TO THE CITIZENS OF KINGSTON.

IMPORTANT NOTICE.

E. W. PALMER would respectfully inform the Public that he has secured the Agency of Professor James McClintock's family Medicines, of which he has just received a full supply and which he is prepared to furnish wholesale and retail at the Proprietor's prices. Professor McClintock's fame as an eminent Physician needs no comment here. His medicines are the prescriptions adopted in his private practice and as such are invaluable in all cases where it is inconvenient to call in a physician.

Their sale has been unprecedented in the United States, where they have effected thousands of cures and no case of failure is yet recorded. At this season we would call especial attention to one of the most remarkable of the remedies, namely:—

Dr. McClintock's Pectoral Syrup

the best and safest Medicine ever used for BRONCHITIS, CONSUMPTION, And all Diseases of the Lungs and Air Passages. For any of these forms of disease, showing themselves in

COUGH, TICKLING OF THE THROAT, SENSE OF TIGHTNESS

in the Throat or Chest, spitting of Blood difficulty of Breathing, Hoarseness or loss of Voice, Hectic Fever, Night Sweats, &c This great remedy is unparalleled for success in the above complaints. It purifies the blood of all scrofulous taint; it heals ulceration; it destroys tubercles in the lungs; it regulates the bowels, checks night sweats and strengthens the stomach; it stimulates the vital powers, and gives vigor to the whole system; it quiets nervous excitement, relieves pain in the chest, soothes the cough, promotes expectoration, and at the same time affords a delicate nrishment. It contains no opium in any form, and agrees perfectly with the most delicate patient.

Dr. McClintock's Pectoral Syrup is put up in elegant Flint Glass Bottles, containing one pint each, and is sold at only 5 shillings per bottle, or six bottle for £1 5s.

A most important article at this changeable season is also

Dr. McClintock's Cold and Cough Mixture.

Colds and recent Coughs especially if accompanied by fever or inflammatory excitement, require a remedy different in character from the Pectoral Syrup, which is so valuable in chronic complaints. The

Cold and Cough Mixture.

Is precisely the cure for recent Coughs and Irritation of the Throat and Lungs. It is

ESPECIALLY VALUABLE FOR CHILDREN

As a preventive of Croup. No family in our climate should be without this efficient remedy, which, if taken on the first symptoms of cold, would prevent many an attack of Bronchitis, and a

FATAL ISSUE IN CONSUMPTION.

It is put up in neat flint glass bottles, and is sold for fifteen pence a bottle.

☞ No Opium in any form contained in this Mixture.

Dr. McClintock's Remedies for Rheumatism, Neuralgia, &c.

These excruciating diseases are radically cured by taking Dr. McClintock's Rheumatism Mixture in doses of a teaspoonful three times a day. We have seen the worst cases relieved by it in 24 hours. For external use we have never known so powerful and penetrating an application as Dr. McClintock's Rheumatic Liniment. For swelled limbs, bruises, internal pains, cramps, chilblains, stiff joints, toothache, and other painful complaints where we have seen it tried, it acts with magical effect. These remedies are sold at two shillings and sixpence per bottle.

Mr. McClintock's Dyspeptic Elixir.

Headache, Dizziness, Heartburn, Palpitation, and all the disagreeable symptoms arising from imprudence in diet, or from indigestion, may be promptly cured by Dr. McClintock's Dyspeptic Elixir, the result of thirty years experience in medical practice. This is now for the first time made public, though it has cured thousands of cases of confirmed Dyspepsia. Price in Bottles, 5 shillings.

Dr. McClintock's Tonic Alternative Syrup.

This remedy is not only delightful to the taste, but perfectly safe and rapid in its effects. It stimulates the liver and other glands to natural action, gives tone and new vigor to all the functions, and enables them to throw off all morbid and unhealthy accumulations.

During the extensive practice of Professor McClintock, one of the most celebrated Physicians in Philadelphia, thousands of cases of Scrofula, Erysipelas, Scurvy, Salt Rheum, Tetter, Skin Diseases, of all kinds, Ulcers, Cancers, Pimples, Boils, and Rheumatism, together with Syphilitic and Mercurial diseases in all stages, were cured by the free use of Dr. McClintock's Tonic Alternative Syrup. For children it is perfectly safe, and from its pleasant taste can be easily given. Those who are troubled with any of the above complaints, should take it regularly, Spring and Fall. Price 5 shilings, in large bottles. Six bottles for £1 5s.

Dr. McClintock's Rheumatic Mixture.

A purely vegetable remedy for internal use, for the cure of Rheumatism, Gout, &c. Price two shillings and sixpence.

