A Truth Plainly Put.

Recently a church congregation in a little town built a church. To pay for it they were obliged to call upon the merchants of the community for donations. The merchants responded sliberally, and $300 was raised from this source. The last man to subscribe was John Smith, merchant. "I will give you $5 if you will let me add something to your subscription list," he said. Permission was accorded him and he wrote on the list:

John Smith, merchant	$5.00
Simpson & Co	0
T. Eaton & Co	0

The church people saw the point when the minister read from the pulpit the list of donors to the building fund. Since the dedication of that church there have been no mail orders sent out from that little town.

Sore Nipples.

A cure may be effected by applying Chamberlain's Salve as soon as the child is done nursing. Wipe it off with a soft cloth before allowing the child to nurse. Many trained nurses use this salve with the best results. Price 25 cents per box. Sold by W. E. Richrdson and H. L. Douglass.

About 500 cords of wood were burned in Melancthon station yard one day last week.

There are only four prisoners at present in the county goal at Owen Sound. This is the smallest number since the goal was built.

Albert Stewart, the alleged attempted murderer of James Morrison, of Leith, was committed for trial in Owen Sound last week. Morrison positively identified his assailant.

A very sad ad accident happened at the C. P. R. Station, Orangeville. Frank, the seven year old son of John Ridley, while playing with some companions was pushed in front of a moving engine and had his foot completely severed.

The Local Option By-law, which was passed in January last at Oakville, was quashed by Chief Justice Meredith owing to some technical irregularities. On the Thursday following the license commissioners for Halton granted licenses to the two hotels in the town.

Wm. Davidson, the Walkerton brewer, was to pay $1,200 damage to Miss Ellen Barton, of Owen Sound, as a result of a breach of promise suit heard at Brampton early this month, has left Walkerton and nobody appears to know where he is, although rumor has it that he is in the States. Of course, the $1200 remains unpaid, but Davidson is said to be well off and has plenty of property in Walkerton, and it is said, will eventually return. Miss Barton is in town at present—O. S. Sun.

As workmen were raising a barn in Beeton the other day they discovered five bags in which were a lot of cigars, a large quantity of pins, spools of cotton and linen and a valise. The stuff is supposed to have been stolen from a peddler's waggon five or six years ago, but what became of the theif or who he is was a mystery.

Tobias Adams, a young man 21 years of age, formerly of Orangeville, was assisting another man named McGregor to blast some stones at Inglewood recently. A charge of explosive went off prematurely and one hand was completely blown off and his face was also injured. His death was instantaneous. The other man was standing a few feet away and was badly injured about the face, but will recover. Adams was frequently warned by his brothers to be careful about blasting, but he had done a lot of it and got to be a trifle careless.

Tuesday afternoon of this week furnished an exciting runaway in Thornbury when a team belonging to White & Johnston of Kolapore, and driven by Eddie Willett ran away. They started on their mad career just behind the Revere House stables and hauled a lumber waggon over large rocks until they struck the stone fence back of Mr. Robert Clarke's residence. Here one of the horses stumbled and the result was a broken leg, which put a stop to any further canter. Yesterday afternoon Messrs. Bert Isaacs and Chas. Lougheed dug a grave, shot the animal and laid him peacefully away on the shore of the Georgian Bay. The horse was worth $150, which means a heavy loss at this season of the year.—Reflector.

FROST FENCE is the cheapest you can buy

The first cost may be more—but the first cost is the only cost.
Suppose one fence costs $40, and lasts, say, for 8 years. That fence costs you $5 a year.
Suppose the same length of Frost Fence costs $65. But the Frost Fence—made of High Carbon Steel Wire and locked with the Frost Lock—lasts for 25 years—at a cost of only $2 a year.
Isn't the Frost the cheapest you can buy? Frost Fences are for sale by
