Will Hold Meetings On Church Union Question

By the action of the last Assembly the Church Union movement has entered upon a new phase, and after a temporary halt for deliberation and planning, the three uniting Churches are going on to consummation of negotiations begun twenty years ago. The period of controversy on the general question was brought to a close with the decisive and final action taken by the supreme courts of the Churches concerned, and the next business is to put the union agreement into effect.

It was with this end in view that representatives of the Methodist, Congregational and Presbyterian Churches from all parts of Ontario met in Wesley Building on October 30. Plans were drawn up for a Province-wide campaign, which will be initiated at Toronto on November 26, when a joint rally will be held in Massey Hall. This meeting will be addressed by the leaders of the three Churches who will at the time have returned from the campaigns in the East and West. These speakers will include Rev. Dr. George C. Pidgeon, Rev. Dr. James Endicott, Rev. Dr. Charles W. Gordon, Rev. Dr. W. T. Gunn, Rev. Dr. S. D. Chown, Principal Gandier, Rev. Dr. J. W. Graham, and others. Addresses will be given telling the story of the movement East and West and presenting the vision and the task that lies before the new Canadian Church at hom and abroad.

Conference will be organized in the larger centres of Ontario, at which the spiritual value of union will be discussed, and inspirational addresses by special speakers will be delivered. These conferences will not be open forums for interminable discussions on the general question of union; information as to the facts will be given, but the supreme purpose of the meetings will be to prepare for the advent of a new era of larger fellowship and service.

God has wonderfully blessed Canada in drawing the members of three distinct denominations together into one communion. To those who have watched the movement for the past decade it is evident that the hand of the Master has led His people thus far to the threshold of great opportunity, and we may be sure He will not lead us astray. His assurance is as trce to-day as when it was first uttered :—"Lo, I am with you alway, even unto the end." In this confidence the uniting Christians of Canada need have no fear in pressing forward.—The Presbyterian Witness of Nov. 15th issue.

THE MIRACULOUS CHRISTMAS GIFT

It's a very nice thing to make a gift that will please all the members of the family. A box of candy will do that or a crate of fruit. But usually some one in the family gets the lion's share. That is not possible when the gift is a subscription to the Youth's Companion. It is like that fabulous pitcher of milk of the Greeks: though everyone drank deep the pitcher remaind full. Everyone has a lion's share in the good things of the Companions; everyone skims his own cream, yet there is the very choicest cream left for the next comer. What better Christmas present can you make than a periodical with such fabulous powers of dividing its pleasure among a dozen and yet keeping it all intact.

The 52 issues of 1924 will be crowded with serial stories, short stories, editorials, poetry, facts and fun-Subscribe now and receive:

Please Return Articles

The articles which were taken from Wm. Scott's barn near Victoria Corners the day of his threshing have not yet been found. The cutter being a necessary article for winter it must soon be restored. The parties who took part in this unnecessary work had no reason for so doing. Wonder if they would be as willing to lend as they are to mislay? We would advise those well-known parties to return all articles taken, in as good repair as they were and save further trouble.—Wm. Scott, Proton Station.
