Toronto, November 30, 1854.

OFFICE FOR MILITARY BOARDS,
20th December, 1842.

SIR,—The Committee of the Consolidated Board of General Officers having had before them the two enclosed letters from Mr JOSEPH STOVEL, (with Memorandums from the Duke of Wellington and the Deputy-Adjutant General attached thereto,) together with a pair of Trousers submitted by Mr. Stovel to exemplify the improvements which he proposes in the cut and make of that garment for the service of the Cavalry, have deemed it expedient to obtain his personal attendance, and also to see some Dragoons fitted with overalls made after this pattern and they are, therefore, now in a position to form a decided opinion upon its merits.

The advantages of the proposed pattern over that at present established are, that it fits the body neater and better in any position; that while sitting closer at the fork, it affords a greater freedom of stride; and that the leg seam is so placed as to be less exposed to friction by the saddle or by the stirrup-leather. It is found, moreover, on reference to some of the principal Army Clothiers, who admit the proposed pattern to be an improvement, that these advantages can be obtained without entail... an additional expense upon the Colonel. The Board are, therefore, enabled to submit, for the consideration of His Grace the Commander-in-Chief, their entire approval of the proposed pattern, for which, in their opinion, Mr Stovel deserves much credit; & they have caused a pair of overalls to be prepared, of the proper quality, and of a size calculated to fit a man of 5 feet 10 inches in height, (the usual standard of sealed patterns,) which they beg to recommend to His Grace to be sealed as the established pattern, in place of that now deposited in this Office.

I have the honor, to be, &c.,
(Signed,) JS. CHS. DALBLAC.
Lieutenant-General.

IMPORTANT NOTICE.

E. W. PALMER would respectfully inform the Public that he has secured the Agency of Professor James McClintock's family Medicines, of which he has just received a full supply and which he is prepared to furnish wholesale and retail at the Proprietor's prices. Professor McClintock's fame as an eminent Physician needs no comment here. His medicines are the prescriptions adopted in his private practice and as such are invaluable in all cases where it is inconvenient to call in a physician.

Their sale has been unprecedented in the United States, where they have effected thousands of cures and no case of failure is yet recorded. At this season we would call especial attention to one of the most remarkable of the remedies, namely:—

Dr. McClintock's Pectoral Syrup

the best and safest Medicine ever used for

BRONCHITIS, CONSUMPTION,

And all Diseases of the Lungs and Air Passages. For any of these forms of disease, showing themselves in

COUGH, TICKLING OF THE THROAT, SENSE OF TIGHTNESS

in the Throat or Chest, spitting of Blood difficulty of Breathing, Hoarseness or loss of Voice, Hectic Fever, Night Sweats, &c. This great remedy is unparalleled for success in the above complaints. It purifies the blood of all scrofulous taint; it heals ulceration; it destroys tubercles in the lungs; it regulates the bowels, checks night sweats and strengthens the stomach; it stimulates the vital powers, and gives vigor to the whole system; it quiets nervous excitement, relieves pain in the chest, soothes the cough, promotes expectoration, and at the same time affords a delicate nurishment. It contains no opium in any form, and agrees perfectly with the most delicate patient

Dr. McClintock's Pectoral Syrup, is put up in elegant Flint Glass Bottles, containing one pint each, and is sold at only 5 shillings per bottle, or six bottle for £1 4s

A most important article at this changeable season is also

Dr. McClintock's Cold and Cough Mixture

Colds and recent Coughs, especially if accompanied by fever or inflammatory excitement require a remedy different in character from the Pectoral Syrup, which is so valuable in chronic complaints. The

Cold and Cough Mixture.

Is precisely the cure for recent Coughs and irritation of the Throat and Lungs. It is

ESPECIALLY VALUABLE FOR CHILDREN

As a preventive of Croup. No family in our climate should be without this efficient remedy, which, if taken on the first symptoms of cold, would prevent many an attack of Bronchitis, and a

FATAL ISSUE IN CONSUMPTION.

It is put up in neat flint glass bottles, and is sold for fifteen pence a bottle.

☞ No Opium in any form contained in this Mixture

Dr. McClintock's Remedies for Rheumatism, Neuralgia, &.

These excruciating diseases are radically cured by taking Dr. McClintock's Rheumatism Mixture in doses of a teaspoonful three times a day. We have seen the worst cases relieved by it in 24 hours For external use we have never known so powerful and penetrating an application as Dr. McClintock's Rheumatic Liniment. For swelled limbs, bruises, internal pains, cramps, chilblains, stiff joints, toothache, and other painful complaints where we have seen it tried, it acts with magical effect. These remedies are sold at two shillings and sixpence per bottle.

Mr. McClintock's Dyspeptic Elixir.

Headache, Dizziness, Heartburn, Palpitation, and all the disagreeable symptoms arising from imprudence in diet, or from indigestion, may be promptly cured by Dr. McClintock's Dyspeptic Elixir, the result of thirty years experience in medical practice. This is now for the first time made public, though it has cured thousands of cases of confirmed Dyspepsia. Price in Bottles, 5 shillings

Dr. McClintock's Tonic Alternative Syrup,

This remedy is not only delightful to the taste, but perfectly safe and rapid in its effects. It stimulates the liver and other glands to natural action, gives tone and new vigor to all the functions, and enables them to throw off all morbid and unhealthy accumulations.

