BY-LAW NO. 1.

For regulating the annual election of Directors of the Kingston and Portland Road Company.

Passed 15th November, 1854.

WHEREAS, by an Act of the Parliament of the Province of Canada, passed in the sixteenth year of the Reign of Her Majesty, Queen Victoria, entituled, 'An Act to amend and consolidateth e several Acts for the formation of Joint Stock Companies for the construction of Roads and other works in Upper Canada,' after repealing certain Acts therein mentioned, it enacts, 'That the affairs, stock, property and concerns of any Company which should or might be formed under the provisions of the said above recited Act, should for the first year be managed and conducted by five Directors, to be named in the Instrument to be registered as by the said Act required, and thereafter to be annually elected by the stockholders on the second Monday of December in each and every year, according to the Provisions of a By-Law to be passed by the Directors for that purpose.'

And whereas, it is expedient and necessary to pass a By-Law for the purpose of electing Directors of the Kingston and Portland Road Company, formed under the provisions of the said last mentioned Act.

Be it therefore enacted by the President and Directors of the Kingston and Portland Road Company, that the meeting of the Stockholders of said Company, required by said Act, be held on the second Monday in each and every year for the election of five Directors of said Company, shall be held at Davidson's Inn, in the Township of Kingston, at the hour of two o'clock in the afternoon. And it is further enacted, that the names of the several Stockholders proposed at such election for Directors, shall be set down in a book to be kept for that purpose, opposite to which the names of the several Stockholders voting at the said election shall be entered, and the votes of the several Stockholders for each Candidate shall be entered in the several columns under the names of the Candidates for whom they are given, together with the number of votes which each Stockholder shall be entitled to give, and at the close of such election the scrutineers to be appointed by a majority of the Stockholders present, shall sum up the number of votes given to each Candidate, and the Candidates who shall have received the greatest number of votes, shall be declared elected as Directors of the said Company for the year expiring on the second Monday of December following their election, and the majority of such Directors shall form a quorum.

And it is further enacted, that no Stockholders shall be entitled to vote at such annual election by proxy, but that each and every Stockholder desiring to vote at such election, shall be personally present, and declare the names of the parties for whom he intends to vote at such election.

And be it enacted, that the Directors so elected as aforesaid, shall at a meeting to be called immediately for such purpose, proceed to the election of a President, who shall be one of such Directors.

BY-LAW NO. 1.

For regulating the Annual Election of Five Directors for managing and conducting the Affairs, Stock, Property and Concerns of the Kingston, Pittsburgh and Gananoque Joint Stock Road Company.

Passed the 4th day of November, 1854.

WHEREAS, by an Act passed by the Parliament of this Province, in the sixteenth year of the reign of Her Majesty Queen Victoria, intituled "An Act to amend and consolidate the several Acts for the formation of Joint Stock Companies for the construction of Roads and other works in Upper Canada," it is enacted, after repealing certain Acts therein mentioned, that the affairs, stock, property and concerns of every such Company which should or might be formed under the provisions of the said act, or which should have been formed under the provisions of the said acts mentioned in the preamble of the said act and thereby amended or repealed, should for the first year be managed and conducted by Five Directors, to be named in the instrument to be executed and registered, as in said act directed, and thereafter to be annually elected by the Stockholders on the second Monday in December in each and every year, according to the provisions of a By-Law to be passed by the Directors for that purpose.

And whereas it is expedient and necessary that such By Law as aforesaid should be passed as required—

Be it therefore enacted by the President and Directors of the Kingston, Pittsburgh and Gananoque Joint Stock Road Company, that the Annual Election of Five Directors as aforesaid, by the Stockholders of the said Company, shall be held on the Second Monday in December in each and every year, as provided by the said Act.

Secondly—That the Secretary of the said Company, or in his absence, such person as may be appointed, shall enter and take down the votes at such election in a poll book, in which the names of the several candidates proposed at such election shall be entered and written over different columns therein, and the name of each voter and the number of shares he holds shall be entered in the said poll book, and opposite to this the person taking down and entering the votes shall enter in the columns of the candidates for whom such voter shall vote the number of his votes for each of such proposed candidates for whom he may vote; and at the close of the poll or election, the Secretary, or other person as as aforesaid, shall sum up the number of votes given to each candidate, and the five candidates who shall have received (in their respective columns) the greatest number of votes shall then be declared elected directors for managing and conducting the affairs, stock, property and concerns of the said Company for the year ending the Second Monday of December, following their said election.

Thirdly—That such election of Directors shall be held at the Village of Barriefield, at such place in said village as may be intimated in a notice thereof to be published.

Fourthly—That the hour for holding such election shall be two of the clock in the afternoon of the day upon which such election shall be held, and that such election shall continue until four of the clock in the afternoon of the same day, unless a period of one half hour shall have at any time elapsed without a vote being taken, in which case the said election may be closed, and the result declared.

Fifthly—That upon the election of such five Directors as aforesaid, they shall immediately proceed to elect one of their number as President of the said Company, which said President shall be elected by a majority of the said Directors.

