Mrs. Gorley Born At Whitby 82 Years Ago

Mrs. Gorley, whose maiden name was Euphemia Ritchie, was born in what was then the little village of Whitby, away back in the early pioneer days of the township of Pickering, 82 years ago, and where all her happy girlhood days were spent and where she lived with her parents, sharing the hardships and the contentment of those early days of which she so often loved to talk. In the year 1861 she married Robert Gorley, also of the town of Whitby, and to them were born ten children. After spending twenty-five years of farm life in Pickering, they moved to Eugenia some thirty-eight years ago and settled on the farm now occupied by their son, Robert. After the death of Mr. Gorley some eighteen years ago, Mrs. Gorley moved with her three sons to the farm known as the Richard Genoe farm, where she resided until this spring, when she bought a home in the village and had just got comfortably settled when the last long call came and she passed on to her great reward on October 9.

Mrs. Gorley leaves to mourn the loss of a devoted mother three sons and three daughters: Mrs. Collins of Newmarket, Mrs. S. W. Sloan of Toronto, Mrs. Stoba also of Toronto, Robert in the homestead and William and James at home. Three sons, John, Norman and Rheuban and one daughter, Susan, predeceased her. There are also ten grandchildren and nine great-grandchildren.

The funeral, which took place to Salem cemetery from the late residence of Mrs. Gorley on Saturday, October 11th, was largely attended by friends and neighbors who gathered to pay their tribute of respect to one who was highly respected and who will be greatly missed by the older residents of the community.

The pallbearers were Robert and George Gorley, three nephews George, Will and Ira Orvis of Shelburne and Wesley Cooey.

The floral offerings covering the casket were beautiful, they being a wreath from the family, wreath from George Gorley, wreath from Campbell family, wreath from Mrs. Smith and Mrs. Park, pillow from Mrs. Latimer, Mrs. Munshaw and Mrs. Large, and a wreath from Mrs. Miller of Shelburne.

Those who attended the funeral from a distance were: Mr. and Mrs. Will Orvis and daughter, Mr. and Mrs Geo. Orvis and son, and Mrs. Miller and two daughters of Shelburne; Mr. and Mrs. George Gorley and daughters of Markdale; Mrs. Collins, Newmarket; Mrs. Stoba and Mr. and Mrs. S. W. Sloan, Toronto.

The sympathy of the commuinty is extended to the bereaved family.

Miss Mae Carruthers has returned home from Ottawa and has taken a position with Mr. Cairns.

Mrs. Albert Williams Dies At Owen Sound

Passes Away After A Lengthy Illness

Gloom was cast over the commuinty when it was learned this Monday morning that Mrs Albert Williams had passed away at the home of her father, Mr. Thos. Howard, of Owen Sound.

Mrs Williams had been in failing health for some time and had gone to Owen Sound in the early spring that she might receive special treatment, and although everything was done that skill and loving hands could do, she passed away at the early age of twenty-five years. Always a favorite with the young people and highly respected by all who knew her, her passing is keenly felt by the community. Previous to her marriage five years ago she was in the employ of Graham Bros. for some time, where she always gave cheerful and untiring service.

She leaves to mourn her loss her sorrowing husband and one little son, two years of age, mother and father, Mr. and Mrs. Thos. Howard, three brothers and two sisters. One sister, Mrs. Jas. Ferris, and one brother, Johnston, who paid the supreme sacrifice in the great war, have passed on before.

The funeral, which will take place on Wednesday of this week from the home of her parents in Owen Sound to Eugenia Presbyterian church, after which interment will take place at Salem.

The community extends its deepest sympathy to the family and especially the young husband and babe in their hour of great sorrow.

Attended Contest At Flesherton Saturday

A number from here attended the public speaking contest which was held in Flesherton High School for the prize given by Miss A. C. McPhail for public speaking for public school children of the county, and was greatly enjoyed by those who were there. Though our little candidate, Irene Martin, was not successful in carrying off first prize we feel sure she bids fair to excelling herself next year. This is a splendid opportunity for the boys and girls which should be encouraged by parents and public school teachers, and it is a scheme we believe Miss McPhail intends organizing and carrying out each year in connection with the school fairs.

Messrs. P. Munshaw, Gerald Large, Wesley Cooey, Russel McMullen and Card Graham motored to Toronto and Niagara Falls on Thursday the past week, returning Saturday. Gerald Large remained there, having secured a position. Wesley Cooey returned this Monday to Niagara, whre he will work on the canal.

Mr. Eph. Rhobottom of Owen Sound spent a day recently at the home of John Williams.

Terrible Accident To Young Lady At Proton

Hair Caught In Cream Separator—Scalp Is Badly Torn

Proton Station Correspondence

Miss Ila Batcheler, the 16-year-old daughter of Mr. and Mrs. Sam Batcheler, suffered an extremely painful accident on Friday morning last. She had just finished separating the morning milk, when, stooping to pick up the pail containing the cream, her hair caught in the rapidly revolving shaft of the separator, severing with the hair a piece of scalp from the crown of her head which would measure about six by four inches. Dr. Carter of Dundalk was hastily summoned, who, after a brief examination, telephoned for Dr. McWilliam to come and assist him. For three hours the doctors worked over the suffering girl who bravely bore the operation of the stitching on of the scalp without even the aid of a narcotic. Miss Ila is gradually recovering from the shock, and her shorn head is being daily cared for by the physician.

Thursday, October 23rd, will be a day in history for Ontario—either a a red letter day or one we will be ashamed for our grand children to study. We have noticed that the man or woman who talks loudest about the O.T.A. not being enforced is the man who finds it hard to enforce the rules with which he uses to control his children. We have yet to see a law perfectly enforced. Will you tell us one.

The young people of our League attended the parliament at Owen Sound on Thursday and report an instructive and enjoyable time.

The WM.S. of Inistioge packed their bale on Thursday, valued at twenty-five dollars.
