We Trust Doctors

If you are suffering from impure blood, thin blood, debility, nervousness, exhaustion, you should begin at once with Ayer's Sarsaparilla, the Sarsaparilla you have known all your life. Your doctor knows it, too. Ask him about it.

Unless there is daily action of the bowels, poisonous products are absorbed, causing headache, biliousness, nausea, dyspepsia, and thus preventing the Sarsaparilla from doing its best work. Ayer's Pills are liver pills. Act gently, all vegetable.

Fire at Feversham

The fine new store and warehouse of Messrs. Heitman & McGowan was completely destroyed by fire on Saturday morning last. Nearly all the new goods stored in the warehouse were saved, but the loss is very heavy to the two young men just starting in business, as there was no insurance. The fire was undoubtedly the work of incendiaries, as there had been no workmen in the store on the previous day, Messrs. Heitman and McGowan happening to be in Collingwood after the glass front. The officers of the Salvation Army, who have their quarters next door, were also away from home. The snow on the roofs of adjoining buildings and other things made it a very opportune time for the dastardly act. The fire seemed to originate in the centre of the new store and in a very few minutes the whole building was wrapped in flames. The whole country is in a frenzy over the affair. People here are determined that the store shall be rebuilt at very small cost to the young men whose hard work and honest plans have been so ruthlessly wasted. The brick has been purchased and a new solid brick store will be erected at once.

MOTHER, SISTER AND BROTHER

Died of Consumption, but this Linden lady used Psychine and is strong and well

"My mother, brother and sister died of consumption," says Ella M. Cove, of Linden, N.S., "and I myself suffered for two years from a distressing cough and weak lungs. I suppose I inherited a tendency in this direction?

"But thank God I used Psychine and it built me right up. My lungs are now strong. I enjoy splendid health, and I owe it all to Psychine."

Cousumption, whether hereditary or contracted, cannot stand before Psychine. Psychine kills the germ, no matter how it attacks the lungs. Psychine builds up the body and makes it strong and able to resist disease. Psychine is an aid to digestion and a maker of pure, rich blood. The greatest giver of general health is

BLOOD DISEASES CURED

Before Treatment.

After Treatment.

He was surprised at how the sores healed—"I took your New Method Treatment for a serious blood disease with which I had been afflicted for twelve years. I had consulted a score of physicians, taken all kinds of blood medicine, visited Hot Springs and other mineral water resorts, but only got temporary relief. They would help me for a time, but after discontinuing the medicines the symptoms would break out again—running sores, blotches, rheumatic pains, looseness of the hair, swellings of the glands, palms of the hands scaling, itchiness of the skin, dyspeptic stomach, etc. I had given up in despair when a friend advised me to consult you, as you had cured him of a similar disease 8 years ago. I had no hope, but took his advice. In three weeks' time the sores commenced to heal up and I became encouraged. I continued the New Method Treatment for four months and at the end of that time every symptom had disappeared I was cured 7 years ago and no signs of any disease since. My boy, three years old, is sound and healthy. I certainly can recommend your treatment with all my heart. You can refer any person to me privately, but you can use this testimonial as you wish." W.