THE NEW YORK TRIBUNE.

DAILY.....$6.
SEMI-WEEKLY.....$3. WEEKLY.....$2.

Always in Advance.

THE WEEKLY TRIBUNE commences its XIVth annual volume with the month of September—commences it with a circulation (11,000) larger than was ever before accorded to any general newspaper whatever. This circulation has been gradually and laboriously attained by concentrating upon THE TRIBUNE the best efforts of many editors and correspondents, and by a greater liberality of outlay in each department than was probably ever before risked on any journal. It has been attained not by sailing smoothly in the current of Opinion before the wind and basking in the smiles of majorities, but by an earnest, fearless devotion to Truth and Progress as above all partisan exigencies, all temporary interests, all momentary illusions of popularity and success. Its thorough advocacy of Temperance and Liquor Prohibition, of Justice to the despised and down-trodden, and of the equal and inalienable Rights of the Human Race, irrespective of Sex or Creed or Colour, have from time to time repelled many sunshine friends, whose prejudices or seeming interests were thereby contravened, but have combined to form a character which it will endeavor to maintain, and assign it a position among journals which we feel that it will be henceforth a success not to impair.

The leading ideas to which THE TRIBUNE is devoted may be briefly set forth as follows: 1. FREEDOM, to do whatever is essentially right—not alone for white Americans, or Anglo-Saxons, or Caucasians even—not for one Race to determine whether they will or will not hold another Race in abject bondage—but for every Race and Nation, and every adult rational human being. This Freedom is rightfully absolute in the broad domain of Opinion, and involves the equal and imperative right to Political Franchises: 2. ORDER, or the necessary right of the legally indicated majority to interdict in the sphere of Action all practices which it deems demoralizing, therefore prejudicial to the common weal; 3. BENEFICENCE, or the wisdom and policy of employing the resources and credit of the community to accomplish works of general and unquestioned utility, to which individual means are inadequate or which, though eminently conducive to the public good, do not promise to reimburse by their direct income the outlay required for their construction: 4. INDUSTRIAL DEVELOPEMENT, as the cornerstone of a true and benignant National Policy, counting the naturalization of a new and valuable art or product of the soil as more important than the acquisition of a fresh province or island and equally within the legitimate sphere of National concern and National effort: 5. PEACE, as a vital condition of true Progress, to be cherished by the most anxious, assiduous study to proffer as readily as we are prone to require redress for every wrong, and never to surrend redress except at the call of endangered Liberty. Such are the chief landmarks by which THE TRIBUNE directs its course.

But a small portion of THE TRIBUNE is allotted to what is currently distinguished as light reading: but Reviews of New Books of decided interest, with choice extracts illustrating their quality, are freely given, while the great body of our paper is devoted to a lucid and careful digest of the News of the Day, with Editorial comments thereon. We have reliable Correspondents in each quarter of the globe, and in nearly all the principal cities of Europe and America, and their letters will aid our readers to a clearer understanding of the causes which are now gradually converting the Old World into one gigantic arena for the death-struggle of rival interests, passions and ambitions.

THE TRIBUNE contains reliable reports of the Markets. Our Cattle Market reports alone are worth more than the price of the paper to those who are engaged in raising and selling Cattle.

No paper involving so great expenses as our Weekly and Semi Weekly could be afforded at the price of these sheets except in connection with a Daily, nor could our Daily be sustained at its price without the aid of our Country editions. Large as our circulation is, it would involve us in ruinous loss but for the receipts for Advertising. We believe that in THE RIBUNE is realized the largest variety and extent of solid information concerning the events of the day which has been or can be combined with extreme cheapness; and in that faith we command it to the favorable regard of the reading public. We offer no premiums for subscribers, tempt none to take it by gambling prospects of winning farms or mansions in a lottery in which tickets are furnished to its patrons, employ no traveling agents to importune people into taking it, and waste none of our rooms in dunning our subscribers for pay.

CHERRY PECTORAL

For the rapid Cure of

COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

We invite the attention of the Public to the Certificates appended below, and bespeak for them that candid consideration which their honest frankness deserves.

Men in such stations as many who voluntarily bear witness to the efficacy and value of CHERRY PECTORAL, do not wantonly trifle with, or distort facts, nor overstate their convictions. Judge then, whether this is not the medicine to trust when you must have relief for the throat or lungs; judge too, whether every family ought not to have it by them as a safeguard against the everywhere prevailing enemy, which steals with fatal frequency upon almost every flock and carries off the lamb from many a home?

Jackson, C. H., Jackson City, O., 20th Nov., 1852.

DR. J. C. AYER,

Sir—The CHERRY PECTORAL is much inquired after. Several of our best Physicians have used it, three of them in their own cases, and always with the happiest effects. The numerous patent medicines always before them, lead to incredulity in regard to every new remedy; and it is only after undoubted evidence of value in any article, that anything like a general confidence can be excited.