During the extensive practice of Professor McClintock, one of the most celebrated Physicians in Philadelphia, thousands of cases of Scrofula, Erysipelas, Scurvy, Salt Rheum, Tetter, Skin Diseases, of all kinds, Ulcers, Cancers, Pimples, Boils, and Rheumatism, together with Syphilitic and Mercurial diseases in all stages, were cured by the free use of Dr. McClintock's Tonic Alternative Syrup For children it is perfectly safe, and from its pleasant taste can be easily given. Those who are troubled with any of the above complaints, should take it regularly, Spring and Fall. Price 8 shillings, in large bottles. Six bottles for £1 5s,

Dr. McClintock's Rheumatic Mixture.

A purely vegetable remedy for internal use for the cure of Rheumatism, Gout, &c. Price two shillings and sixpence.

Dr. McClintock's Rheumatic Liniment.

For Rheumatism, Sprains, Bruises, Swellings, &c. Price two shillings and sixpence

Dr. McClintock's Anodyne Mixture.

For the instant relief of all pains, as Toothache, Headache, Neuralgia, &c. Price two shillings and sixpence

Dr. McClintock's Fever and Ague Specific.

A rapid and certain cure for all intermittents, Price five shillings.

Dr. McClintock's Vegetable Purgative Pills

A mild, safe and thorough medicine for Costiveness, headache, &c. Price per box. fifteen pence.

Dr. McClintock's Anti-Bilious Pills.

For invigorating the functions of the liver and bowels. Per box fifteen pence.

Dr. McClintock's Asthma and Whooping Cough Remedy.

☞ Whooping Cough Cured.—This distressing disease is thoroughly and quickly cured by Dr. McClintock's Asthma and Whooping Cough Remedy. It contains no opium and can be given to children with perfect safety. Few drops at bed time relief the cough all night, and a few doses cure entirely. Price, 2 shillings and six pence a bottle.

The above Medicines prepared under the direction of Professor James McClintock, late President of the Philadelphia (United States) College of Medicine, &c from the purest and freshest materials, are strongly recommended to the afflicted. They may be procured in Kingston, of E. W. Palmer, also of E. H. Parker & Co., who are the duly authorised agents for the City of Kingston. 281.

THE NEW YORK TRIBUNE.

DAILY.....$6.

SEMI-WEEKLY.....$3. WEEKLY.....$2.

Always in Advance.

THE WEEKLY TRIBUNE commences its XIVth annual volume with the month of September—commences it with a circulation (115,000) larger than was ever before accorded to any general newspaper whatever. This circulation has been gradually and laboriously attained by concentrating upon THE TRIBUNE the best efforts of many editors and correspondents, and by a greater liberality of outlay in each department than was probably ever before risked on any journal. It has been attained, not by sailing smoothly in the current of Opinion before the wind and basking in the smiles of majorities, but by an earnest, fearless devotion to Truth and Progress as above all partisan exigencies, all temporary interests, all momentary illusions of popularity and success. Its thorough advocacy of Temperance and Liquor Prohibition, of Justice to the despised and downtrodden, and of the equal and inalienable Rights of the Human Race, irrespective of Sex or Creed or Colour, have from time to time repelled many sunshine friends, whose prejudices or seeming interests were thereby contravened, but have combined to form a character which it will endeavor to maintain, and assign it a position among journals which we feel that it will be henceforth a success not to impair.

The leading ideas to which THE TRIBUNE is devoted may be briefly set forth as follows; 1. FREEDOM, to do whatever is essentially right—not alone for white Americans, or Anglo-Saxons, or Caucasians—even—not for one Race to determine whether they will or will not hold another Race in abject bondage—but for every Race and Nation, and every adult rational human being. This Freedom is rightfully absolute in the broad domain of Opinion, and involves the equal and imperative right to Political Franchises: 2. ORDER, or the necessary right of the legally indicated majority to interdict in the sphere of Action all practices which it deems demoralizing, therefore prejudicial to the common weal: 3. BENEFICENCE, or the wisdom and policy of employing the resources and credit of the community to accomplish works of general and unquestioned utility, to which individual means are inadequate or which, though eminently conducive to the public good, do not promise to reimburse by their direct income the outlay required for their construction 4. INDUSTRIAL DEVELOPEMENT, as the cornerstone of a true and benignant National Policy, counting the naturalization of a new and valuable art or product of the soil as more important than the acquisition of a fresh province or island and equally within the legitimate sphere of National concern and National effort; 5. PEACE, as a vital condition of true Progress, to be cherished by the most anxious, assiduous study to proffer as readily as we are prone to require redress for every wrong, and never to be surrendered except at the call of endangered Liberty. Such are the chief landmarks by which THE TRIBUNE directs its course.

