SEAT OF WAR!
Brilliant Achievements in the East.
THE taking of Sebastopol was certainly a very fortunate affair; an achievement not less brilliant than desirable for the united interests and fair fame of the allied Powers. But notwithstanding this, the Bears have not all been slaughtered, for in spite of the *Emperor Nicholas and the Eastern War,* very large importations of Furs continue to be made into these Provinces. Amongst others, D. CHISACHI has just replenished his Stock in Trade, where every article needed in the Hat and Fur line can be had as cheap and as good as at any other House in the trade—all of the first quality, and of His own Manufacture.—Opposite the Glasgow Warehouse, Wellington Street Caps of all styles.

A GREAT & IMPORTANT WORK.
History of the Early Discovery of America, and the Landing of the Pilgrims!
With a Biography of the Indians of North America. By Drake, the Celebrated Antiquarian.
AFTER twenty years of incessant toil and research, the indefatigable author has completed this masterly work of history, which will be quoted as the highest authority, when the once noble and powerful race of Red Men will be known only on the page of history.
Some idea of the value of the work, and the amount of labor bestowed upon it, may be formed from the fact that it contains more than three times the matter of any History on the same subject ever published since the discovery of the American Continent, and in fact is the only complete and reliable work of the kind ever issued
The work contains five volumes in one, with a valuable Appendix and Index, referring to nearly
3,000 different Celebrated Individuals
Mentioned in the Book, and superbly Illustrated with Fine Steel Engravings!—Bound in embossed leather, marble edges and splendid illuminated backs, and sold at only $3,50.
Canvassing Agents are wanted in Canada, New Brunswick and Nova Scotia, to whom great inducements will be offered, and no man need apply who cannot send a certificate from the highest authority where he resides, as to his thorough business qualifications. Agents will have the right of as much territory as they will thoroughly canvass.
For further information, as to terms, &c., please address the publishers.

The great success of this Institution in Europe, and the numerous Policies, issued by the different Agencies in Canada, evidently show that the advantages of Life Assurance are daily becoming more and more appreciated by those who feel the necessity of making some provision for their families, or securing the amount of debts due by or to them in case of premature death.
The income of the Company, independently of the large Subscribed Capital, is about Eighty Thousand Pounds, Sterling, per Annum, and of this a great part is continually accumulating for the payment of losses.
A Party effecting an Assurance with this Company, may do so for a fixed sum, payable to his or her death, without participating in the profits, and thereby secure an *immediate Bonus* by not paying more than is absolutely required to provide for the risk.
Among others, the following Improvements on the system usually adopted are recommended to the attention of the Public.
A Table (No 2) of Increasing Rates of Premium, peculiarly advantageous in cases where Assurances are effected by way of securing loans of debts, "a less immediate payment being required on a Policy for the whole term of life than in any other Office; and the holder having the option of paying a periodically increasing rate, or of having the sum assured diminished, according to an equitable scale of reduction."
"A Table (No 4) of Decreasing Rates of Premium on a novel and remarkable plan; the Policy-holder having the option of discontinuing the payment of all further Premiums after Twenty, Fifteen, Ten, and even Five years; and the Policy still remaining in force, in the first case for the full amount originally assured, and in either of the three other cases for a portion of the same according to a fixed and equitable scale endorsed upon the Policy.
All claims payable within Three Months after proof of death
No proof of Birth is required at the time a claim is made; the age of the Assured being, in every case, admitted in the Policy, cannot, under any circumstance, be afterwards called in question.
Policies effected by Parties on their own lives are not rendered void in case of death by Duelling or the hands of Justice. In the event of suicide, if the Policy be assigned to a *bona fide* Creditor, the sum assured will be paid without deduction; if the Policy be not assigned, the full amount of Premiums received thereon will be returned to the family of the Assured.
The necessary forms, and every requisite information, as to the mode of effecting Assurances, may be obtained either by letter or personal application to

STOVES! STOVES!! STOVES!!!
THE SUBSCIBERS, in addition to their former Assortment, having purchased from Mr. Powell the Patterns of the "King of Stoves," they are now prepared to receive Orders for that justly Celebrated Stove. Also, having frequent calls for Large Stoves, suitable for Halls, Churches, &c, that would not be liable to crack, they have obtained the Patterns of a Large Stove, (called the "Lion",) with the sides cast in two pieces, which they think is just the Stove wanted, along with other New Patterns of Box and Parlor Stoves.
Please give us a call at Edwin Chown's "Eagle Foundry Wareroom," Bagot Street.
