CIRCULAR.

CANADA GRAND TRUNK TELEGRAPH COMPANY.

TO THE STOCKHOLDERS & THE PUBLIC GENERALLY.

THE undersigned now address themselves to say, that their line of Telegraph is in thorough working order, and that any business entrusted to its officers, will be performed in a manner that must give satisfaction from the promptitude and accuracy which they hope will for the future distinguish this Company's operations.
The Directors have hitherto forborne to solicit business, having preferred to await the completion of arrangements which make their Line the most comprehensive in Canada. It is now joined at Montreal with the British North American Electric Telegraph Association, which leads direct to Halifax, giving the inhabitants of Canada West great facilities for obtaining early intelligence, and for connecting with New Brunswick and Nova Scotia. All business with the United States will receive due attention, it can be sent either by way of Montreal through our connection there with the Vermont and Boston Line, from Prescott by Ogdensburg, or via Buffalo, through our House Printing Line, where may be seen the only working specimens in Canada of this beautiful mode of operation—the instruments for which are considered, in point of mechanism, to be among the greatest triumphs of human skill.
The undersigned will only add that the Grand Trunk Line has been renovated by very great labour and at considerable outlay, which, nothing but a large share of business will remunerate. This business they hope to secure from the public, as their intention is to do everything in their power to deserve it.
[Signed.]

President C. Gr. Tr. Tel. Co.

Almost Astonishing Cure of Scrofulous Sores,—A case certified by the Mayor of Boston.

Copy of a Letter from J. Noble, Esq., Mayor of Boston, Lincolnshire.