The unrivalled excellence of this combination of agents, (in the CHERRY PECTORAL,) proved beyond all cavil by repeated trial under their own observation, has compelled medical men to proclaim abroad its usefulness. It is beyond all doubt the best general remedy we have for the Pulmonary Affections of this climate at the same time sedative and expectorant—a rare combination of properties.

In the hope that it will prove its own reward, I subscribe myself,

Respectfully your obt. servant,
JAS. H. C. MILLER, M. D.

Allegan, Mich., 10th Jan., 1854.

Dear Sir—No one, *no not one* man, woman, or child—can be found to deny that the CHERRY PECTORAL is all that it claims to be. There is much used in this vicinity although not known until recently. The community should know its virtues. Yours truly,

JOHN R. KELLOGG, M. D.

Let gentlemen of the Legal Profession mark this case.

Williamsburg, L. I. Sept. 3, 1854.

DR. J. C. AYER,

Dear Sir—Over application for the past three years to my duties as an advocate brought on some eight months ago a severe irritation of the bronchial tubes, which was a constant annoyance to me, and fast becoming a source of great apprehension. Every remedy tried failed to even relieve me, till I used your CHERRY PECTORAL. This has not only relieved me, but as I trust, wholly cured me. I care nothing for the reputation of advertising Patent Medicines, and this is at your service. I shall recommend it to members of the bar and others whom I may meet, labouring under similar indispositions.

Yours truly,
R. F. JONES.

South Paris, Me., Aug. 18, 1853.

I have no hesitation in saying, that I regard AYER'S CHERRY PECTORAL as decidedly the best remedy within my knowledge for the cure of chronic bronchitis, coughs, and all diseases of the lungs.

M. A. RUST, M. D.
Montgomery, Ala., October 4, 1749.

DR. J. C. AYER,—Sir: I have used your admirable compound extensively in my practice, and find it to surpass, by far, any other remedy we have for curing diseases upon the lungs.

Your obedient servant,
R. B. JONES, M. D.

What yet remains to convince the most incredulous that the Cherry Pectoral is all that it purports to be, viz: an unequalled remedial agent for all diseases of the Throat and Lungs. The experience of years, has proven it to be such, and we submit it to the people, believing that its virtues will fully maintain its reputation.

TO THE CITIZENS OF KINGSTON.

IMPORTANT NOTICE.

E. W. PALMER would respectfully inform the Public that he has secured the Agency of Professor James McClintock's family Medicines, of which he has just received a full supply and which he is prepared to furnish wholesale and retail at the Proprietor's prices. Professor McClintock's fame as an eminent Physician needs no comment here. His medicines are the prescriptions adopted in his private practice and as such are invaluable in all cases where it is inconvenient to call in a physician.

Their sale has been unprecedented in the United States, where they have effected thousands of cures and no case of failure is yet recorded. At this season we would call especial attention to one of the most remarkable of the remedies, namely:—

Dr. McClintock's Pectoral Syrup

the best and safest Medicine ever used for

BRONCHITIS CONSUMPTION,

And all Diseases of the Lungs and Air Passages. For any of these forms of disease, showing themselves in

COUGH, TICKLING OF THE THROAT, SENSE OF TIGHTNESS

in the Throat or Chest, spitting of Blood difficulty of Breathing, Hoarseness or loss of Voice, Hectic Fever, Night Sweats, &c. This great remedy is unparalleled for success in the above complaints. It purifies the blood of all scrofulous taint; it heals ulceration; it destroys tubercles in the lungs: it regulates the bowels, checks night sweats and strengthens the stomach; it stimulates the vital powers, and gives vigor to the whole system; it quiets nervous excitement, relieves pain in the chest, soothes the cough, promotes expectoration, and at the same time affords a delicate nutriment. It contains no opium in any form, and agrees perfectly with the most delicate patient.

Dr. McClintock's Pectoral Syrup is put up in elegant Flint Glass Bottles, containing one pint each, and is sold at only 5 shillings per bottle, or six bottle for £1 5s.

A most important article at this changeable season is also

Dr. McClintock's Cold and Cough Mixture

Colds and recent Coughs, especially if accompanied by fever or inflammatory excitement, require a remedy different in character from the Pectoral Syrup, which is so valuable in chronic complaints. The

Cold and Cough Mixture,

Is precisely the cure for recent Coughs and irritation of the Throat and Lungs. It is

ESPECIALLY VALUABLE FOR CHILDREN.

As a preventive of Croup. No family in our climate should be without this efficient remedy, which, if taken on the first symptoms of cold, would prevent many an attack of Bronchitis, and a

FATAL ISSUE IN CONSUMPTION.

It is put up in neat flint glass bottles, and is sold for fifteen pence a bottle.

☞ No Opium in any form contained in this Mixture.

Dr. McClintock's Remedies for Rheumatism, Neuralgia, &.

These excruciating diseases are radically cured by taking Dr. McClintock's Rheumatism Mixture in doses of a teaspoonful three times a day. We have seen the worst cases relieved by it in 2½ hours. For external use we have never known so powerful and penetrating an application as Dr. McClintock's Rheumatic Liniment.
