The changes made in this district at the recent conference in Toronto were not numerous or very important. Eugenia and Euphrasia are left to be supplied. J. J. Ferguson is the new man at Dundalk and W. F.Marshall at Woodford. These are all the changes to be chronicled in the Owen Sound district.

While a Flesherton man was beating carpets one day recently, the stick he was using broke and one portion of it struck his wife in the face,causing a painful injury. Hereafter the men in that town will no doubt avoid all danger by refusing to whack the carpet —Chatsworth News. We weep to say that the News is seriously out in its calculation. The men have to do it all now.

Automobiling is not all fun and romance. One evening recently a large machine,owned and driven by Silk Bros., of Owen Sound, and containing besides a woman and three children,skidded off the road a mile and a half south of this villiage while on its way to Shelburne. The front wheel struck a culvert and broke an axle and several other parts of the machine. The party went to Councillor R. Best for assistance, who drove to town, bringing the broken parts, which Harry Wilson patched up temporarily. It was six o'clock next morning after an all night's "seance," when the machine was once more got under way.

The annual garden party of the Inistioge Sunday School was held at the home of Mr. Duncan on Monday, June 25th. The leading feature of the evening was a base ball match between the ladies of Dundalk and Swinton Park, the score being 18 to 11 in favor of Dundalk. After tea a very interesting program was given, consisting of songs, recitations and a piccolo solo. Viola Rennie and Edna Acheson sang very nicely a duet "Little feet be careful." Mr. Harry Ritchie gave two solos. Owing to the absence of Dr. Caldwell and Mr. Wass there were no speeches except by the pastor, Mr. Wellwood who is leaving this year. The Dundalk Band furnished the music. The proceeds of the evening amounted to $102.

Mr. Berry of the Merchant's bank, Markdale, laid complaint before Magistrate VanDusen last week against four Markdale young men—George Bansley, Chas, Bansley, Bud Penelton and Wilfred Burnside — charging them with assault. At the same time Mr. McArdle of Lucas, Wright & McArdle complained against George Bansley and Bud Pennelton for assault, and also against Pennelton for using profane language. The cases were to have been heard on Saturday but on Friday evening Berry and McArdle called on the magistrate in company with Chas. Bansley, Pennelton and Burnside and the three pleaded guilty. Pennelton was fined on three charges amounting with costs to $14.95. Charles Bansley was fined $2 and $3.45 costs. Wilfred Burnside got the same. The case of George Bansley was postponed for a week at the request of Council for the accused. Had not the plaintiffs requested leniency for these young men the fines would probably have been much heavier. The magistrate requests us to say that he objects to interference and pleas of the above nature when cases are laid except at the proper time, when the cases come to trial.
