DR. G. W. STONE'S MESMERIC NERVE RESTORATIVE.

THIS compound nervine was discovered and revealed to Dr. Stone by a celebrated Clairvoyant whose wonderful powers of second-sight were developed and exhibited by him, in London, during the spring and summer of 1841. The efficacy of this newly discovered remedy in restoring to healthy action and increasing the vital energies, has been well tested and proved to a demonstration, by the proprietor, in his treatment of

NERVOUS DISEASES,

During three years practice in Europe, where hundreds can testify to astonishing and almost miraculous cures performed by it. In addition to the magical powers of the ingredients it is highly charged with Mesmeric Fluid, being, in accordance with the directions of the Clairvoyant, powerfully Mesmerised by Dr. Stone, thus combining with its medical virtues the aid of Mesmerism, by which alone some of the most remarkable cures have been performed ever known. It is a specific for every Neurotic disease, and may be relied upon as a certain cure for Rheumatism, Neuralgia, Paralysis, Tic Doloreux, Nervous Headache, Pain in the side or Stomach, and General Nervous Debility

TO THE CITIZENS OF KINGSTON.

IMPORTANT NOTICE.

E. W. PALMER would respectfully inform the Public that he has secured the Agency of Professor James McClintock's family Medicines, of which he has just received a full supply and which he is prepared to furnish wholesale and retail at the Proprietor's prices. Professor McClintock's fame as an eminent Physician needs no comment here. His medicines are the prescriptions adopted in his private practice and as such are invaluable in all cases where it is inconvenient to call in a physician.

Their sale has been unprecedented in the United States, where they have effected thousands of cures and no case of failure is yet recorded. At this season we would call especial attention to one of the most remarkable of the remedies, namely:—

Dr. McClintock's Pectoral Syrup

the best and safest Medicine ever used for

BRONCHITIS, CONSUMPTION,

And all Diseases of the Lungs and Air Passages. For any of these forms of disease, showing themselves in

COUGH, TICKLING OF THE THROAT, SENSE OF TIGHTNESS

in the Throat or Chest, spitting of Blood difficulty of Breathing, Hoarseness or loss of Voice, Hectic Fever, Night Sweats, &c. This great remedy is unparalleled for success in the above complaints. It purifies the blood of all scrofulous taint; it heals ulceration; it destroys tubercles in the lungs: it regulates the bowels, checks night sweats and strengthens the stomach; it stimulates the vital powers, and gives vigor to the whole system; it quiets nervous excitement, relieves pain in the chest, soothes the cough, promotes expectoration, and at the same time affords a delicate nutriment. It contains no opium in any form, and agrees perfectly with the most delicate patient.

Dr. McClintock's Pectoral Syrup is put up in elegant Flint Glass Bottles, containing one pint each, and is sold at only 5 shillings per bottle, or six bottle for £1 5s.

A most important article at this changeable season is a so

Dr. McClintock's Cold and Cough Mixture

Colds and recent Coughs, especially if accompanied by fever or inflammatory excitement require a remedy different in character from the Pectoral Syrup, which is so valuable in chronic complaints. The

Cold and Cough Mixture.

Is precisely the cure for recent Coughs and irritation of the Throat and Lungs. It is

ESPECIALLY VALUABLE FOR CHILDREN

As a preventive of Croup. No family in our climate should be without this efficient remedy, which, if taken on the first symptoms of cold, would prevent many an attack of Bronchitis, and a

FATAL ISSUE IN CONSUMPTION.

It is put up in neat flint glass bottles, and is sold for fifteen pence a bottle.

☞ No Opium in any form contained in this Mixture

Dr. McClintock's Remedies for Rheumatism, Neuralgia, &.

These excruciating diseases are radically cured by taking Dr. McClintock's Rheumatism Mixture in doses of a teaspoonful three times a day. We have seen the worst cases relieved by it in 24 hours. For external use we have never known so powerful and penetrating an application as Dr. McClintock's Rheumatic Liniment. For swelled limbs, bruises, internal pains, cramps, chilblains, stiff joints, toothache, and other painful complaints, where we have seen it tried, it acts with magical effect. These remedies are sold at two shillings and sixpence per bottle.

Mr. McClintock's Dyspeptic Elixir.

Headache, Dizziness, Heartburn, Palpitation, and all the disagreeable symptoms arising from imprudence in diet, or from indigestion may be promptly cured by Dr. McClintock's Dyspeptic Elixir, the result of thirty years experience in medical practice. This is now for the first time made public, though it has cured thousands of cases of confirmed Dyspepsia. Price in Bottles, 5 shillings.

Dr. McClintock's Tonic Alternative Syrup.

This remedy is not only delightful to the taste, but perfectly safe and rapid in its effects. It stimulates the liver and other glands to natural action, gives tone and new vigor to all the functions, and enables them to throw off all morbid and unhealthy accumulations.

During the extensive practice of Professor McClintock, one of the most celebrated Physicians in Philadelphia, thousands of cases of Scrofula, Erysipelas, Scurvy, Salt Rheum, Tetter, Skin Diseases, of all kinds, Ulcers, Cancers, Pimples, Boils, and Rheumatism, together with Syphilitic and Mercurial diseases in all stages, were cured by the free use of Dr. McClintock's Tonic Alternative Syrup. For children it is perfectly safe, and from its pleasant taste can be easily given. Those who are troubled with any of the above complaints, should take it regularly, Spring and Fall. Price 5 shillings, in large bottles. Six bottles for £1 5s.

CANADA GRAND TRUNK TELEGRAPH COMPANY

TO THE STOCKHOLDERS & THE PUBLIC GENERALLY.

THE undersigned now address themselves to say, that their line of Telegraph is in thorough working order, and that any business entrusted to its officers, will be performed in a manner that must give satisfaction from the promptitude and accuracy which they hope will for the future distinguish this Company's operations.

The Directors have hitherto forborne to solicit business, having preferred to await the completion of arrangements which make their Line the most comprehensive in Canada. It is now joined at Montreal with the British North American Electric Telegraph Association, which leads direct to Halifax, giving the inhabitants of Canada West great facilities for obtaining early intelligence, and for connecting with New Brunswick and Nova Scotia. All business with the United States will receive due attention, it can be sent either by way of Montreal through our connection there with the Vermont and Boston Line, from Prescott by Ogdensburg, or via Buffalo, through our House Printing Line, where may be seen the only working specimens in Canada of this beautiful mode of operation—the instruments for which are considered, in point of mechanism, to be among the greatest triumphs of human skill.

The undersigned will only add that the Grand Trunk Line has been renovated by very great labour and at considerable outlay, which nothing but a large share of business will remunerate. This business they hope to secure from the public, as their intention is to do everything in their power to deserve it.
