PEDLAR—WINTERS

A very pretty wedding took place on Wed., Sept. 24th, at the home of Mr. and Mrs. D. Winters of Maxwell, when their daughter, Annie, became the bride of Mr. Harvey Pedlar, son of Mr. and Mrs. E. Pedlar of Feversham. The ceremony was performed by Rev. H. Shannon, and the wedding march was played by Miss Dally Pedlar, sister of the groom.

The bride, who was given away by her father, looked charming in a gown of royal blue canton crepe with trimmings of flowers and pleatings, and carried a shower bouquet of fall flowers. After the ceremony about forty guests sat down too partake of the dainty luncheon served. Immediately afterward the happy couple left by motor for Toronto, the bride travelling in a navy blue suit and grey hat with brown fox fur, the gift of the groom. On their return they will reside on the groom's farm near Feversham.

Find the Most Objects in This Picture Starting with the Letter 'S'

Easy to solve. Try it. Without any trouble whatever, you can readily see such objects as "Sun," "Saw," etc. Well, the others are just as easy to see, but the idea is who can find the most. Fifty big cash prizes will be given for the fifty best lists of "S-Words" submitted in answer to this puzzle. The person sending in the nearest correct list of names will be awarded first prize; second nearest correct list, second prize, etc. See how many you can find.

The Mail and Empire's $1,000 "S"-Word Picture Puzzle — OPEN TO ALL — Everybody Join In — COSTS NOTHING TO TRY

The Mail & Empire announces to-day a most interesting and amusing game. All can participate in this great fun game—from a school boy or girl to Dad, Mother, and even Grandpa and Grandma. It holds no preference to age. It is a test of your skill in ferreting out "S-Words" in the Puzzle Picture. It's a jim dandy puzzle game. We know you will enjoy it, for everyone loves a puzzle, and we venture to say you'll never have more fun.

It costs nothing to take part. The "S-Word" Puzzle Game is a campaign to increase the popularity of The Mail & Empire. It is not a subscription contest, and you do not have to send in a single subscription to win a prize. If your answer is awarded first prize by the judges, you will win $25.00; but if you would like to win more than $25.00, we are going to make the following special offer, whereby you can win bigger cash prizes.

--YOU CAN WIN $1,000.00--

Here's how: If the judges award your answer First Prize, and you have sent in one yearly subscription to The Mail & Empire at $5.00 a year, you will receive $500 instead of $25; Second Prize, $250; Third Prize, $150; (See second column of figures in prize list.)

Or, if you are awarded First Prize and you have sent in two yearly subscriptions (either one new and one renewal or two new subscriptions) to The Mail & Empire at $5.00 a year each, you will receive $1,000 instead of $25; Second Prize, $500; Third Prize, $300. (See third column of figures in prize list.)

It takes but two subscriptions to qualify for the big $1,000 reward. Absolutely two subscriptions is the maximum, one of which is to be a new subscriber. You can do this with little effort. Your own subscription will count as one and we can take subscriptions to start at any future date. In sending in your subscription give full instructions on a separate sheet from that on which you send your answer.

OBSERVE THESE RULES

1. Any man, woman or child who is not a resident of Toronto or Hamilton, and who is not in the employ of The Mail and Empire or a member of an employe's family, may submit an answer. It costs nothing to try.
2. ALL ANSWERS MUST BE MAILED BY OCTOBER 4TH, 1924.
3. All lists of names should be written on one side of the paper only, and numbered consecutively 1, 2, 3, etc. Write your full name and address on each page in the upper right hand corner. If you desire to write anything else, use a separate sheet.
4. Only such words as appear in the English Dictionary will be counted. Do not use obsolete words. Where the plural is used, the singular cannot be counted and vice versa.
5. Words of the same spelling can be used only once, even though used to designate different objects or articles, or parts of objects or articles. An object or article can be named only once.
6. Do not use hyphenated or compound words, or any words formed by the combination of two or more complete words, where each word in itself is an object.
7. The answer having the nearest correct list of names of visible objects and articles shown in the picture that begin with the letter "S" will be awarded First Prize, etc. Neatness, style or handwriting have no bearing upon deciding the winners.
8. Any number of people may co-operate in answering the Puzzle, but only one prize will be awarded to any one household; nor will prizes be awarded to more than one of any group where two or more have been working together.
9. In the event of a tie for any prize offered, the full amount of such prize will be awarded to each tied participant.
10. Subscriptions (both new or renewal), payable in advance at $5.00 a year by mail will be accepted. However, in qualifying for the $1,000 Bonus Reward, at least one new subscription must be sent in.
11. A new subscriber is any one who has not been receiving The Mail and Empire by mail since September 12th.
12. All answers will receive the same consideration regardless of whether or not a subscription to The Mail and Empire is sent in.
13. All new subscriptions will be carefully verified by the Puzzle Manager. Candidates marking old subscriptions as new will positively forfeit the credit of such subscription as qualifying for the Maximum Bonus Rewards.
14. Three prominent Toronto citizens, having no connection with The Mail and Empire, will be selected to act as judges to decide the winners, and participants agree to accept the decision of the judges as final and conclusive.
15. The judges will meet on October 15th, and announcement of the Prize Winners and correct list of words will be published in The Mail and Empire just as quickly thereafter as it is possible.
