. It may also be said that victims of this terrible affliction may be found in Victoria an Haliburton Counties. The Biblical injunction "Go Ye into all the world and Preach the Gospel and Heal the Sick" is appropriate today.

No collections will be made for the campaign at the show, the only cost to visitors will be the ticket of admission, proceeds from which will be donated to this fund.