Dr. McClintock's Rheumatic Liniment.

For Rheumatism, Sprains, Bruises, Swellings, &c. Price two shillings and sixpence.

Dr. McClintock's Anodyne Mixture.

For the instant relief of all pains, as Toothache, Headache, Neuralgia, &c. Price two shillings and sixpence.

Dr. McClintock's Fever and Ague Specific.

A rapid and certain cure for all intermittents, Price five shillings.

Dr. McClintock's Vegetable Purgative Pills.

A mild, safe and thorough medicine for Costiveness, headache, &c. Price per box, fifteen pence.

Dr. McClintock's Anti-Bilious Pills.

For irregularity in the functions of the liver and bowels. Per box fifteen pence.

Dr. McClintock's Asthma and Whooping Cough Remedy.

☞ Whooping Cough Cured.—This distressing disease is thoroughly and quickly cured by Dr. McClintock's Asthma and Whooping Cough Remedy. It contains no opium, and can be given to children with perfect safety. A few drops at bed time quiet the cough all night, and a few doses cure entirely. Price, 2 shillings and six pence a bottle.

The above Medicines prepared under the direction of Professor James McClintock, late President of the Philadelphia (United States) College of Medicine, &c., from the purest and freshest materials, are strongly recommended to the afflicted. They may be procured in Kingston, of E. W. Palmer, also of S. H. Parker & Co., who are the only authorised agents for the City of Kingston. 281.

NOTICE.

THE Executive Committee for the Paris Exhibition have deemed it important to disseminate through Europe fuller information than is generally to be found in published Works upon the industrial condition and capabilities of the Province, and have therefore decided upon offering for public competition three prizes of £160, £60 and £40 for the three best essays on Canada and its resources, its Geological Structure, Geographical features, Natural Products, Manufactures, Commerce, Social, Educational, and Political Institutions, and general statistics.

In the treatment of the subject regard is to be had to the facilities for transport both of goods and passengers between the mouth of the St. Lawrence and the regions of the West, and to a comparison of these facilities as to cost and distance with those offered by other routes.

Persons desirous of competing for the above prizes must send in their essays either in the French or English languages, to the undersigned on or before the 15th February next. Each essay to have a motto, a duplicate of which must be inscribed on a Sealed Envelope, containing the name of the author, and must accompany the essay.

The copy right of Prize Essays will be considered the property of the Committee.

Practical utility, and comprehensiveness combined with conciseness, will be among the chief considerations on which the awards of the Judges will be based.

BY-LAW NO. 1.

For regulating the annual election of Directors of the Kingston and Portland Road Company.

Passed 15th November, 1854.

WHEREAS, by an Act of the Parliament of the Province of Canada, passed in the sixteenth year of the Reign of Her Majesty, Queen Victoria, entituled, 'An Act to amend and consolidate the several Acts for the formation of Joint Stock Companies for the construction of Roads and other works in Upper Canada,' after repealing certain Acts therein mentioned, it enacts, 'That the affairs, stock, property and concerns of any Company which should or might be formed under the provisions of the said above recited Act, should for the first year be managed and conducted by five Directors, to be named in the Instrument to be registered as by the said Act required, and thereafter to be annually elected by the stockholders on the second Monday of December in each and every year, according to the Provisions of a By-Law to be passed by the Directors for that purpose.'

And whereas, it is expedient and necessary to pass a By-Law for the purpose of electing Directors of the Kingston and Portland Road Company, formed under the provisions of the said last mentioned Act.

Be it therefore enacted by the President and Directors of the Kingston and Portland Road Company, that the meeting of the Stockholders of said Company, required by said Act, be held on the second Monday in each and every year for the election of five Directors of said Company, shall be held at Davidson's Inn, in the Township of Kingston, at the hour of two o'clock in the afternoon. And it is further enacted, that the names of the several Stockholders proposed at such election for Directors, shall be set down in a book to be kept for that purpose, opposite to which the names of the several Stockholders voting at the said election shall be entered, and the votes of the several Stockholders for each Candidate shall be entered in the several columns under the names of the Candidates for whom they are given, together with the number of votes which each Stockholder shall be entitled to give, and at the close of such election the scrutineers to be appointed by a majority of the Stockholders present, shall sum up the number of votes given to each Candidate, and the Candidates who shall have received the greatest number of votes, shall be declared elected as Directors of the said Company for the year expiring on the second Monday of December following their election, and the majority of such Directors shall form a quorum.

And it is further enacted, that no Stockholders shall be entitled to vote at such annual election by proxy, but that each and every Stockholder desiring to vote at such election, shall be personally present, and declare the names of the parties for whom he intends to vote at such election.