But a small portion of THE TRIBUNE is allotted to what is currently distinguished as light reading: but Reviews of New Books of decided interest, with choice extracts illustrating their quality, are freely given, while the great body of our paper is devoted to a lucid and careful digest of the News of the Day, with Editorial comments thereon We have reliable Correspondents in each quarter of the globe, and in nearly all the principal cities of Europe and America, and their letters will aid our readers to a clearer understanding of the events which are now gradually converting the Old World into one gigantic arena for the death-struggle of rival interests, passions and ambitions.

THE TRIBUNE contains reliable reports of the Markets Our Cattle Market reports alone are worth more than the price of the paper to those who are engaged in raising and selling Cattle.

No paper involving so great expenses as our Weekly and Semi-Weekly could be afforded at the price of these sheets except in connection with a Daily, nor could our Daily be sustained at its price without the aid of our Country editions. Large as our circulation is, it would involve us in ruinous loss but for the receipts for Advertising. We believe that in THE TRIBUNE is realized the largest variety and extent of solid information concerning the events of the day which has been or can be combined with extreme cheapness; and in that faith we command it to the favorable regard of the reading public. We offer no premiums for subscribers, tempt none to take it by gambling prospects of winning farms or mansions in a lottery in which tickets are furnished to its patrons, employ no traveling agents to importune people into taking it, and waste none of our rooms in dunning our subscribers for pay.

REVIEWS.

"Decidedly the best and most useful book of the kind.'—[Pioneer.

'The information conveyed therein is really essential to those who contemplate marriage.'—[Record.

'It contains precisely the information too often studiously kept from the young and thoughtless. However, the knowledge *must* come *some* time, and happy is the person who does not become its possessor too late.—[Politician.

Dr. De Ross is one of the very few legally qualified physicians who through the medium of the public press have ventured to introduce appropriate remedies for the diseases treated upon in the above work, the peculiarities of which from long practical experience in the most celebrated institutions of this country and the continent, he has had perhaps unusual opportunities of observing. The necessity for sound practical judgment in such serious cases must be obvious, hence the inference that the greatest amount of benefit may be most reasonably expected at the hands of those members of the medical profession who have made these complaints their particular study, and to those only who possess the requisite qualifications can confidence be safely extended.

Persons at a distance may be successfully treated, by forwarding a correct detail of their case, with a remittance of £1 per Post Office Order payable at the Holborn office or otherwise, when Medicines and advice will be forwarded to any address securely packed from observation.

THE GREAT EUROPEAN REMEDY

For Exhaustation, Nervousness, Debility and all those Diseases for which Mercury, Copaiba, Sarsaparilla &c. are not only employed in vain, but too often to the utter destruction of the sufferer's health.

DR DE ROOS' CONCENTRATED GUTTÆ VITÆ, Or VEGETABLE LIFE DROPS,

are recommended to all those who have injured themselves by early excesses, and brought on Spermatorrhœa or Nocturnal Emissions, Nervousness, Weakness, Languor, Low Spirits, Aversion to Society, Study or Business, Timidity, Trembling and Shaking of the Hands and Limbs, Indigestion, Flatulency, Shortness of Breath, Cough, Asthma, Consumptive Habits, Dimness of Sight, Dizziness, Pains in the Head, &c.

Price 4s 6d., 11s, and 33s. per bottle. The £5 packages, by which £1 12s. are saved, can be had from the Establishment only, on receipt of the amount per Post Office order, or otherwise.

PAINS IN THE BACK! GRAVEL, Lumbago, Rheumatism, Gout, Indigestion, Bile, Flatulency, Headache, Nervousness, Debility, Diseases of the Bladder and Kidneys, Stricture, &c.

Dr. DE ROOS' COMPOUND RENAL PILLS, as their name Renal (or the Kidneys) indicates, are a most safe and efficacious remedy for the above dangerous complaints; Discharges of any kind, and Diseases of the Urinary Organs generally, which if neglected, frequently result in stone in the bladder, and a lingering painful death. They agree with the most delicate stomach, strengthen the digestive organs, increase the appetite, improve the general health, and will effect a cure when other medicines have utterly failed. 1s. 4½d, 2s. 9d., 4s. 6d., 11s., and 33s. per box, through all Medicine vendors.

☞ Beware of the recommendation of spurious or other articles by unprincipled vendors, who thereby obtain a larger profit. To protect the Public against FRAUD, Her Majesty's Hon. Commissioners have directed the words, "WALTER DE ROOS, LONDON," to be printed in white letters on the Stamp affixed to the above, to imitate which is felony.

Sold by E. W. Palmer, & Co., Booksellers & Druggists, Kingston: Canada West; Von Lentzgy, Loll Bazaar, Calcutta; Ashton, Richardson & Co., Mount Road, Madras; Hulse & Nephew, Agra; Treacher & Co., Poonah and Kurachee; Esperance & Co., Bombay; Smith & Co., Scinde; Dodsworth & Co., Colombo and Kandy, and obtainable through all Medicine Vendors, of whom also may be had THE MEDICAL ADVISER.
