Industrial Home Notes

(By an Inmate)

John Swanson of Holland township, and Miss Esther Purdy of Artemesia, were admitted as inmates of the Home on the 17th and 19th inst. respectively. The former is a native of Gottenburg, Sweden, is about 68 years of age and badly used up with rheumatism. The latter, with the exception of her fretful countenance, bears a marked improvement in pesonal appearance since her arrival here.

Mr. and Mrs. Simmonds took their departure from the Home to reside with friends in or near Wiarton, on Thursday last.

Mr. Harness went to Owen Sound on Thursday last to attend county council. He returned on Saturday evening.

We are glad to report that Miss Harness is recovering from her recent sudden illness.

Mr. Harness delivered a very touching discourse from II Timothy, 4,7-8. Mr. Ennis took charge of the after part of the meeting, which was intensely impressive. It is gratifying to note that some of the inmates related their experience and the spiritual benefits they had received and were still receiving from these meetings, and it was still more gratifying to observe nearly a dozen more express their desire by rising to their feet on invitation, to henceforth endeavor to lead better lives, by serving God. This is certainly encouraging to the managers, and also to the outside friends who are taking such assiduous and untiring interest in the spiritual welfare of the inmates of this institution. The singing, though fair, was not of its usual spirited and soul-stirring nature, no doubt owing to the absence of an organist and leader. We understand that it is the intention of Messrs. Ennis and Baines to use their united efforts in securing the services of an organist permanently, even though a small salary should be necessary. They also intend to use their efforts in organizing a choir especially for our meetings. We trust their efforts may be crowned with success. Mr Baines was the generous provider of the organ.

Portlaw

On Monday evening a well attended meeting in the interest of Local Option was held in the school house The speakers were Revs. Dr. Caldwell and L. W. Thom, who delivered addresses which were able, logical and above all tempered with wise moderation. If any had doubts before hearing these gentlemen speak as to how they should vote, surely they would go away resolved to put their cross on the upper space of their ballot on Tuesday next. The electors of Artemesia never had any difficulty in choosing between the bars and the boys and we believe they will again be emphatic in their decision for barroom abolition and hotel reform. The eyes of the world, as well as an allseeing eye, are upon us to see what we will do on Tuesday next.

Miss Leila Love attended the matrimonial event at Vandeleur last week.

Miss Annie Jamieson has returned to Toronto.

Mr. James Coutts has removed with his family to New Ontario.

A contingent of about twenty members of Royal Templars from Flesherton fraternized with the council here at its last regular meeting. A very enjoyable and profitable time was spent by visitors and visited. The former proved that they had in their ranks some budding elocutionists and rising orators. They seemed to enjoy the drive immensely and it is said that they all got out of the sleigh at a certain part of the road and walked along admiring the beautiful scenery. The party was chaperoned by Mr. Wm. Clayton.

The Orange Soiree on Wednesday evening last was one of the most successful yet held. Mr. J.G. Carson occupied the chair and introduced a lengthy and varied program. Mr. R. J. Pedlar, the famous comic singer and entertainer gave a number of songs in his inimitable style. Among other numbers were, a duet by the Misses Fisher, instrumental music by S. and G. Pedlar. J. McKee and A. English in which violins, autoharp and mouth organ were brought into masterly requisition. Mr. W. J. White gave a number of phonograph selections Two amusing dialogues were given. A solo by Miss Dora Pedlar, entitled "Don't sell him another drink," was well received as were also two mouthorgan solos by Master Milton Walker Misses Ida Simmons and Tressy McKee gave an exhibition of club swinging in perfect style. The proceeds amounted to over $40.

Feversham.

Farmers here are simply playing checkers with their farms, and just now while they are thinking over the next move, we would out of sympathy advise the councillors of the respective positions of the farmers lest they be calling on a doubtful voter to thank him for his support. Wm. Hudson has sold out to Wm. Hendry for the sum of $5,800. George Hudson has transferred his farm, together with the 30 acres at the head of Peel street, to Edward Hawton for the cash price of $5000. The Hudson brothers intend leaving for the West in the early spring. George Wright has purchased the farm owned by his brother, Elija Wright, and Mr. Edward Hawton has sold his former property, the Davidson farm, for the sum of $3600. William Dand has sold his farm on the tenth concession to Wm. Davidson. Wm. is living in the West, but is back on a little business trip. Now, you implement agents ought to give us a quarter for telling you where the cross dogs are.

Mr. Robert Kells, of Maple Creek, Sask, was the guest of his sister Mrs. A. E. Myles "Springbrook Farm" last week.