And be it enacted, that the Directors so elected as aforesaid, shall at a meeting to be called immediately for such purpose, proceed to the election of a President, who shall be one of such Directors.

SCHUYLER SHIBLEY,
President.

BY-LAW NO. 1.

For regulating the Annual Election of Five Directors for managing and conducting the Affairs, Stock, Property and Concerns of the Kingston, Pittsburgh and Gananoque Joint Stock Road Company.

Passed the 4th day of November, 1854.

WHEREAS, by an Act passed by the Parliament of this Province, in the sixteenth year of the reign of Her Majesty Queen Victoria, intituled "An Act to amend and consolidate the several Acts for the formation of Joint Stock Companies for the construction of Roads and other works in Upper Canada," it is enacted, after repealing certain Acts therein mentioned, that the affairs, stock, property and concerns of every such Company which should or might be formed under the provisions of the said act, or which should have been formed under the provisions of the said acts mentioned in the preamble of the said act, and thereby amended or repealed, should for the first year be managed and conducted by Five Directors, to be named in the instrument to be executed and registered, as in said act directed, and thereafter to be annually elected by the Stockholders on the second Monday in December in each and every year, according to the provisions of a By-Law to be passed by the Directors for that purpose.

And whereas it is expedient and necessary that such By Law as aforesaid should be passed as required—

Be it therefore enacted by the President and Directors of the Kingston, Pittsburgh and Gananoque Joint Stock Road Company, that the Annual Election of Five Directors as aforesaid, by the Stockholders of the said Company, shall be held on the Second Monday in December in each and every year, as provided by the said Act.

Secondly—That the Secretary of the said Company, or in his absence, such person as may be appointed, shall enter and take down the votes at such election in a poll book, in which the names of the several candidates proposed at such election shall be entered and written over different columns therein, and the name of each voter and the number of shares he holds shall be entered in the said poll book, and opposite to this the person taking down and entering the votes shall enter in the columns of the candidates for whom such voter shall vote, the number of his votes for each of such proposed candidates for whom he may vote; and at the close of the poll or election, the Secretary, or other person as as a foresaid, shall sum up the number of votes given to each candidate, and the five candidates who shall have received (in their respective columns) the greatest number of votes shall then be declared elected as directors, for managing and conducting the affairs, stock, property and concerns of the said Company for the year ending to Second Monday of December, following the said election.

Thirdly—That such election of Directors shall be held at the Village of Bartlefield, at such place in said village as may be intimated in a notice thereof to be published.

Fourthly—That the hour for holding such election shall be two of the clock in the afternoon of the day upon which such election shall be held, and that such election shall continue until four of the clock in the afternoon of the same day, unless a period of one half hour shall have at any time elapsed without a vote being taken, in which case the said election may be closed, and the result declared.

Fifthly—That upon the election of such five Directors as aforesaid, they shall immediately proceed to elect one of their number as President of the said Company, which said President shall be elected by a majority of the said Directors.

AYER'S PILLS.

FOR ALL THE PURPOSES OF A

Family Physic!

There has long existed a public demand for an effective purgative Pill which could be relied on as sure and perfectly safe in its operation. This has been prepared to meet that demand, and an extensive trial of its virtues has conclusively shown with what success it accomplishes the purpose designed. It is easy to make a physical *Pill*, but not so easy to make the best of all *Pills*—one which should have none of the objections, but all the advantages of every other. This has been attempted here, and with what success we would respectfully submit to the public decision. It has been unfortunate for the patient hitherto that almost every purgative medicine is acrimonious and irritating to the bowels. This is not. Many of them produce so much griping pain and revulsion in the system as to more than counterbalance the good to be derived from them.—These *Pills* produce no irritation or pain, unless it arises from a previously existing obstruction or derangement in the bowels. Being purely vegetable, no harm can arise from their use in any quantity; but it is better that any medicine should be taken judiciously. Minute directions for their use in the several diseases to which they are applicable are given on the box. Among the complaints which have been speedily cured by them we may mention Liver Complaint, in its various forms of Jaundice, Indigestion, Languor and Loss of Appetite, Listlessness, Irritability, Bilious Headache, Bilious Fever, Fever and Ague, Pain in the Side and Loins, for in truth, all these are but the consequence of diseased action of the liver. As an aperient, they afford prompt and sure relief in Costiveness, Piles, Colic, Dysentery, Humors, Scrofula and Scurvy, Colds, with soreness of the body, Ulcers and impurity of the blood; in short, any and every case where a purgative is required.

