DR. J. JOHNSTON'S BALSAM OF FIR PASTE.

FOR CONSUMPTION
IN ITS EARLY STAGES,
Coughs, Colds, Croup, Asthma,
LIVER COMPLAINT, &c. &c.

CERTIFICATES.

A Voice from the Buffalo Christian Advocate.

Dr. James Johnston has invented a medicine called "Canadian Compound and Balsam of Fir Paste," which must be popular, because useful in alleviating and curing the complaints it is designed for.

Extract from a letter written by the Rev. John R. Robie, of Buffalo, N. Y.

Dr. James Johnston—Dear Sir:—I am willing to bear testimony in favor of your Canadian Balsam of Fir Paste. I believe you have hit upon the right medicine. Your invaluable Paste acts charmingly on my throat cough and has cured it effectually. I would cheerfully recommend it to all troubled with Coughs, Weak Lungs, &c., &c.

Yours, &c., JOHN R. ROBIE.

Dr. James Johnston—Dear Sir:—We, the undersigned, cheerfully endorse the statement of the Rev. John R. Robie, of Buffalo; and further, we would say boldly that we consider your "Canadian Balsam of Fir Paste" the BEST and SAFEST LUNG AND COUGH MEDICINE now in market, as we all have used it, and found it to give immediate relief, and perform a permanent cure, in all cases of Coughs, Colds, &c. We with confidence recommend your invaluable Balsam to all who are predisposed to Weak Lungs, Coughs, Consumption, &c., &c.

BEWARE OF SPURIOUS IMITATIONS
AND COUNTERFEITS!

As the celebrity of my Balsam has already excited the cupidity of some unprincipled persons to manufacture and put out an imitation. Be sure to inquire for Canadian Balsam, as there are none genuine unless bearing the fac simile of my signature JAMES JOHNSTON

The great success of this Institution in Europe, and the numerous Policies, issued by the different Agencies in Canada, evidently show that the advantages of Life Assurance are daily becoming more and more appreciated by those who feel the necessity of making some provision for their families, or securing the amount of debts due *by* or *to* them in case of premature death.

The income of the Company, independently of the large Subscribed Capital, is about Eighty Thousand Pounds, Sterling, per Annum, and of this a great part is continually accumulating for the payment of losses.

A Party effecting an Assurance with this Company, may, do, so for a fixed sum, payable to his or her death, without participating in the profits, and thereby secure *an immediate Bonus* by not paying more than is absolutely required to provide for the risk.

Among others, the following Improvements on the system usually adopted are recommended to the attention of the Public.

A Table (No. 2) of Increasing Rates of Premium, peculiarly advantageous in cases where Assurances are effected by way of securing loans of debts, "a less immediate payment being required on a Policy for the whole term of life than in any other Office; and the holder having the option of paying a periodically increasing rate, or of having the sum assured diminished, according to an equitable scale of reduction.

"A Table (No 4) of Decreasing Rates of Premium, on a novel and remarkable plan; the Policy-holder having the option of discontinuing the payment of all further Premiums after TWENTY, FIFTEEN, TEN, and even FIVE years, and the Policy still remaining in force,—if the first case for the full amount originally assured, and in either of the three other cases, for a portion of the same according to a fixed and equitable scale endorsed upon the Policy.

All claims payable within THREE MONTHS after proof of death

No proof of Birth is required at the time a claim is made; the age of the Assured being, in every case, admitted in the Policy, cannot, under any circumstance, be afterwards called in question.

Policies effected by Parties on their own lives are not rendered void in case of death by Duelling or the hands of Justice. In the event of suicide, if the Policy be assigned to a *bona fide* Creditor, the sum assured will be paid without deduction; if the Policy be not assigned, the full amount of Premiums received thereon will be returned to the family of the Assured.

The necessary forms, and every requisite information, as to the mode of effecting Assurances, may be obtained either by letter or personal application to

PRACTICAL EXPERIENCE OF DR. GRIEG, IN CONSUMPTION.

Magdeburg, 16 Sep., 1853.

My wife, having suffered for years from a pulmonary complaint, became so ill at the beginning of this year, that I looked daily for her dissolution. The remedies which hitherto had relieved her remained now without effect, and the ulcerations of the lungs and night sweats debilitated her fearful. It was in this, evidently the last and hopeless stage of pulmonary consumption, when every Medicine remained powerless in even affording temporary relief—that I was induced by a medical brother from Hanover, who makes pulmonary consumption his special study, and treats it with Du Barry's Revalenta Arabica, to try this strengthening and restorative food, and I am happy to be able to express my astonishment at its effects. My poor wife is now in as perfect a state of healthas ever she was, attending to her household affairs and quite happy. It is with pleasure and the most sincere gratitude to God for the restoration of my wife, that I fulfil my duty of making the extraordinary efficacy of Du Barry's Revalenta, in so fearful a complaint, known; and to recommend it to all other sufferers. GRIEG, M. D.

CERTIFICATE FROM DR. GATTIKER.

Zurich, 3rd September, 1853.

I have tried Du Barry's Revalenta Arabica for a complaint which had hitherto resisted all other remedies—viz.: CANCER OF THE STOMACH; and I am happy to say, with the most successful result. This soothing remedy has the effect, not only of arresting the vomiting, which is so fearfully distressing a cancer of the stomach, but also of restoring perfect digestion and assimilation. The same satisfactory influence of this excellent emedy I have found in all complaints of the digestive organs; it has also proved effectual in a most obstinate case of habitual flatulence and colic of many years standing. I look upon this delicious Food as the most excellent restorative gift of nature.

DR. GATTIKER.

Plymouth, May 9th, 1851.

For the last ten years I have been suffering from dyspepsia, headaches, nervousness, low spirits, sleeplessness, and delusions, and swallowed an incredible amount of medicine without relief. I am happy to say that your Food has cured me, and I am now enjoying better health than I have had for many years past.

J. S. NEWTON.

Devon Cottage, Bromley,
Middlesex, March 31, 1849.

GENTLEMEN,—The lady for whom I ordered your food is six months advanced in pregnancy, and was suffering severely from indigestion, constipation, throwing up her meals shortly after eating them, having a great deal of heartburn, and being constantly obliged to have recourse to physic or the enema, and sometimes to both. I am happy to inform you that your food produced immediate relief. She has never been sick since, had no more heartburn, and the functions are more regular, &c.

DR. WURZER'S TESTIMONIAL.

Bonn, 19th July, 1853.

This light and pleasant Farina is one of the most excellent, nourishing, and restorative remedies, and supersedes, in many cases, all kinds of medicines. It is particularly useful in confined habit of body, as also in diarrhœa, bowel complaints, affections of the kidney der, such as stone or gravel; inflammation and cramp of the urethra, cram kidneys and bladder, strictures and h holds. This really invaluable remedy is ployed with the most satisfactory result, only in bronchial and pulmonary complain where irritation and pain are to be removed, but also in pulmonary and bronchial consumption in which it counteracts effectually the troublesome cough; and I amenable with perfect truth to express the conviction that Du Barry's Revalenta Arabica is adapted to the cure of incipient hectic complaints and consumption.
