CANADA GRAND TRUNK TELEGRAPH COMPANY.

TO THE STOCKHOLDERS & THE PUBLIC GENERALLY.

THE undersigned now address themselves to say, that their line of Telegraph is in thorough working order, and that any business entrusted to its officers, will be performed in a manner that must give satisfaction from the promptitude and accuracy which they hope will for the future distinguish this Company's operations.

The Directors have hitherto forborne to solicit business, having preferred to await the completion of arrangements which make their Line the most comprehensive in Canada. It is now joined at Montreal with the British North American Electric Telegraph Association, which leads direct to Halifax, giving the inhabitants of Canada West great facilities for obtaining early intelligence, and for connecting with New Brunswick and Nova Scotia. All business with the United States will receive due attention, it can be sent either by way of Montreal through our connection there with the Vermont and Boston Line, from Prescott by Ogdensburg, or via Buffalo, through our House Printing Line, where may be seen the only working specimens in Canada of this beautiful mode of operation—the instruments for which are considered, in point of mechanism, to be among the greatest triumphs of human skill.

The undersigned will only add that the Grand Trunk Line has been renovated by very great labour and at considerable outlay, which nothing but a large share of business will remunerate. This business they hope to secure from the public, as their intention is to do everything in their power to deserve it.

BRITISH PERIODICALS.

EARLY COPIES SECURED.

LEONARD SCOTT & CO., New York, continue to re-publish the following British Periodicals, viz.:

1. THE LONDON QUARTERLY (Conservative).
2. THE EDINBURGH REVIEW (Whig).
3. THE NORTH BRITISH REVIEW (Free Church).
4. THE WESTMINSTER REVIEW (Liberal).
5. BLACKWOOD'S EDINBURGH MAGAZINE (Tory).

The present critical state of European affairs will render these publications unusually interesting during the forthcoming year. They will occupy a middle ground between the hastily written news-items, crude speculations, and flying rumors of the Daily Journal, and the ponderous Tome of the future historian, written after the living interest and excitement of the great political events of the time shall have passed away. It is to these Periodicals that readers must look for the only really intelligible and reliable history of current events, and as such, in addition to their well-established literary, scientific, and theological character, we urge them upon the consideration of the reading public.

☞ Arrangements are now permanently made for the receipt of EARLY SHEETS from the British Publishers, by which we are enabled to place ALL OUR REPRINTS in the hands of subscribers, about as soon as they can be furnished with the foreign copies. Although this involves a very large outlay on our part, we shall continue to furnish the Periodicals at the same low rates as heretofore, viz.:—

	Per ann.
For any one of the four Reviews	$3 00
For any two of the four Reviews	5 00
For any three of the four Reviews	7 00
For all four of the Reviews	8 00
For Blackwood's Magazine	3 00
For Blackwood and three Reviews	9 00
For Blackwood and the four Reviews	10 00

Payments to be made in all cases in advance. Money current in the State where issued will be received at par.

Canadian Subscribers supplied free of United States Postage.

Remittances and communications should always be addressed to the Publishers,
