Mrs. W. W. Trimble and Misses Ethel and Zilla, drove to Owen Sound Wednesday of last week, returning Friday. They attended the Albani concert.

Some more of those inspected seeds just in at Richardson's drug store.

Collingwood has a new weekly paper, the Saturday News. It is a 6-column, 4-page sheet and is well filled with local news and advertising.

See A. S. Thurston's fine souvenir postal cards at the Advance office. 5c each, 6 for 25c.

Mr. Thomas Porteous, of the Collingwood gravel, had the misfortune to lose a valuable horse last week from blood poisoning, caused by running a rusty nail in its foot.

For money at lowest rates, land security, go to A. S. VanDusen, Flesherton.

Mr. W. T. Troyer, of Toronto, and a graduate of the Bible Training School, of that city, is expected to conduct a series of evangelistic services in the Baptist church beginning early in May.

Mrs. Wm. Smith, who has been ill for a long time with consumption, is very low at present. Her daughter, Mrs. Bentham, of Buffalo, arrived at her bedside Monday.

Mr. W. A. Armstrong has purchased R. Trimble's property on Toronto street opposite Munshaw's hotel, consisting of residence, store, old storehouse, etc. The price, we believe, was $2700.

There are now but seven licensed hotels in Centre Grey, and three of these are in Markdale, The others are at Holland Centre, Williamsford, Chatsworth and Desboro. Berkeley license has been withdrawn by the commissioners. Last year there were eighteen licenses in the riding.

Mr. Charley Johnson of Vancouver, B.C., who was visiting his mother at Eugenia, called on The Advance Wednesday of last week. Charley has been prospering in the Pacific province, where he has been residing for the past nine years. Since going west he has been as far north as Skagway in Alaska. He left this week on his return journey.

Mr. Peter Norris has taken a position with F. G. Karstedt.

We notice by a Washington paper an announcement of the marriage of Mr. Geo, Pearson to a Miss Maggie McMaster of Porter, Wash. Mr. Pearson is a native of Artemesia.

The Mission Band at the annual meeting elected the following officers: Pres., Miss Flossie Thurston; 1st Vice Pres., Mrs. Jos. Clinton; 2nd Vice Pres., Miss Lily Boyd; cor. Sec., Miss Lulu Mitchell, rec. sec., Miss Ruby Trimble; Treas., Miss Gertie Bellamy. The Band numbers 58 members, an increase of fourteen over last week.

Mrs. Jane Thompson, who has been failing in health for some time, took suddenly worse last week and her sons, Robert of Powassen and Will of Stouffville, were telegraphed for. The doctor says she may linger for a few weeks but it is only a matter of a short time until the summons will come. Mrs. Thompson is 68 years of age.

Word was received here Saturday of the safety of Miss Carrie Davis, sister of Mc. John Davis of the suburbs, in the San Francisco disaster. Miss Davis had a harrowing time but got safely away with the loss of most of her worldly possessions. A letter has also been received by Mrs. Will Steward from her sister, Mrs. Chas. Kipp of San Jose, announcing her safety.

Mr. W. W. Trimble met with a serious loss Tuesday evening. He left his horse attached to the dray standing for a few minutes in the planing mill yard while he stepped into the factory. The animal walked deliberately into the mill pond taking the dray with it. It was checked up which no doubt caused the accident. It was some time before the outfit could be located owing to the depth of water. It is only a few years since a team committed suicide at this point in an identical manner.

A SAD CASE—Mrs. Will Bentham, of Buffalo, arrived in town Monday to be present at the death bed of her mother. When she left home her little boy, Elmer, 3 years of age, was ill, but was not considered dangerously so, and he was left in charge of his grandmother at Dunkirk. Tuesday at noon, 24 hours after her arrival, Mr. Bentham arrived here to take his wife home, the little boy having died in the meantime. Both parents left by the 5 p.m. train Tuesday for their sorrowful return home. Many friends here extend sympathy.