Priceville

The "January thaw" which set in on the 20th has stripped the roads bare of snow except where the big drifts were. If the township council would make some arrangement to substitute wire fences at two or three places where the rail fences at present are the sole cause of drifts, there would be a vast improvement in the winter road between here and the station.

The freshet in the Saugeen cut a hole in the dam where the flour mill flume formerly was. The saw and chopping mill are still working however and the damaged portion will be repaired promptly.

A Local option meeting was held in Watson's Hall on the 19th. Rev's. Dr. Caldwell and L. W. Thom of Flesherton delivered fine addresses and received the best of attention. Rev. J. A. Matheson made an earnest appeal for the school scholars of Priceville, some of whom are in danger of ruin by the licensed barrooms of the vicinity Several from Flesherton were present, among whom we noticed F. G. Karstedt and W. H. Bunt.

We expect a large majority for the bylaw on the 6th.

The members of Artemesia Agricultural Society failed to hold their annual meeting at the time appointed in January but Sec. McKinnon has arranged with the government to appoint the 7th Feb. next for the said meeting. We hope the members will attend.

A portion of Pricevile items is held over.—Ed.

Vandeleur

A very pleasing event took place at Orchard Hill farm, the home of Mr, A. Johnston, last Wednesday evening, when his daughter Sara, one of Vandeleur's most estimable young ladies, was united in marriage to Mr. C. H. Hare of Griersville. The ceremony was performed by Rev. J. S. I. Wilson of Markdale, under a floral bell, in the presence of about one hundred guests. The bride was given away by her father and looked very sweet in a beautiful creation of white Point D'Esprit net, trimmed with satin ribbon with drop skirt of spun glass, and carried a boquet of white carnations and maiden hair ferns. The bridesmaid, Miss Ida Osborn of Eugenia, cousin of the bride, looked very dainty in a blue voile with white lace yoke and vest. The groom was ably supported by his cousin, Mr. Boles, of Thornbury. After the ceremony a sumptuous repast was served, six young ladies acting as waitresses, who did their work in a very creditable manner. The presents were numerous and beautiful. The groom's present to the bride was a handsome gold watch and chain and to the bridesmaid a pearl crescent. Miss Dawn of Heathcote played the wedding march. Mr. and Mrs. Hare took the morning train for Sarnia and other points to spend their honeymoon. We wish them a pleasant trip, also bon voyage on their journey of life. After their return they will reside at their home near Griersville.

A very representative meeting was held in the church here on Friday evening in the interests of Local Option. Rev. Thom of Flesherton addressed the meeting, also Mr. P. McCullough of Markdale and others. The arguments were forceful and convincing. We hope there will be abundant good results.

We are sorry to report Mr. S. Bowles sr. who broke his leg recently, not doing very well.

Mrs. Bowles had the misfortune to fall down some steps and was severely shaken up, but is around again.

Buchanan gave their reports of the meeting in Guelph at which they were delegates. A resolution was passed to send a letter of sympathy to the district secretary, Mrs. Clara Myles on the death of her father. The subjects for next meeting are Patchwork and Training of Children. Mrs Baker served unch which it is needless to say was thoroughly enjoyed. Next meeting will be held at Mrs. T. Bolands.

Mrs. W. Richardson is spending a few weeks with her mother, Mrs. Buchanan.

Jordan was taken to Owen Sound on Tuesday morning of last week and received his preliminary hearing before John Rutherford, J. P. Mr. Malcolm, representing Messrs. Gordon, McKay & Co., was present and gave evidence charging Jordan with furnishing a false statement as to his financial standing, on the strength of which a large quantity of goods were secured. Jordan was committed to stand his trial at the sessions of the peace in June. In the meantime he is out on bail himself in $1000 and Mr. George Calder, postmaster at Holstein, for $500.

STRICTURE AND KIDNEY DISEASE CURED.

G. E. WRIGHT.

"I had stricture for eleven years. It finally brought on Bright's Disease of the Kidneys. I had an uncomfortable shooting pain in the groin and feeling as though something was in the urethra. My back was weak and I could scarcely stoop over. Urine was full of sediment. Had a desire to urinate frequently Family doctors, so-called specialists, patent medicines, electric belts, all failed. I was discouraged. I had spent hundreds of dollars in vain. Finally I consulted Drs. Kennedy & Kergan as the last resort. I had heard a great deal about them and concluded from the fact that they had been established over 25 years that they understood their business. I am delighted with the results. In one week I felt better and in a few weeks was entirely cured. Have gained sixteen pounds in weight."