They have also produced some singularly successful cures in Rheumatism, Gout, Dropsey, Gravel, Erysipelas, Palpitation of the Heart, Pains in the Back, Stomach and side. They should be freely taken in the spring of the year, to purify the blood and prepare the system for the change of season. An occasional dose stimulates the stomach into healthy action, and restores the appetite and vigor. They purify the blood, and, by their stimulant action on the circulatory system, renovate the strength of the body, and restore the wasted or diseased energies of the whole organism. Hence an occasional dose is advantageous even though no serious derangement exists; but unnecessary dosing should never be carried too far, as every purgative medicine reduces the strength, when taken to excess. The thousand cases in which a physic is required cannot be enumerated here, but they suggest themselves to the reason of every body; and it is confidently believed this pill will answer a better purpose than anything which has hitherto been available to mankind. When their virtues are once known the public will no longer doubt what remedy to employ when in need of a cathartic medicine.

Being sugar wrapped, they are pleasant to take, and being purely vegetable, no harm can arise from their use in any quantity.

THE FAR FAMED MEDICINE

Holloway's Pills.

SURPRISING CURE OF A CONFIRMED ASTHMA, AFTER FIVE YEARS' SUFFERING.

The following Testimonial has been sent to Professor Holloway, by a Gentleman named Middleton, of Scotland Road, Liverpool.

SIR,—Your Pills have been the means, under Providence, of restoring me to sound health after five years of severe affliction. During the whole of that period, I suffered the most dreadful attacks of Asthma, frequently of several weeks' duration, attended with a violent cough, and continual spitting of phlegm intermixed with blood. This so shook my constitution that I was unfitted for any of the active duties of life. I was attended by some of the most eminent medical men of this town, but they failed to give me the slightest relief. As a last remedy I tried your Pills, and in about three months they effected a perfect cure of the disease, totally eradicated the cough, and restored tone and vigor to the chest and digestive organs.

I am, Sir, your obedient Servant,
(Signed) B. MIDDLETON.

Dated Jan. 1st, 1853.

A PERMANENT CURE OF A DISEASED LIVER OF MANY YEARS' DURATION.

Copy of a Letter from Mr. Gamis, Chemist, Yeovil, to Professor Holloway.

Dear Sir,—In this district your Pills command a more extensive sale than any other proprietary medicine before the public. As a proof of their efficacy in Liver and Bilious Complaints I may mention the following case: A lady of this town with whom I am personally acquainted for years was a severe sufferer from disease of the Liver and digestive organs; her medical attendant assured her that he could do nothing to relieve her sufferings, and it was not likely she could survive many months. This announcement naturally caused great alarm among her friends and relations, and they induced her to make a trial of your Pills, which so improved her general health that she was induced to continue them until she received a perfect cure. This is twelve months ago, and she has not experienced any symptoms of relapse, and often declares that your Pills have been the means of saving her life.

I remain, Dear Sir, yours truly,
Nov. 23rd, 1853. (Signed) J. GAMIS.

An Astonishing Cure of Chronic Rheumatism, after being discharged from the Hospital Incurable.

Copy of a Letter from Mr. W. Moon of the Square, Winchester.

TO PROFESSOR HOLLOWAY,

SIR,—I beg to inform you that for years I was a sufferer from Chronic Rheumatism, and I was often laid up for weeks together by its severe and painful attacks. I tried every thing that was recommended, and was attended by one of the most eminent Surgeons in this town; but obtained no relief whatever, and fearing that my health would be entirely broken up, I was induced to go to the County Hospital, where I had the best medical treatment the Institution afforded, all of which proved of no avail, and I came out no better than I went in. I was then advised to try your Pills, and by persevering with them was perfectly cured, and enabled to resume my occupation, and although a considerable period has elapsed I have felt no return whatever of the complaint.

I am, Sir, your obliged Servant,
(Signed) W. MOON.

An Extraordinary Cure of Dropsy, after Suffering for Eighteen Months.

Copy of a Letter from Mr. G. Briggs, Chemist, Goole, dated February 15th, 1853.

TO PROFESSOR HOLLOWAY,

SIR,—I have much pleasure of informing you of a most surprising cure of Dropsy, recently effected by your valuable medicines. Captain Jackson of this place, was afflicted with Dropsy for upwards of eighteen months, to such an extent that his body and limbs to be much swollen, and water oozed as it were from his skin, so that a daily change of apparel became necessary, notwithstanding the various remedies tried, and the different medical men consulted, all was of no avail, until he commenced using your Pills, by which, and a strict attention to the printed directions, he was effectually cured, and his health perfectly re-established. If you deem this worthy of publicity, you are at liberty to use it.

I am, Sir, yours respectfully,
(Signed) G. BRIGGS.