Mr. John Clark, who went west from Osprey a couple of years ago and settled at Crescent Lake, writes the Advance of date April 19, as follows: "We are busy getting the seed into the ground and the land is in fine condition, but what shall the harvest be? We had great hopes last year, but they were all blighted with about ten minutes of a hail storm. Since coming to this country we have felt that we were in the backwoods badly, as we have had to travel over twenty miles to the nearest town. But relief is at hand. The main line of the G. T. P. is six miles south of us and a branch line of the same road three miles west. So you see we ought to be all right for railroad accommodation very soon. We are in hopes they will be this far to move this year's crop."

Public Accommodation

On the last day of the license year A. Munshaw & Son placed a fence from the outer corner of their barn to the corner of the verandah. This shuts out the shed and pump from use by the public. As an offset to this the following citizens have thrown their stables open to the public, which is welcome them free of charge until such time as the new hotel sheds are open for use :

John A. Heard, stabling.
W. A. Armstrong, stabling.
Dr. E C. Murray, stabling.
W. Moore, harnessmaker, good shed.
The church sheds are also open.

The public is cordially invited to avail themselves of the above. The directors of the new hotel company expect to have stable accommodation for a few teams within the next two weeks. Mr. Myles of Proton is moving the buildings on the lot to their permanent position this week The foresight in floating this company is certainly being demonstrated at the present moment. The stock books are still open and Mr. Armstrong is disposing of it to al who desire to lend a helping hand. Every citizen is interested, either directly or indirectly, in this matter of accommodation, and every man, woman and child who is able should subscribe for at least a small amount of the stock and thus become partners in the work.

Obituary

WILSON—Mr. Thompson Wilson of this place was released from his suffering on Thursday morning last at the age of 50 years. Mr. Wilson was an intense sufferer for several years past. He was born at Lloydtown in King township and came with his parents to Artemesia when nine years of age. Twenty-eight years ago he was married to Miss Cheesman of Stayner, by whom he leaves a family of five children to mourn his departure, viz.: Ben and Willie of Toronto, Annie and Mary at home, and Mrs. Andrew Graham (Laura) of the valley. Mrs. R. J. Pedlar (Ida) died a few years ago. For several years Mr. Wilson was in business at Eugenia and later took possession of the Flesher power here and started the planing mill, which he sold this past winter to Messrs. Blakeley & Boyd. The funeral took place on Saturday to the Meaford Road cemetery. The bereaved widow has the sympathy of a large circle of friends. The deceased gentleman was an enterprising business man and it was largely through his efforts that the Eugenia waterpower was brought before the investing public with satisfactory results.

At about 6.30 this morning fire broke out in the drying kiln of the Seaman—Kent Manufacturing Co. in Meaford. A general alarm was given but before the flames were checked the drying kiln, the boiler and engine room, and a considerable portion of the main building were destroyed. The loss, coming at this busy season of the year, will, no doubt, be heavy to the Company, and a large number of employees will be thrown out of employment until the damaged portion of the building is repaired.—Clarksburg Reflector.

Wild geese in large numbers have passed this way recently, a flock of over thirty going west and north on Thursday evening. One night the week previous one of the McKay boys at Arnott shot a very large goose from a flock that alighted in a field near his home.—Banner

MOTHER, SISTER AND BROTHER

Died of Consumption, but this Linden lady used Psychine and is strong and well

"My mother, brother and sister died of consumption," says Ella M. Cove, of Linden, N.S., "and I myself suffered for two years from a distressing cough and weak lungs. I suppose I inherited a tendency in this direction?

"But thank God I used Psychine and it built me right up. My lungs are now strong. I enjoy splendid health, and I owe it all to Psychine."

Consumption, whether hereditary or contracted, cannot stand before Psychine. Psychine kills the germ, no matter how it attacks the lungs. Psychine builds up the body and makes it strong and able to resist disease. Psychine is an aid to digestion and a maker of pure, rich blood. The greatest giver of general health is
