Address and Presentation

Members of the Presbyterian Sabbath School met at the Manse on Tuesday of last week and presented Mr. James Felstead with the following address, accompanied by a gold watch guard:

Mr. Jas. A. Felstead.

Dear Brother,—Your resignation as Superintendent of our Sunday School did not come as a surprise as we knew of your engagement to a larger sphere of labor. Yet it is with feelings of deep regret that we part with you. Ever since you came amongst us you have risen in our estimation. Your devotion in the Master's service, your willingness to undertake at considerable sacrifice, with the expenditure of time and energy with but little recompense except the recompense of a good conscience. God has endowed you with talents as a teacher of others in the highest sphere of education, that of the spiritual, and you have ever been obedient to the Master's command occupy "till I come." But it is as a Sunday School worker that we are met this evening to express our gratitude for the length of time you have been in our Sunday School, especially as superintendent. You by nature are cultured and experienced, well qualified for the work. Our school has prospered under your care in every deprtment. Your congenial manners and considerate ways have been much appreciated by your fellow-workers. In times of perplexity and difficulty your advice has been encouraging and helpful. We will miss you very much but our loss will be gain to the field which God in His all wise Providence has provided for you. Our sympathy and prayers go with you that the great Head of the Church may endow you with power from on high. We also express our appreciation of the help rendered by Mrs. Felstead in our Sunday School. In bidding you farewell we wish to present you with this small token as a remembrance of your work amongst us, and may the God of all grace after you have labored a while give you an abundant entrance into the Kingdom of His dear Son, Jesus Christ.

Retraction.

To All Whom it is may Concern:

I, James Buckingham, having made statements regarding Mr. E. N. Kinnear's standing with regard to the local option by-law, now before the people to be voted on Jan 1, 1906, I having stated to several people that Mr. Kinnear was opposed to the said by law, which statements are being used against Mr. Kinnear in his canvas for the Reeveship of the township of Osprey, and that Mr. Kinnear further considers the same to be injurious to his character and reputation, as he was and is positively not opposed to the Local Option by-law, or any other temperance measure, and I retract any such statements, and am sorry if I have said anything that would in any way injure Mr. Kinnear, either publicly or privately. I might state that I made these statements owing to Mr. Kinnear's refusal to sign the petition to the council to submit local option by-law, more through a misunderstanding, not having any conversation with Mr. Kinnear on the subject.

Witness— James Buckingham.

PSYCHINE

(PRONOUNCED SI-KEEN)

WEAKNESS There is nothing else in the whole world that will bring back the color to the cheek, restore the dormant energies, revive drooping spirits, or put new life into the tired, listless, weakened system, as "PSYCHINE" will do it. There is really only one great tonic, and that is "PSYCHINE." Combining all the properties that make rich, pure blood, bringing back the lost appetite, driving away melancholy, creating new strength.

THIS WILL PROVE IT

Arnprior, Ont., Sept. 16th, 1904.

Dr. Slocum, Limited:

"It's twenty years or more since I used PSYCHINE, and I write these words not to gain publicity, but that suffering and ailing humanity may learn of its great merits. I had felt weak and miserable for a long time; had no appetite, or couldn't obtain proper sleep. Was unable to work or enjoy life. People said I was so old my constitution was breaking up, but, fortunately, through using the Dr. Slocum remedies I have proven this false. PSYCHINE is the only remedy I ever took that agreed with my stomach, which was exceedingly weak. Twenty years have passed since my recovery, and I am now eighty-nine years old, and so strong and well that I work all summer in my garden.
